

REMINGTON UMC

Pistol and Revolver Cartridges That Are Dependable and Accurate

YOU selected your pistol or revolver because you expected it to give you results.

Now, results—whether in casual shooting—or in serious work at the target—depend more than you might think on the wise choice of ammunition. It is worth remembering that the biggest men in the Pistol and Revolver classes are shooting Remington-UMC Cartridges—made for every standard make of pistol and revolver used anywhere in the world.

For the right ammunition from the sportsmen's point of view, see the Remington-UMC Dealer. He displays the Red Ball Mark of Remington-UMC.

"WANTED—"
Watches That Won't Keep Time.

YES, we want you to bring us your watch that won't keep time, and let us look at it, tell you the reason it won't, and the cost to have it put in first-class condition.

We employ no tinkers but expert watchmakers, and we can cheerfully guarantee all our work as we do not allow a watch to leave our bench without first having been tested and regulated.

No matter how fine a movement you have, we will be able to put it in good shape.

Step in occasionally and have your watch regulated—no charge for this—thus you will always have the correct time.

MOTLEY
Motley Mercury (20): Minnie Cooley Hodgerson, a daughter of George and Della Cooley was born at Sauk Centre, Minn., July 20, 1887, and died at Motley, Minn., Aug. 15, 1915. She was married to Ralph J. Hodgerson Nov. 10, 1910. To this union one son was born, little Georgia.
She was a sufferer the last six years of that loathsome disease—tuberculosis.

Last November she was taken to Montana for her health, then to Oregon and from there to San Antonio, Texas, but her health continued to fail, and at her request she was brought from Texas to Motley, just two weeks before she passed away, her mother making the trip alone with her.
She leaves father and mother, husband, one son, many relatives here and a host of friends here and in Canada to mourn her loss.
Services were conducted by Rev. A. S. McClure.
