COMMERCIAL CLUB MEETS TUESDAY NIGHT

The Commercial club will hold a special meeting at the city hall Tuesday evening for the purpose of taking some action toward securing the retention of the star mail route between Pierz and this city. The route is scheduled to be discontinued on July 1, according to a notice received at the Pierz postoffice and unless something is done soon the government's instructions will be carried out. All the members should be on hand.

It is likely that the automobile club will hold a meeting on the same evening. The membership committees will be expected to report and other matters of importance will be taken up.

CAN'T GET COURT HOUSE LAWN FOR BAND STAND

A committee from the Commercial club and W. H. Bastien, leader of the city band, appeared before the board of county commissioners Tuesday and asked permission to use a corner of the court house grounds on which to erect a band stand, the people to be seated along the walks. The commissioners refused to grant the request, fearing the people would crowd upon the lawn. Under these circumstances the committee will make an effort to get some other suitable place to hold the concert.

SENATOR CLAPP IN CITY

Mr. and Mrs. C. B. Buckman of this city attended the graduation exercises of the Royalton high school class at the Royalton opera house last evening. They made the trip by automobile and on their return were accompanied by U. S. Senator Moses E. Clapp, who delivered the commencement address. STAPLES PLAYS HERE SUNDAY

Sunday afternoon the Little Falls All Stars will clash with Staples for a second time, this time at the fair grounds here. They were defeated by Staples two weeks ago but claim that their defeat was due to unfair umpiring and some bad errors and they expect to vanquish the railroad boys this time. The lineup of the locals will be about the same as in past games except that Lagerbauer will likely be on the mound.

COUNCIL MEETS MONDAY NIGHT

The city council will hold a regular monthly meeting at the city hall Monday evening. At that time nineteen liquor license applications will be brought up for granting or rejection. A city ordinance limits the number of saloons to eighteen so one will have to be turned down. Other important matters will also be taken up.

Axel Johnson was operated upon for appendicitis Wednesday at St. Gabriel's hospital.

The Hennepin Paper company's mill here is shut down for repairs. Work will be resumed in a few days.

Bastien's band will play at the baseball game at the fair grounds Sunday, instead of at the Pine Grove park.

H. C. Erickson, first teller at the First National bank, has gone to Starbuck to remain with his parents for a few weeks. He is suffering with a light attack of pneumonia.

Delegates from the local fire department leave Monday evening for Pine City, to attend the annual state firemen's convention, which convenes there for a three-day session. L. W. Ayer of this city will be one of the speakers at the convention.

BIG DAY AT PIERZ

Over 300 Children Confirmed by Bishop Busch on Wednesday

There was a gala day at Pierz last Wednesday, the occasion being the confirmation of over 300 members of St. Joseph's church by Bishop Busch of St. Cloud. There were about 15 priests from this territory in attendance.

The bishop was met at the 8:48 train by a committee from Pierz and taken out by automobile. At Pierz the bishop was met by a large crowd, and a parade formed consisting of many of the citizens riding decorated horses and people in automobiles. At Father Steigler's home the choir rendered several selections, a pleasing feature of the celebration being the maple drill by 16 of the young ladies of the village.

On the afternoon of Wednesday an entertainment and picnic was held at the parochial school. This was the first visit of Bishop Busch to Pierz, since his installation as the bishop of this diocese, and he made a fine impression upon his hearers.

SKINNER FINED FOR ASSAULT

Clark Skinner on Wednesday morning pleaded guilty before Judge John A. Roesser to assault in the second degree, on the person of Mrs. Chas. Crowe. He was fined \$50 and costs, amounting to about \$143.

The affair occurred last winter, Skinner assaulting Mr. Crowe following a quarrel. In the course of the fracas Mr. Skinner struck Mrs. Crowe, breaking her arm, when she tried to intervene. Judge Roesser came to Little Falls on the 13 Wednesday morning for the purpose of sentencing Emond and Skinner, and he returned home on the afternoon train.

