

DOINGS IN DISTRICT COURT

POSCH GETS VERDICT FOR \$90—GAKIN CASE NOW OCCUPIES ATTENTION OF COURT

District court is still in session and there is no indication of the work being completed within less than ten days as there are still two jury cases to try, which will probably take until the middle of next week to complete and then there are enough court cases to be disposed of to last at least a week according to County Attorney Rosemeier.

Today the case of the State of Minnesota vs. Chas. Gakin is occupying the attention of the court. D. M. Cameron, city attorney, is prosecuting the case, as the defendant is charged with the violation of a city ordinance. The case may be completed by noon.

Tomorrow the first case to be taken up will be that of Theo. Pohlkamp vs. John Naber, both of Buckman town. The plaintiff charges that he was deceived in a real estate deal, claiming that certain land which he purchased of Mr. Naber was guaranteed against having any quack grass, but upon examination was found to be full of it. The last jury case is that of Blazek vs. Kugler, an action for accounting for labor performed.

Late Wednesday afternoon the jury returned a verdict for the defendant in the case of Math. Ringwelski vs. Andrew Leazyanski. In this action the plaintiff sought to have the boundary line between his and Mr. Leazyanski's farm established along the route of a certain ditch, claiming that this boundary was the correct one by adverse possession. The correct boundary line was recently laid out by the county surveyor and the verdict of the jury therefore established the new line as the correct one. The plaintiff also sued for damages to his 1915 crop, for a fence which he alleged was taken from his land by the defendant and for permanent damages to the land because of the filling of the ditch. The verdict of the jury on the boundary line question settled all the other questions.

On Friday morning the case of Kasper Grobela vs. John Wilczek went to the jury. A verdict was returned in a short time for the plaintiff in the sum of \$90. He sued for \$165 for labor on the farm of Mr. Wilczek.

A verdict was returned for the defendant the same day in the case of Johnson Eros vs. L. Zigmant. The plaintiffs sued for a grocery bill of about \$150.

After deliberating for sixteen hours, the jury in the case of Frank Posch vs. the Water Power company of this city, brought in a verdict for \$90 for the plaintiff. This case occupied more time in court than any other this term. It began last Friday. The plaintiff sued for \$155 damages for the death of his horse, which occurred one day last fall when the horse was standing on Market street, near the Victor store. He was tied to the electric light pole and was standing on wet ground and the plaintiff charged that he was killed by an electric shock, caused by a grounded wire.

HORSE RACES ON ICE SUNDAY

Next Sunday afternoon, if the track can be cleared of snow, and if the weather is favorable, some interesting horse races will be pulled off here. Twice the races have been postponed, the first time on account of the absence of one of the horse owners and the second time on account of the deep snow and intense cold. But those who expect to enter the contest state that they hope to be able to race Sunday afternoon. Racing will probably begin at about 2:30.

Much interest has been manifested in this sport of late and everyone is anxious to see the races pulled off. Burton & Greisch and Sam LaFond have horses which it is believed will be closely matched, although the horse owned by the former parties has never been seen in a race here.

PAY FOR COUNCIL MEMBERS

PROPOSED BY ALDERMAN VENNERS—MAYOR AND BOARD OF PUBLIC WORKS INCLUDED

H. W. Venners, during his year's experience as a member of the city council, has found out that this office is one which should pay the holder a salary sufficiently large at least to encourage him to attend meetings. He therefore expects to circulate a petition in the near future, asking for a vote, at the spring election, on the proposition of amending the city charter to provide for a salary for the aldermen, the city mayor and the board of public works.

Mr. Venners will do this from an entirely non-personal standpoint, as he will not be a candidate for re-election as alderman, but he knows that the duties of these offices are so great as to make them worth a reasonable salary.

Although no definite arrangements have yet been completed, according to the plans of Mr. Venners the salary of the aldermen should be \$3 for all regular meetings, and \$1 for all special meetings, providing the members would be present for roll call. The mayor's salary should be at least \$100 per year and the salary of the board of public works about 30 cents an hour, he says.

Few people realize how much work is connected with public offices, especially of aldermen. They hold at least twelve regular meetings each year, usually as many adjourned regular meetings and a large number of special meetings. They also must serve on committees, which requires a great deal of extra work. The office of mayor also is one of a great deal of work. Members of the board of public works must investigate all petitions for public improvements, such as sewer construction, etc.

