GREST BREAKS STANDPIPE—DISASTER NARROWLY AVERTED

Christ Grest yesterday had an experience with water, which although rather sudden proved quite pleasant, in view of the fact that the day was a rather warm one.

Mr. Grest had filled the engine of the roller from the standpipe in front of the Harrison & Peterson building, and as he was driving away the machine caught the standpipe and broke it off near the ground. The water shot out of the broken pipe and threatened to flood the flats and Mr. Grest, anxious to prevent such a disaster, proceeded to shape a wooden plug to fit the pipe and attempted to stop the flow of water.

"HIGH DIVER" FAILED TO APPEAR

Several hundred people waited at the Broadway bridge Tuesday evening in the hopes of seeing one "Dare-Devil Joe" make a dive from an 85 foot ladder to the river below. They waited in vain, however, for the would-be diver did not show up. They were a very disappointed lot indeed, and left the bridge muttering things. The man, who was registered at a local hotel as J. O. Bell of Sacramento, evidently got out of the city Monday night, leaving behind several unpaid bills.

ERECTING WOMEN'S BUILDING

STRUCTURE WILL BE COMPLETED IN TIME FOR FAIR—WILL COST \$800

Another exhibit building will occupy the county fair grounds here this fall and will be ready for use when the fair is held. The new building is the women's exhibit building, on which work has already been commenced.

The new building will be a frame structure, 30x60 feet. It will be a one-story building, with concrete floor and will be divided into three rooms, one to be used as an exhibit room and the other two as men's and women's rest rooms. A floor case will be installed in the exhibit room for exhibit purposes.

It is estimated that the building will cost about \$800 when completed. This includes all fixtures, shelving, etc. There will be twelve good sized windows and two large doors in the building. The cost of its erection will be paid for with money raised for that purpose by the women of this city and vicinity.

SEVEN THOUSAND IN COMPETITIONS

Seven thousand boys and girls in Minnesota are taking part in some form of farm or home-making project this year. They are engaged in corn-growing, pig-raising, bread-making, gardening and canning, bread-making and other contests. In the corn contest alone 3000 boys are enrolled. Among these are Roy Halverson, the 1914 champion, and Toga Anderson, the 1914 contestant who got the lowest yield, but who believes he can do better and is making the effort this year.

Of girls engaged in bread-making there are 2000. More than 55 counties have already held bread-making "field days." Five hundred Minnesota boys and girls have entered the pork production contest.

All of this shows a tremendous interest on the part of Minnesota's coming farmers in learning the science of farming thoroughly.

NOVITSKI GETS A JUDGMENT AGAINST HENNEPIN

Judge W. L. Parsons of the district court of this district has filed a judgment with the clerk of court awarding Henry Novitski \$280 damages against the Hennepin Paper company of this city for injuries sustained while at work.

The case was heard at the June term of court and the judge took it under advisement. The judgment calls for \$6 a week for 16 weeks and \$2.12 per week for 30 weeks, and \$89.50 for medical services and costs.

Mr. Novitski was injured the latter part of last November, when he got his knee caught between two large rolls and crushed.

MERCHANDISE CARS ROBBED

Four merchandise cars were entered and robbed in the N. P. freight yards here early Tuesday morning and a quantity of clothing, shoes and tools taken. Special Agent Hubert Friesinger is on the lookout for the robbers and believes that the robbery was perpetrated by hobo's, a number of whom were in the city that day.

Mr. Friesinger says that more than a hundred "Messrs. Do-less & Seemore" came into the city on freight trains Tuesday morning. They were congregated at the upper end of the yards and were forced to walk out of town.

T. W. PALMER DEAD

Thomas W. Palmer, a former resident of this city, passed away at Minneapolis on Sunday of last week. The remains were taken to his old home at Lake City, where they were interred. Rev. W. C. Waller, formerly of this city, officiated at the funeral.

He is survived by a wife and two sons. One son, Harry, who is an accomplished musician, is well known here.

Claude Tucker submitted to an operation at the Hall hospital Wednesday morning.

Mrs. John Anderson, 202 Tenth street southwest, was hostess at a party yesterday afternoon, at which twenty-five ladies were present. Dainty refreshments were served.

IN JUSTICE COURT

Albert Hass, Jr., was brought before Justice Randall yesterday afternoon, on complaint of his father, Albert Hass, Sr., who asked the court to issue an order to his son to vacate the former's farm, which he had been living on for some time.

It seems that Mr. Hass, Sr., purchased a farm some time ago and placed his son on the farm to operate it. Later he erected a new residence on the place and let his son live in the house. Recently he asked his son to vacate the house as he wished to move into it. His son held that he had given him the house and refused to leave it, hence the action in court. The judge ordered the son to vacate the farm and ordered his father to compensate him for three years' work.

WILL NOT HELP FIX ROAD

BELLE PRAIRIE TOWN SAYS THEY HAVE NOT MONEY TO FIX NORTHEAST ROAD

It appears as though nothing will be done to improve the road leading from this city to Belle Prairie near the Calvary cemetery, or at least the county city must bear the entire expense. Belle Prairie town, in which half of the road, where the repairs are needed, lies, has refused to bear one-third of the expense of fixing it up, holding that there is not enough money in the treasury.