AMERICANIZATION PROGRAMS SUGGESTED

Mayor Fortier is in receipt of a letter from the department of labor, similar to letters sent throughout the United States, in which the department urges that the city arrange for a program on July 4 especially for those who have recently become American citizens, in order that they might know the importance of the step they took when they became American citizens. A large number of cities have already responded to the department and will make July 4 Americanization Day.

TO ENTERTAIN EXCURSIONISTS

Miss Rosebud Fortier of this city, who is finishing a post-graduate course at the Cummoch School of Oratory, Evanston, Ill., leaves Chicago tomorrow for Buffalo, N. Y., by boat, in the capacity of entertainer for a large excursion party. The trip will last eight days.

OBSERVE MEMORIAL DAY HERE

PARADE FROM CITY HALL TO OAKLAND CEMETERY, FOLLOWED BY PROGRAM

Memorial Day was very fittingly observed in Little Falls Monday morning with a parade and a program at the Oakland cemetery. The weather was splendid and a large number of people turned out.

The city band, members of the G. A. R. and W. R. C. and speakers formed the parade, which started at the city hall and wended its way to the cemetery. The number of Civil war veterans in this city has greatly dwindled lately and only about fifteen were in the ranks.

A quartet composed of Mrs. Chas. Jensen, Miss Elaine Ruth, Jos. Mitchell and Ernest Carlson opened the program with "The Star Spangled Banner," accompanied by the band. The G. A. R. ritual followed and Rev. Walter Boardman then gave the invocation, after which the quartet sang "Long Live America." J. C. Burrall, commander of the local G. A. R. post then delivered Lincoln's Gettysburg address.

Rev. Philip Gregory of the Congregational church delivered the Memorial address. He stated that the object of this observance was not to honor war but to pay tribute to those who had fought for such a just cause. He denounced war and said that the time will come when all international matters will be settled through a court of arbitration, without any bloodshed.

Two-thirds of the money which goes into the United States treasury is spent for war equipment, etc., he said. As an example of how this money could be spent to better advantage he compared the battleship North Dakota for \$28,000,000 to construct and maintain this battleship for twenty years. If this money were to be expended in the erection of agricultural colleges in the state of North Dakota, it would put one in each county and endow it with a goodly sum. However, the speaker agreed that war sometimes is necessary and cited as an instance the Civil war, which was necessary in order to free the slaves.

The program ended with the song "Tenting on the Old Camp Ground" by the quartet, benediction by Rev. Boardman and the song "America" by the quartet.

VICTORS VS. RANDALL SUNDAY

Sunday afternoon the Victors will take on the Randall aggregation on the West side grounds for a second game. E. Ploof and R. Johnson will form the battery for the locals.

SHOWS STEADY GROWTH

Little Falls Fire Insurance Company Has Annual Meeting

The annual meeting of the Little Falls Fire Insurance company was held at the court house hall Tuesday afternoon, with a fair attendance. The main question considered was whether a lesser rate would be allowed building risks on which were erected lightning rods. After some discussion, by nearly unanimous vote, the proposition was turned down.

The limit of insurance on young stock was raised from \$5 to \$20. The company is showing a steady growth and at this time has 425 policies in force with a total insurance of \$637,468. The cash on hand January 1 was \$831,966. Since there has been received in premiums \$438,41, making the total \$1,270,377 as receipts. Commissions and expenses of \$152,033 leave a balance in the treasury at this time of \$1,118,344.

The officers for the coming year are: E. H. Rebeschke, Parker, president; C. L. Freeman, Culdrum, vice president; J. H. Schmelzer, Little Falls town, secretary; John Thelander, Darling, treasurer. Directors, S. M. Blom, Belle Prairie, Peter Nylan, Darling, C. L. Freeman, Culdrum and Olaf Larson, Green Prairie.

E. H. Rebeschke was elected as a delegate to the state convention to be held in St. Paul next January. Joseph Kaestner was operated on for appendicitis at St. Gabriel's hospital Wednesday.

The roof of the court house tower, which was damaged by lightning recently, is being repaired this week.