POSTOFFICE PLANS ARE READY

BUILDING WILL BE OF BRICK WITH STONE TRIMMINGS, POSTMASTER IS ADVISED

Plans for the new government postoffice to be erected here in the near future, have been completed and accepted. Postmaster Brick was advised of the completion of the plans in a letter a few days ago.

According to the plans the building will be of brick, probably of a grey color, with stone trimmings. It will face Broadway and the main and only public entrance will be on that street. The building will be fireproof throughout, except the roof.

Out of the appropriation of \$65,000 made by congress for the construction of the postoffice building, \$30,000 was recently set aside to begin work with.

DIED

Mrs. Cordelia Page of Pike Creek, wife of the late Josiah Page, passed away at her home Thursday of last week at the advanced age of 87 years. Death was due to bronchitis and grip. Deceased was an old resident of this county, coming here with her husband more than thirty years ago. Mr. Page passed away here a year ago. He left a will bequeathing \$2,000 to the county for a clock in the court house tower and a neat sum to go into a fund for worthy poor of this city. In an action brought by the sons of the deceased in district court for a claim for \$1,550 against the estate for the care of their invalid mother, which was tried in court two weeks ago, Mrs. Page appeared on the witness stand. On the day of her death Mrs. Page was within a few days of the same age as her husband when he passed away.

The funeral was held from the M. E. church Monday afternoon at 2 o'clock, Rev. John Watson officiating. Interment was in Oakland cemetery.

Martin Christenson, a pioneer resident of Morrison county and Little Falls, passed away at his home on Wood street Monday morning from chronic bronchitis. He was 76 years of age.

Deceased was born in Norway. He came to this country about 45 years ago, locating on a farm near Gravelville, where he lived until about ten years ago, when he moved to this city, where he has resided ever since. He was married twice, the first time in Norway. He was married again in 1908, in this city. He leaves, besides his wife, eight grown children, fourteen grandchildren and two great grandchildren. Edward and Andrew Christenson of White Bear, Mont., and Dutton, Mont., came here the first of the week, called by the illness of their father.

The funeral was held from the M. E. church Wednesday at 2 p. m. Rev. John Watson officiating. Interment was in Oakland cemetery.

Mrs. Geo. Leibl of Pike Creek passed away at her home Thursday afternoon of last week from pneumonia, after a brief illness. She was 62 years of age. Deceased was born in Germany. She came to this county from St. Paul in 1890 with her husband. She is survived by a husband. The funeral was held from the Sacred Heart church of this city Monday morning at 10 o'clock and interment was in the German Catholic cemetery.

PIKE RAPIDS FARMERS MEET

A splendid meeting was held at the South Little Falls town school house Tuesday evening by the Pike Rapids Progressive association. The attendance being very good despite the cold weather and bad roads.

J. W. Witham of Pine River, an advocate of farmers' clubs, was present and spoke on that subject.

After the program a lunch was served.

Mrs. Wm. von Domarus went to Valley City, N. D., yesterday, for a visit with her daughter, Emma, who is employed as stenographer there.

Among those who went to Minneapolis yesterday to attend the automobile show were Mr. and Mrs. R. L. Palmer, M. C. Davis and son Charles and Julius Jorgensen.

Members of the Maccabee lodge and friends enjoyed a dance at the Maurin hall Tuesday evening. Nelson's orchestra furnished the music. About forty-five couples attended.

Eugene Granier, a former Belle Prairie resident, has returned from Black Hawk, Canada, where he lived for several years, and will again make his home on a farm near this city.

John L. Gross, Henry Stroeing, Xavier Bissler, J. P. Virnig, Theodore Ortman and Casper Thommes were in the city Tuesday on business before the county commissioners in relation to the proposed incorporation of Lastrup.

Miss Olga Peterson has returned from a visit with her brother Theodore at Eveleth. She will leave tomorrow for St. Paul to enter a wholesale millinery establishment, where she will spend a week or so familiarizing herself with the new styles in millinery.

A masquerade ball was given at the Moose hall Monday evening by the Moose lodge. About thirty couples attended. About thirty people were masked and prizes were awarded for the best costumes. Bastien's five-piece orchestra furnished the music.

