SAW MILL CLOSES TOMMOROW

EARLY SHUTDOWN DUE TO LACK OF PILING SPACE FOR LUMBER

Owing to a lack of piling space for the lumber, the local saw mill will shut down tomorrow evening with the completion of the night shift at 11:30. This is the earliest closing date recorded in many years. There have been no had accidents in the mill the past season and no serious breakdowns. Although the mill shuts down over a month earlier than usual, the cut of lumber will be only about 15 per cent less than that of last season. A crew of men will be employed making the usual repairs during the winter.

BOARD OF PUBLIC WORKS

The board of public works held a meeting at the city hall Tuesday evening and made the assessment on the Second street southeast and the Third street northeast sewers. W. H. Ryan appeared and protested against being assessed pro rata as he already had sewer connections when the Second street sewer was built. The board decided to make a pro rata assessment, however. F. X. Goulet objected to being assessed for the Third street sewer, holding that it was unfair to cross Fifth avenue and lay the sewer a distance of eighty feet in the next block for the benefit of but one man. He said that he did not petition for it. Another meeting of the board will be held on October 7 when the assessments will be confirmed.

The case against Mrs. Cora Lemay on a similar charge was dismissed. Both were indicted by the grand jury and have been lodged in the county jail since they were arrested, June 23, 1915. They were arrested in Spooner.

LOCAL WOMEN RAISE \$250 MORE AT COUNTY FAIR LAST WEEK

Despite the bad weather that prevailed during the county fair last week the women who had charge of serving lunches at the grounds netted between \$250 and \$275 for the total exhibit building fund. The total receipts were about \$400 but the expense will bring the net receipts to about \$250. ELM DALE ASSOCIATION SHIPS MUCH LIVE STOCK

Adolph Peterson of Elm Dale was in the city Wednesday enroute to his home at Elm Dale. He had taken three cars of cattle and hogs to the South St. Paul markets from Swanville for the Elm Dale Stock Shipping association. The hogs very generally brought the top price. The grown stock ranged from \$3.50 to \$7.50 per hundred and calves from \$4.50 to \$10.50 per hundred.

The 7-year-old son of M. Laiture of Green Prairie had his cheek punctured Monday by the cartridge from a 22-calibre rifle. CARY BROTHERS START BANK

MERCANTILE COMPANY ALSO TO BE CONDUCTED BY THEM AT WELCH

St. Cloud Journal-Press (29): W. Leigh Cary for some time city editor of the Daily Times, and one of the most efficient news gatherers that that paper has ever had, and his brother L. F. Cary, recently cashier of the First National bank at Walke, and before that with the financial institution at Little Falls, will on October 14 open the Farmers' State bank of Welch. Welch is between Cannon Falls and Red Wing, this state, is on two railroad lines and is a hustling village. A new building is being erected in which the bank will be housed and the Welch Mercantile company also controlled by the Cary Brothers. The local man is to be assistant cashier of the bank and in active charge of the store while his brother is to have charge of the bank. The store is to handle hardware, harness, musical instruments and jewelry. The store will be open about November 1, on which date Mr. Cary's resignation as city editor of the Times takes effect.

Mr. Cary's many local friends, while regretting his departure, are delighted to know that he is entering a field in which there are undoubtedly wider opportunities and incidentally more money.

MARRIED

A very quiet but pretty wedding took place Tuesday evening at 8 o'clock at the home of Mr. and Mrs. Eugene Eckerson in Green Prairie, when in the presence of only near relatives and intimate friends their youngest daughter, Mettie Alma, became the bride of Arthur Albert Mielke of Swanville.

The living room, where the ceremony took place was prettily decorated with autumn leaves and potted plants. Beneath a bower of autumn leaves the bridal party marched to the strains of Lohengrin's wedding march, played by Mrs. John Eckerson. Rev. Phillip Gregory of the First Congregational church of Little Falls performed the ceremony, the ring service being used.

The bride was beautifully gowned in ivory white chiffon taffeta with bead and lace trimming, and wore a silk tulle veil and carried a bouquet of lilies of the valley. She was attended by Miss Carolyn Meilke of Little Falls, a sister of the groom, and Miss Demila Wilson of Minneapolis, who wore pink satin and carried pink Killarney roses. Little Beadie Racicot of Little Falls, a cousin of the bride, was flower girl. She was daintily gowned in white and pink and carried a basket of flowers. The groom was attended by Messrs. Ben Eckerson and Roy McKee.

After the ceremony the bridal party and guests partook of a bounteous wedding supper. The table, presided over by Mrs. Carl Nelson was prettily decorated with pink candles and pink gladiolas. Mrs. Nelson was assisted by the Misses Olympia Laiture, Mamie Schlaw and Mamie Nauretz.

The bride and groom were the recipients of many useful and beautiful gifts. Among the gifts of the bride was a beautiful set of fruit knives given by the Sunday school of which she has been organist for some time. Both bride and groom are well and favorably known and have hosts of friends, who wish them much joy in their married life.

The out-of-town guests present at the wedding were Mr. and Mrs. Albert Mielke and the Misses Amy, Alice and Cora Mielke and Roy McKee of Swanville; Mrs. George E. Bailey and Miss Demila Wilson of Minneapolis; Miss Carolyn Meilke, Mr. and Mrs. E. J. Racicot and little daughter Beadie, Mrs. F. H. Boyce and Miss Bertha Boyce of Little Falls and Mrs. Harry Bailey and daughter Irene of Brainerd.

Mr. Meilke and bride left on the evening train for Duluth, where they will visit for a short time. They will be at home after November 1, at Swanville.

BOND ORDERED REFUNDED

COMMISSIONERS TO LOAN \$25,000 FROM STATE TO PAY BONDS

A special meeting of the board of county commissioners was held at the court house Tuesday, all members being present except Commissioner Gassert.

A resolution was passed authorizing County Treasurer Renick to make application to the state board of investment for a loan of \$25,000 with which to refund certain bonds of the county now held by the Northwestern Mutual Life Insurance company of Milwaukee. The bonds are now past due and by refunding them the county can get them at 4 per cent interest from the state, whereas it has been paying the insurance company 5 per cent. The bonds were issued in 1895 to clear a floating indebtedness.

The board decided to pay the bonds at the rate of \$1,250 per year beginning in 1921 until 1931, when the payments are to be increased to \$2,500 per year. At this rate the bond will be paid off in 1935.

County Attorney Rosenmeier has been instructed to prepare all necessary papers pertaining to these bonds.