Jos. Moeglein returned Thursday from Minneapolis with a Monroe roadster for F. Ziske of the Model bakery.

Chas. Rychner of Belle Prairie was operated on Monday morning at St. Gabriel's hospital, for displacement of his big toes, which was caused by bunions.

Hans Lindstrom has returned to Little Falls after a 9 years' residence in Seattle. Mr. Lindstrom is a shoemaker, but has not yet decided what he will do.

Chester Longley, who attends the state university, arrived Wednesday for a visit at his home. He will return to Minneapolis Thursday of next week, to take the state board examinations at the university.

John Rasser, who has been studying for the priesthood in Rome, arrived in the city Tuesday for a visit with his parents, Mr. and Mrs. John Rasser. He expects to soon go to St. John's university, where he will be taken into the priesthood.

Frank Glesik of the West side, who is employed at the papermill, sustained some bad bruises about the head Sunday morning while working. He was removing a pulley from a shaft when he slipped and got his head between the pulley and the frame on which the shaft was mounted, causing it to be pinched. The injuries are not of a serious nature and he will soon be able to resume work.

SENIOR CLASS DAY PROGRAM

HELD WEDNESDAY EVENING—HEARD BY LARGE AND INTERESTED AUDIENCE

(Sydney S. D. Kaye)
Exercises of the class of 1915 were held Wednesday evening, at the high school auditorium. At 7:30 the class tree was planted in front of the building. The ivy that was planted last year shows signs of life now, although it was thought that the attempt was a failure. It is hoped that the tree will grow to be a mammoth and will produce shade enough to comfort many. If it is a true representation of the class, it surely will.

After the planting of the tree, the Seniors marched into the auditorium, where they were seated on the platform. With their caps and gowns, they made a very neat appearance. This is a new idea in Little Falls high school life and certainly is a worthy one and a custom to develop. The class of 1914 developed, as a memorial to the school a class day, and 1915 left a memorial in starting a new custom in the cap and gown idea.

Irene Monahan played the class march. The first number of the program was a piano solo by Tessie Dalton, which was done in a pleasing and skillful manner.

The salutatory, given by Estyre Sundstrom, was enjoyed by everyone, for Miss Sundstrom has an excellent delivery and was heard all over the room. The class history was interesting indeed—even to members of the class, although they seemed to be a bit uneasy while it was being read. It was agreed that the history of the class during the past year was the most interesting of all—to the Seniors, at least. The credit was given the excellent corps of teachers selected by Mr. Dobbys and regret was expressed throughout the program at having to leave at this time. This was given by Constance Stillwell.

The history of the class passed can be described in short, for it is only two years old. Last year the class presented it to Joe Tomelty to be preserved through thick and thin and this year Richard Meyers presented it to Mabel Kjelskus, president of the class of 1916, with the usual warning to protect and to be passed to succeeding classes.

A piano solo by Elvira Ruth was a pleasant change in the program and was followed by the reading of the class prophecy. According to Dorothy Detloff's version the Seniors have a very eventful future before them. The class will which was left to be delivered to the class of '16 by Genevieve O'Neil surely had a few considerate clauses, although some of the Juniors objected to having some things said about them.

A beautiful library table was next presented to the school as a memorial. This was carried up to the platform by Ovid Belanger and Otto Lauerman. Joe Tomelty presented it in a delightful way, for the class and T. C. Gordon accepted it for the board of education.

The class song was next rendered and after this the valedictory was given by Gertrude Lyon. The valedictory was well prepared, for at least it was certainly well given. Miss Lyon showed that the class had stood for and how sad they were when they said "goodbye." The class remained standing during this last talk by Miss Lyon. This was the last number of the program.

The enrollment at this time was stated by Mr. Gordon as being 347 in all, with all signs of a larger enrollment for next year.

Class insignia
Colors—Gold and green.
Flower—Kilmarry rose.
Motto—Scientia est potentia.

Friday, May 29, was the last regular school day of the year. On that day the studies were taken up as