A change just made will better the mail service on the M. & I. railway from Brainerd to International Falls as the clerks will make the run from St. Paul to the end of the line instead of from this city. They did not have enough time to handle all the mail in time from here but under the new way they will have plenty of time to distribute it before reaching the M. & I.

ST. PAUL STORE BURGLARIZED

LOOT AMOUNTED TO \$1500—THE GOODS WERE RECOVERED—BURGLARS IN PRISON

What is considered, by the police, one of the most neatly planned burglaries ever attempted here was perpetrated Monday night when two men entered the St. Paul dry goods store and took silks valued at \$1,000 and the entire kid glove stock, valued at \$500. The burglary took place some time after 11 p. m., and the burglars were in the county jail before 4 o'clock the following morning, N. P. Agent Friesinger, being very much in evidence, in effecting their capture. At 1 o'clock in the afternoon they were brought before Judge Parsons in district court, where they pleaded guilty to first degree burglary and were given indeterminate terms in the Stillwater penitentiary. They were taken down there Wednesday morning by Sheriff Felix.

According to Hubert Friesinger the burglars came into the city on an afternoon train Monday. Both were well dressed and would not be taken for criminals but Friesinger's suspicions were aroused when they left two suitcases under a seat in the ladies' waiting room at the station. He watched them as they left the depot and saw them enter the West hotel, where they registered as J. Curtis and R. Collins. Later Friesinger took the grips and placed them in the baggage room for storage. It was then that he found out that they were empty and this caused his suspicion to become greater and he decided to keep an eye on the men.

Late that afternoon the men brought two new suitcases to the station. These they had purchased at a local store that afternoon. These cases were also empty. At about 10 o'clock in the evening they came after the cases. All this time Friesinger had watched the men and now he proceeded to lay the plans for their capture. Richard and Boyes, the local night patrolmen, were informed of the possibility of a burglary and kept on the lookout for them. Everything possible was done to close all possible avenues of escape.

Entrance to the store was gained through the skylight on the roof. One of the panes of glass had been neatly cut out and the roof ladder let down through the opening, onto a display table in the rear of the store. One of the men went into the store in this manner and the front and back doors were then unlocked so as to make escape easy in case of detection. They then proceeded to select all the best silks in the store, taking them from the wrappers and replacing the empty wrappers on the shelves. The same was done with the kid gloves. All four suitcases were filled, the entire loot amounting to \$1,500.

The men went to the station at about 3 a. m., about ten minutes apart, presumably to catch the early morning train to Minneapolis. Hubert Friesinger followed the first man to the station and as the second one came near the south water tank he was nabbed by Night Patrolman Boyes. Boyes brought his man to the station and Friesinger then covered the other man. Both were searched and revolvers of large calibre were found on their person, indicating that they had meant to make a success of the thing. They had only three suitcases in their possession when arrested, but upon being questioned, admitted that they had hidden one behind a building near the east approach to the Broadway bridge, as it had proved too heavy to carry. They had evidently expected to return and get this case later. The men were taken to the county jail and locked up.

Upon being questioned by County Attorney Rosemeier they decided to plead guilty to a charge of first degree burglary, which they did before Judge Parsons at 1 o'clock in the afternoon, and received their sentence.

In court the men gave their names as Lee Curtis and T. J. Murphy. The former was about 52 years of age and the latter 36. They stated that they were from St. Paul. The latter admitted having served a term in the federal penitentiary at Ft. Leavenworth, Kansas, for a mail robbery. He said that he was formerly engaged in the dry goods business.

It is the opinion of the local police and of Mr. Wessel, proprietor of the store, that the burglary was planned several days in advance. Mr. Wessel states that on Saturday night he saw a man enter the alley at the rear of the store and walk to the back door, examine the transom and then disappear down the alley. Mr. Wessel gave the matter but little thought at the time but now is firm in the belief that this man was one of the burglars. He also remembers seeing a man enter the store during the day Monday and noticed that the man examined the skylight, but even then he thought nothing of the possibility of a robbery.

Friesinger is entitled to much credit for his excellent work and complete success in this affair. The burglars are without question old timers and their capture and conviction certainly showed the ability of Mr. Friesinger as a detective. He was ably assisted by the local night patrolmen, Richard and Boyes.