Members of the city council's street committee and County Commissioner Rocheleau met with the town board yesterday morning and inspected the road. They found that the road was badly in need of repairs and that the crest of the hill would have to be cut down. It was estimated that the improvement would cost about \$300. The city agreed to pay one-third of the cost, the county also agreed to bear one-third but the town refused to pay its share and therefore the matter now is at a standstill.

IN PROBATE COURT

Mr. and Mrs. John Broschovsky of Buckman were on Saturday found to be suffering from nervous breakdowns, in an examination in probate court. Mr. Broschovsky was committed to the Fergus Falls detention hospital and his wife was sent home and given medical attendance.

Their condition was learned of on Friday when Sheriff Felix received a telephone call stating that a woman was walking on the Brainerd road between Bell Prairie and Topeka and that she had said she was enroute to Montana. The sheriff went after her and upon learning who she was, sent for her husband.

They were arraigned in probate court and were found to be on the verge of a nervous breakdown. The cause was given as overwork. They have five children, ranging in age from 2 months to 10 years, to care for, and live on a 160 acre farm, which they have operated entirely alone.

DIED

Miss Eleanor Gustafson, aged 24 years, daughter of Mr. and Mrs. Jacob Gustafson of 605 First street northeast, passed away yesterday afternoon at her home from tuberculosis of the lungs. She had been ill for eight months and was confined to her bed for nearly a month.

The deceased came here from Pillager this spring with her parents. She is the second of the children to succumb to this disease, a brother passing away some time ago. Besides her parents, the deceased leaves a brother, Guy, who is employed at the Electric Shop.

The remains will be shipped to Pillager today and the funeral will be held there.

FOUR ROAD HOUSES GO OUT

As a result of the state supreme court upholding the roadhouse law four saloons in this county will go out of business when their licenses expire. The saloons are operated by the following: Philip Check, Swan River; Max Meyer, Lincoln, Theo. Hesch, Morrill and John P. Virnig, Buh. The last named was granted a renewal of license at the last meeting of the county commissioners but on account of the decision of the supreme court the license will not be issued. A fifth one operated by M. Siggette of Platte, closed June 4, the date its license expired.

DLUGI REFUSED DIVORCE

Judge Parsons of the district court recently filed a decision with the clerk of court here refusing Andrew Dlugi a divorce from his wife, Mary Dlugi. The case was heard at the June term of court and the judge took it under advisement.

The local telephone exchange will issue a new revised directory in the near future.

Mrs. Harry Gusdavisson of St. Cloud is visiting relatives in this city this week. Mrs. Gusdavisson was before her marriage Miss Federspell of this city.

Miss Georgie Cornwell, money order clerk at the local postoffice, is on a 15-day vacation. Olof Peterson, clerk at the postoffice, has resumed work, after an enforced layoff, due to illness.

Luverne Journal: Harold Knutson, a former Minnesota newspaper man, and now in the land business with a Wheaton company, was in the city visiting friends and looking after business matters in connection with the Rose Dell Marsh, which is owned by his company.

E. A. Adams, formerly manager of the Milo theatre here, was in the city the first of the week on business for the Mutual Film corporation of Minneapolis, for which he is a representative. While here he arranged with the management of the Milo to run Mutual features every Sunday night. Mr. Adams went to Butte, Mont., from here.

Alfred Johnson, a brother of Fred Johnson, who was arrested the first of last week on a charge of burglarizing a Sauk Rapids hotel, was also arrested Friday by N. P. Special Agent Hubert Friesinger and turned over to the Sauk Rapids authorities charged with complicity in the robbery. He was found on a farm near Randall.

The brothers were brought before the judge Tuesday, Alfred being acquitted and Fred pleading guilty and getting an indeterminate sentence not to exceed 10 years in the St. Cloud reformatory.

The fair society has another silver loving cup as a prize for the best dairy herd offered by the Northern Pacific but this cup must be won three times in succession by the same person to become his permanent property. M. M. Williams has won the cup twice.

MUNICIPAL COURT

Tom Hamilton was haled into municipal court Friday on a charge of using abusive language, on a complaint of J. W. Crossfield. The charge proved erroneous as Hamilton and several witnesses testified that he had retired before the time the offense was said to have been committed. The complainant also realized he had arrested the wrong fellow when the defendant appeared in court.

Joe Luckak of Culdrum was fined \$5 and costs, amount to \$23.31, in municipal court Wednesday afternoon, for threatened attack on the person of Aleck Mrozek of Flensburg, a young boy.

John Rolschau was haled before Judge Lyon yesterday morning, charged with assault on the person of a little son of John Wiherski of Pike Creek. He pleaded guilty and was ordered to pay the costs of the case, amounting to \$4.75 and the case was continued until next Thursday. According to the testimony of the defendant the young Wiherski boy called him vulgar names and he slapped him.
