

BRAINERD HIGH 11 SHUT OUT

LOCAL HIGH SCHOOL FOOTBALL TEAM TOO MUCH FOR THEM
—SCORE 19 TO 0

The local high school football team made another important advance toward the Northern Minnesota championship Saturday when they defeated the Brainerd high school eleven by a score of 19 to 0. The locals feel quite certain as to the outcome of games with other teams and their confidence has been greatly increased by the defeat of Brainerd, as teams from that school have been top-notchers for some time.

From start to finish the game was one-sided, although the score was one-sided. The up-river boys outweighed the locals but did not have the speed. Meyers, Elvig and Brannen each made a touchdown for Little Falls and Longley kicked a goal. The weather was far from favorable for football and both teams felt the effects.

Following was the lineup of the teams:
Little Falls— Brainerd—
Brannen-Lauermann re Blake
L. Kay rt Warner
McNally-Gordon rg Mahlum
Graham c Norquist
Palmer lg Hagberg
Belanger lt Eckholm
Elvig le Fall-Molstad-Ries
Cook qb Trent
Longley rh Carlson
Levine hb Koop
Meyers fb Day

The local team has no game scheduled for next Saturday, but will play the St. Cloud high school squad Saturday, Oct. 31.

JUBILEE SINGERS PLEASD

A capacity audience filled the Victor theatre Thursday evening of last week for the entertainment staged by the Dixie Jubilee Singers, who appeared under the auspices of the local Elks lodge. The program was highly pleasing, the opera numbers especially being greatly appreciated.

The Elks realized a neat sum from the concert, which goes into the fund for a new Elks home.

Mrs. Dave Moran of Ripley, who recently underwent an operation for appendicitis at the Hall hospital, is reported to be doing nicely.

To the Voters of Morrison County:

It will not be possible for me to see you all personally before the day of election, as Sheriff Armstrong is sick and the duties of the office take practically all my time. But whether I see you or not I assure you that I want your support and that if elected I will give the work of the office my very best effort and attention.

Very respectfully,

LOCAL MEN RETURN FROM EAST

Chas. Sylvester, Louis McNairy and Frank Gannon returned Friday evening from a trip to the east, the main purpose of which was to see some of the games in the world series. Among the cities they visited were Cleveland and Akron, Ohio, Washington, Baltimore, Philadelphia, New York and Boston.

Mr. Sylvester witnessed three of the games in the world series and McNairy and Gannon saw two. All three saw the 12-inning game between Philadelphia and Boston, in which Leslie Bush of Brainerd pitched for the Athletics. His tactics on the field were much the same in the big league game as when he played with Brainerd, they said.

The most interesting part of the trip was a visit to the national capitol and the navy yards. They were shown about in Washington by Congressman C. A. Lindbergh of this city, and were introduced to President Wilson.

Mr. Sylvester carried a camera wherever he went and took pictures of things of interest. While viewing the navy yards he naturally snapped a few pictures, but this did not continue long, for an officer stopped him and took the camera. It was taken to an office where the film was removed and the camera was then returned to Sylvester. The officer stated that the films would be examined and returned to him later. Great care is exercised by the government to prevent strangers from taking pictures in the yards. The party from this city were told that a Jap was arrested a short time before for taking pictures of the chemistry rooms.

The local men are not a bit sorry that they made the trip, but rather are highly pleased to think that they could enjoy themselves so immensely in so short a space of time, being gone but two weeks. They are now kept busy telling stories about their trip to friends.

SPANISH CO. AT HIGH OCT. 30

Friday night of next week the Spanish company, the second of a series of entertainments staged by C. W. Best and known as the Artists' Series, will appear in concert at the local high school auditorium, under the auspices of the Musical Art club.

The Spanish company consists of four people. Miss Helen Watson Powers is soprano, M. Emile Pollmer is tenor, Helen Desmond is pianist and Senor Antonio Sala is violinist.

The concert will consist of solos, duets, etc., and should prove very interesting. The program will start at 8 o'clock p. m., sharp. Admission will be the same as to the last concert, 50 cents for adults and 20 cents for students.

GOVERNOR URGES RAID ON ARMED HOBBOES

Sheriff Armstrong has received a letter from Governor Eberhardt, in which he urges that hoboes and rovers be disarmed. Similar letters have been sent to all sheriffs in the state.

During the past two months numerous crimes and depredations committed by bands of roving men have been reported. In many instances the men have been armed and have terrorized and murdered trainmen and others and committed burglaries and destroyed property.

The sheriffs and other officers of the law are urged to take extraordinary measures to disarm or imprison such men, so as to protect the community.

PRAISE LOCAL HIGH SCHOOL BUILDING

The following article, taken from the annual report of the state high school inspector, is a bouquet to Little Falls, and especially to the school board and to Superintendent Dobbyn, who made a number of good suggestions in connection with the erection of the local high school:

"Little Falls now occupies a new high school building. Dollar for dollar the building offers more room and greater convenience than any other high school building in the state."