SUN ECLIPSE WAS VISIBLE

A partial eclipse of the sun was visible here between 9 and 11 a. m., yesterday. It could scarcely be seen with the naked eye but was easily discernible with the aid of a colored or smoked glass. The eclipse as here covered about one-sixteenth of the sun.

MUNICIPAL COURT

John Lindbergh of Rice Lake was brought before Judge Lyon Wednesday afternoon, charged with killing muskrats out of season. He pleaded guilty and was fined \$10 and costs, amounting to \$28. The skins, 23 in number, were confiscated.

COMMISSIONERS' PROCEEDINGS

LASTRUP PERMITTED TO INCORPORATE—APPROPRIATION FOR REPAIR OF BRIDGE

The board of county commissioners met in regular monthly session Tuesday morning at 9:30, all members being present.

The bond of A. J. Fenn as superintendent of highways was approved subject to the approval of the county attorney.

Fee statements of the balance of the officers were approved. The statements are given in another column.

The application for abatement of F. H. Wellcome was approved and the application of R. L. Cochran was laid over to the next meeting.

The plat of the townsite of Lastrup was then presented to the board and was approved.

Final hearing of Jos. P. Doucette to be set off from district 32 to district 42, was allowed as follows, N 1/4 of SE 1/4 and NE 1/4 to be set off from district 32 to district 42.

A petition for incorporation of Lastrup into a village was then presented to the board and after listening to arguments for said incorporation, no one appearing against it, the petition was granted. A special election will be held at Joseph Brummer's on section 13, township 41, range 30, in the building formerly occupied as a saloon, on Monday the 28th day of February, A. D. 1916. F. X. Buesler, Joseph Brummer and Peter Vosen were appointed as inspectors of said election.

A committee from the city appeared before the board relating to replanking and repairing the upper Mississippi river bridge. The county agreed to pay one-third cost of same providing it does not cost the county more than \$500. The \$250 formerly appropriated for this bridge was cancelled.

Final hearing on petition of Henry and William Wittwer together with their lands to be set off from district 13 to district 49, was duly granted.

Goyne U. Sittler was appointed tractor engineer for the season of 1916. Commissioner Rochelean voted no on said appointment. Compensation for said engineer was fixed at \$5.00 per day for actual time employed.

BILLS ALLOWED:

M. E. Barnes, expense, Supt. schools	\$ 40.22
Louis F. Dow Co., supplies	22.47

MAY ESTABLISH NIGHT SCHOOL FOR FOREIGNERS

T. F. Griffin of the bureau of naturalization of the U. S. department of immigration was in the city the first of the week in the interest of establishing a night school for foreigners here. He called upon the various school board members and explained the proposition to them. At the board meeting Wednesday afternoon the matter was brought up and the members expressed themselves as in favor of it but they did not want to take any definite action until they were sure that the school would be attended by those who are in need of instruction. Superintendent Dobbyn was asked to see if enough persons could be secured to attend to warrant establishing the night school. If one is established three sessions a week will likely be held and one of the local teachers will have charge of the work.

COURT UPHOLDS PREFERENCE PRIMARY

The Minnesota state supreme court has handed down a decision upholding the presidential preference primary law, holding that tradition made it necessary that candidates for delegates to the national convention announce their presidential preference. The test suit was brought by W. N. Carroll of Minneapolis, a supporter of Elihu Root for president. Root refused to permit his name being used and Carroll was thus unable to be a delegate as Root's name was not filed in this state.

BOARD OF EDUCATION MEETS

PROCEEDINGS OF BOARD OF INDEPENDENT SCHOOL DISTRICT OF LITTLE FALLS, MINN.

(Official)
Little Falls, Minn., Feb. 2, 1916.
The Board of Education held its regular meeting at the high school building at 4 o'clock p. m. Members being all present with exception of T. C. Gordon.

On motion duly seconded and carried, Carl Bolander was appointed president pro tem.

Minutes were read and approved.

On motion duly seconded and carried the reports of A. H. Larson, enclosing check for \$13.90; that of George A. Jester, enclosing check for \$34.08, and that of Petrus Liljedahl with check for \$7.00, were accepted and ordered filed.

