**The GOLDEN RULE**

The Store That Lives Up to Its Name. Little Falls, Minn.  
WHICH ARE YOU SAVING —MONEY OR COUPONS?

**The Co-operative Tire**

Goodyear has always built co-operative tires. Every saving has gone to the user. The more men bought the better we built them, and the lower we sold them.

That is why Goodyear has held top place, outselling any other tire.

**3 Reductions**

Note that in two years we made three big price reductions. The last—on February 1st—brought the total to 45 per cent.

Yet in costly ways these tires have been bettered. In not one iota were they ever skimped.

Our Fortified Tire is still "On-Air" cured to save blow-outs. Yet that one extra costs us \$450,000 yearly.

It still has our No-Rim-Cut feature. It has in each base 126 braided piano

wires to make the tire secure. It embodies hundreds of rubber rivets, formed to combat loose treads.

Our All-Weather tread is still double-thick. It still has the sharp, tough, resistless grips.

Those extras—all exclusive to Goodyear—are all retained, despite our price reductions. And we still spend \$100,000 yearly to discover new ways to better them.

**Your Ally**

In all these ways, Goodyear is your ally. You do injustice to yourself when you fail to secure this advantage. Never in tire history was such value given as you get in Goodyear tires today.

No smaller makers can ever give so much. Any dealer will supply you. [227]