THEATRES TO BE POLICED

Hereafter the theatres of this city will be policed at all road shows or vaudeville entertainments, according to a statement made by Mayor Fortier.

Considerable complaint has been made by theatre goers of the practice by some people of talking and disturbing the audience and players during entertainments. Sunday night, the opening night of the Margot Beaton Stock company at the Victor theatre, several persons made themselves very annoying, and one was ejected from the place.

STOCK COMPANY AT VICTOR

The Margot Beaton Stock company, which is playing at the Victor theatre this week, is enjoying a very good patronage. They opened with the play "In the Bishop's Carriage" Sunday night, playing to a packed house.

For tonight the bill is "Paid in Full," a powerful drama, and for tomorrow evening "The Runaway Match," a farce-comedy which is exceptionally strong.

TAKE BONES BACK TO CHINA

CHINA ONLY COUNTRY IN WORLD TO GATHER REMAINS OF DECEASED OUTSIDE EMPIRE

Brainerd Dispatch: Traveling from San Francisco, Cal., Hun Foy is in Brainerd today gathering the remains of Lee Chung, who was murdered in Brainerd in 1893, and the bones, exhumed from the local cemetery, have been placed in a wood and zinc lined box, hermetically sealed and will be shipped back to Lee Chung's former home in China.

Hun Foy comes originally from Hong Kong. He said it is the custom of the empire to gather, ten years after death, the remains of all Chinamen who die outside the country. This practice, it is believed, is indulged in by China alone.

At Duluth the remains of ten Chinamen were collected. At St. Paul the remains of four are to be collected. The bones are placed in a box measuring 20 inches long, 13 inches wide and eight inches high. Arriving in China the family and relations assemble about the remains, there are appropriate ceremonies, the bones are placed in an urn and then taken to the cemetery and placed beside the urn of his wife.

Hun Foy has permission from the state board of health to get the bodies. In Brainerd he had a permit from Dr. R. A. Beise, of the local board of health, and of Milton McFadden, secretary of the cemetery association. Assisted by an undertaker, D. E. Whitney, the grave was speedily located and the bones making a heap which would fill a suit case, were collected and placed in the box provided by Hun Foy.

Hun Foy is a well educated Chinaman who has been in the country over 40 years and is established in business in San Francisco.

THINK DIEDRICH IS O. K.

Minneapolis Tribune (18).—Joe Diedrich, sub halfback on the varsity, who has shown indications of stellar ability this season, is a baseball player of parts. Joe was captain and shortstop of the Minnesota nine last spring and it was rated one of the best Minnesota has had in recent years. And Joseph was classed as the equal of any infielder the university has had. His dodging runs for Minnesota and an unexpected kicking performance have been features of Diedrich's football so far this season, but when his college career is over it will be baseball for Joseph. He-lans to sign with some minor league club and believes he may possess enough "stuff" to work his way into the big show.

RE-PRINTED AMENDMENTS

County Auditor B. Y. McNairy on Tuesday received a letter from the secretary of state, instructing him to destroy all the pink ballots he received recently, as a caption was omitted over Amendment No. 7, relating to the number of senators and representatives in the state legislature.

These ballots are distributed to the town clerks throughout the county, to be voted upon at the general election. There are a total of eleven proposed amendments to the constitution. It is estimated that it will cost the state over \$700 to have the ballots reprinted.

NEW DRY CLEANING ESTABLISHMENT

The Sterling Suitatorium, a dry cleaning establishment, will open for business today or tomorrow in the building formerly occupied by the Richard Bros. grocery store, on First street northeast. C. R. Sterling and Miss Helen McVean are the proprietors.

Besides doing all kinds of dry cleaning, steam pressing, etc., the Suitatorium will block hats, Miss McVean being an expert in this line.

WILL ATTEND EDUCATIONAL MEETING

No sessions will be held in the local high school next Thursday or Friday, as Superintendent Dobbyn and the faculty will go to St. Paul to attend the annual Minnesota Educational association meeting, which will be in session there Wednesday, Thursday, Friday and Saturday. A number of grade teachers also plan on attending the meeting and those who do will also dismiss their classes for Thursday and Friday.

WM. COONS IMPROVING

Mrs. Wm. Coons returned from Fargo, where she was called by the injury of her husband recently in an automobile accident.

Mr. Coons is improving slowly but it will be some time before he will be able to leave the hospital.

John Karst, tinner at the Ryan hardware store, is suffering with an infected foot, as the result of stepping on a nail.

H. W. Vonnors of this city has been appointed local deputy for the M. B. A. lodge. A class will be initiated into the local lodge before Jan. 1, and an effort will be made to get 25 or 30 candidates by that time.