On motion duly seconded and carried the following bills were allowed: Ginn & Co., books \$ 19.44
Henry Holt & Co., books 27.92
Charles Scribner's Sons, books 31.20
Houghton Mifflin Co., books 4.20
Allyn & Bacon, books 28.13
Northwestern School Supply Co., school furniture 25.15
Andrew Molde, school furniture 36.75
M. W. Zipoy, music for orchestra 6.50
Agnes Peterson, music 2.32
Herald Printing Co., printing and publishing proceedings 11.25
German American Nat'l Bank, interest on orders 2.63
United Chemical Co., supplies 47.25
Jeffrey & McPherson Co., supplies 3.73
Electric Shop, supplies 1.00
Levi's Store, supplies 17.22
The Golden Rule, supplies 8.59
Chicago Apparatus Co., laboratory supplies 46.93
H. Bakken, laboratory supplies 1.05
W. H. Ryan, hardware 12.59
W. H. Ryan, coal 353.25
B. M. LeBlanc, services as trustee of school 2.50
R. M. LeBlanc, washing towels 6.45
N. W. Telephone Exchange Co., tolls 13.73
Little Falls Water Power Co., light and power 35.88

It was moved, seconded and carried that Superintendent F. W. Dobbyn be instructed to procure an expert to see about the firing of the school boilers.

It was moved, seconded and carried that the clerk be hereby authorized to effect a policy of Workmen's Compensation insurance in the Ocean Accident and Guarantee Corporation, Limited, covering all employees of the school board.

Board adjourned.

—Carl Bolander,
Chairman, pro tem.

—L. E. Richard,
Secretary.

INSURANCE COMPANY REPORT

LITTLE FALLS ORGANIZATION HAS HALF MILLION IN INSURANCE IN FORCE

Below is given a statement of the business done by the Farmers' Mutual Insurance company of Little Falls for the year 1915, as reported by Secretary J. H. Schmelzer. The report shows a decrease in the number of policies of but one. Eight claims for losses were paid last year, the total amount paid out for this purpose being \$1,929.70. The total amount of insurance at the end of 1915 was over half a million dollars.

Following is the itemized report:

Cash on hand Jan. 1, 1915	\$ 831.96
Rec'd first payment on policies	982.70
Assessments Rec'd	1,227.89
Rec'd from interest	5.25
Total received	2,215.84
Total cash, Dec. 31, 1915	\$3,047.80
Disbursements	
Losses paid	\$1,929.70
Premiums returned	67.79
Coms. to agents and adjusting losses	137.00
Paid directors	95.00
Bank collecting Ass.	12.15
Salary, Pres. & Sec.	137.64
Salary, Treas.	19.62
Ptg. & office supplies	11.05
Rent & postage	20.08
Ins. and revenue	4.23
Sec-Treas. bond	10.00
Delegate, State Con.	12.00
Total disbursements	2,456.26
Cash balance, Dec. 31, 1915	\$ 591.54
Policy Exhibit	
Policies in force Dec. 31, 1914, 433	\$607,615.00
Policies issued, 126	211,520.00
Total, 559	\$819,135.00
Policies expired and ceased to be in force, 127	\$140,070.00
Policies in amount in force Dec. 31, 1915, 432	679,065.00

ROYALTON LOCAL HIGH VS. ROYALTON

Royalton's high school basketball team comes up here today for a game with the local high school team at the high school gymnasium this evening, beginning at 8:15.

The down-river town has a fast team in the field this year and a good game should be the result. A record crowd should turn out and encourage the locals and thus help them to victory. The attendance at the games has been very small in the past.

Coach Liljedahl expects to use practically the same players in the game this evening as were lined up against Aitkin. They are practicing every day and are getting in fine shape.

Tomorrow the local team will journey to Bemidji for a game with the high school team of that city. This game the locals are anxious to win as Bemidji is one of the strongest teams in this district.

BORN

HINES—To Mr. and Mrs. Jos. G. Hines, Friday, January 28, a son.

MAYRAND—To Mr. and Mrs. Paul Mayrand, Friday, January 28, a son.

MARRIAGE LICENSES

Marriage licenses have been issued the past week to John Lesinski and Johanna Sobiech, Albert Mickelson and Hattie Peick, Herman Martinson and Anna Strand; William Lemieux and Marie Leutz and to Louis Schultz and Sophie Schneider.

