LONG PRAIRIE CHARGED WITH ATTEMPT TO BRIBE STAPLES PLAYER

As a result of a charge of bribery placed against the Long Prairie team the baseball series between that team and Staples was not finished and the championship still remains undecided. Only one game remained to be played.

The Staples people accused the Long Prairie team's manager with an attempt to bribe the Staples manager to enter into a frameup against the public. According to a statement in the Staples World a proposition was made to the Staples team to enter into a frameup whereby it would be known in advance which team would win, thereby fooling the people into betting on the game, which was to be played at Vernale. One Staples player is said to have been offered a certain sum of money if he would, at a critical moment, if the opportunity offered, drop the ball, allowing Long Prairie runners to score.

The affair has caused very hard feelings between the people of the two towns and it is said that when a Long Prairie band appeared at Staples to play a concert to advertise the Todd County fair they were driven out of town with a shower of quite mature hen fruit and vegetables. A large banner advertising the fair which was suspended across a street in Staples was torn down by a violent mob and was carried away and buried.

LION TRAINER KILLED BY PET

FOUR OTHER ANIMALS IN ACT TURN ON THEIR TRAINER

Northfield, Aug. 20.—Frank Lewis, of Chicago, whose stage name is Major John Dumont, is the victim of the five lions with whom he worked in a thrilling act as part of the animal show of the Patterson carnival. Lewis tried to loosen the tail of his largest brute caught in the cage door. Mistaking his purpose the huge lion pounced upon the trainer who died today from the injuries.

Five lions worked in the enclosure under Lewis' directions. The largest animal attacked the trainer and knocked him to the ground. In an instant the other animals crouched ready to leap but they were warded back by the big brute and remained motionless until the big lion drew blood. Then the four pounced upon the limp and helpless body.

Carnival attaches carried only .22 calibre rifles that were powerless against the enraged lions.

The trainer's bride of two months, a dancer in a nearby tent, fainted when she learned of the tragic death of her husband.

Lewis appeared in Little Falls a couple of weeks ago. His act was one of the features of the animal show, the leading attraction of the carnival.

It is by no mere chance or coincidence that ours is the fastest growing clothing business in this community.

For men's patronage always has a way of gravitating to the store of the bigger dollar's worth--the store which consists of something more than merchandise surrounded by four walls and a wide front door.

And it is the steady gravitation to our store of men who put intelligence into the spending of every dollar which has carried this store forward to the unique place it enjoys in local clothing-dom.