L. W. Carson of Little Elk, deputy Indian agent, has just returned from Michigan, where he looked after Indian land matters similar to those in this state.

COUNCIL REJECTS BRIDGE BIDS

DECIDES TO HAVE BRIDGE REPAIRED BY PURCHASING MATERIAL AND HIRE LABOR

An adjourned session of the city council was held at the city hall Monday evening for the purpose of taking some action on the bids for the repairing of the north wagon bridge. After some discussion it was decided to postpone the matter to the following evening and at that time it was decided to reject all the bids as they were considered too high. The council then decided to have the bridge repaired by direct employment of labor and the purchase of material made by the city. This can be done now, since satisfactory bids could not be secured on the work. The aldermen were of the opinion that several hundred dollars could be saved in this manner. The county has agreed to pay one-third of the cost and has appropriated a sum not to exceed \$500.00 for this purpose.

At the meeting Monday night a petition was presented for a sewer on Broadway to extend from the west end of the postoffice lots to connect with the end of the present sewer in front of the Joslin building. This sewer petition was the result of a petition from the government asking for an ordinance permitting the construction of a 6-inch sewer on Broadway from the postoffice site to connect with the old sewer. If this sewer is constructed it will not be necessary for the government to build one. It is feared that if the government sewer is put in and the property owners along the north side of Broadway should desire to get sewer connections, trouble might arise, as the government sewer would be in the way. The petition was left until Tuesday evening in order that the matter might be investigated. On Tuesday evening it was necessary to postpone action on it again, owing to an error in the petition. A new petition will very likely be brought up at the regular monthly meeting of the council Monday evening.

SALARIES OF COUNTY OFFICERS

Following are the statements of the salaries received by those county officials who had not filed them in time for approval at the January meeting of the county board:

Dr. N. W. Chance, Coroner—\$ 102.60
F. X. Bastien, Register of Deeds—767 mortgages \$1,066.00
615 assignments of mortgage 183.50
618 satisfaction of mortgage 312.55
1,099 deeds 963.60
40 patents 35.50
33 foreclosures 71.50
58 decrees 86.20
48 bonds 40.25
Abstracts of titles 440.00
30 instruments filed 3.00
550 miscellaneous 392.05
2,607 chattel mortgages 260.70
Certified copies, instrum'ts 5.85

Less salaries to employes 1,600.10

Total \$2,160.10

M. E. Barnes, School Supt.—\$1,900.00

COUNCIL MEETS MONDAY NIGHT

A regular monthly meeting will be held by the city council next Monday evening at the city hall. Several matters of importance will be taken up at that time, including a petition for a sewer on Broadway.

N. N. Berghem, attorney-at-law, has announced himself as a candidate for mayor of Little Falls at the coming city election.

J. K. Martin of this city was again re-elected treasurer of the state automobile association, at its annual meeting at St. Paul Tuesday.

Dr. J. H. Newman is in Minneapolis this week to attend the annual veterinary short course being held at the state university. The course closes today.

LOCAL HIGH VS. ROYALTON

Royalton's high school basketball team comes up here today for a game with the local high school team at the high school gymnasium this evening, beginning at 8:15.

The down-river town has a fast team in the field this year and a good game should be the result. A record crowd should turn out and encourage the locals and thus help them to victory. The attendance at the games has been very small in the past.

Coach Liljedahl expects to use practically the same players in the game this evening as were lined up against Aitkin. They are practicing every day and are getting in fine shape.

Tomorrow the local team will journey to Bemidji for a game with the high school team of that city. This game the locals are anxious to win as Bemidji is one of the strongest teams in this district.

BORN

HINES—To Mr. and Mrs. Jos. G. Hines, Friday, January 28, a son.

MAYRAND—To Mr. and Mrs. Paul Mayrand, Friday, January 28, a son.

MARRIAGE LICENSES

Marriage licenses have been issued the past week to John Lesinski and Johanna Sobiech, Albert Mickelson and Hattie Peick, Herman Martinson and Anna Strand; William Lemieux and Marie Leutz and to Louis Schultz and Sophie Schneider.

L. W. Carson of Little Elk, deputy Indian agent, has just returned from Michigan, where he looked after Indian land matters similar to those in this state.
