

BOARD LETS SEWER CONTRACT

SECOND STREET N. E. JOB GIVEN TO AXEL SETTERSTROM FOR \$2,640

Axel Setterstrom of this city was awarded the contract for the construction of the second street northeast sewer for \$2,640, Friday evening, by the board of public works. Only one other bid was received, from Wm. Fraser of Minneapolis, for \$2,743.78. The board made an examination of the petition for the cement sidewalk on Fourth street southwest and prepared a favorable report on same to be forwarded to the city council. No decision was reached as to the kind of paving to use on First street northeast, as some of the owners have indicated their preference of bitulithic paving instead of concrete. The board meets tonight again and the matter will probably be decided then.

WINDSTORM WAS DAMAGING

A windstorm, said to be one of the worst in many years, visited this vicinity Sunday, causing considerable damage to property. The storm was general throughout the entire state and other places suffered much more than Little Falls.

The wind started Sunday morning and before the middle of the afternoon the air was filled with dust which was blown from the western plains. In the evening it subsided a trifle but was raging again the next morning and continued all day Monday.

Although the street sprinkler was kept busy all day the dust was blowing clouds on the main streets of the city and in practically every display window down town the contents were covered with a layer of dust. Globes on the white way posts were blown off and broken and in many homes windows were blown out. In one home two windows on the front porch were blown out, one of them barely missing a small child who was playing on the porch.

From the country come reports of barns and other farm buildings being blown over and other damage. The dust situation was relieved somewhat in this vicinity Sunday afternoon by a heavy shower of rain, but there seems to be a repetition of this brand of weather each day.

SENTENCED TO FIFTEEN MONTHS IN LEAVENWORTH FOR VIOLATION OF MANN ACT

E. A. Crocker was sentenced to fifteen months in the federal penitentiary at Leavenworth, Kansas, Saturday, in federal court at Fergus Falls, upon pleading guilty to a violation of the Mann white slave act.

Crocker was first arrested at Brainerd on a charge of securing money under false pretenses, and was sentenced to 25 days in jail here for that offense. In the meantime a federal officer swore out a warrant against him, charging him with a violation of the Mann act, by transporting Miss Myrtle Broessels of this city from St. Paul to Superior, Wis., for immoral purposes.

SCHLEUNING GETS ADDITIONAL FINE AND JAIL SENTENCE

A suspended sentence of 90 days in the county jail, and fines totaling \$143.26—this is what Eli Schleuning of Morrill got for conducting a blind pig in that township. The jail sentence and fine of \$50 and costs, amounting to \$65.26, was meted out by District Judge Roeser of St. Cloud late Thursday afternoon, on the defendant's plea of guilty to the charge of selling liquor to a minor. He was fined on the other two charges of selling liquor without a license, in municipal court here.

In addition to the fine and jail sentence, Schleuning had to forfeit his stock of "wet goods," consisting of seven half-barrels of beer, a keg of gin, wine, etc., valued at over \$40. All this liquor was destroyed by the sheriff.

LOCALS LOSE FIRST GAME

The Little Falls baseball team was handed a goose-egg in its first game Sunday afternoon at Ft. Ripley. The game ended with the count standing 3 for Ft. Ripley, and 0 for the locals. LaFore's pitching for the up river team was a feature of the game. He got sixteen strikeouts and allowed; but one hit, which was on a blunder by another player.

Little Falls lined up as follows: Longley cf, 2b; Liljedahl 3b; Tanner c; Lauermann 1b; Gourd p; Rasicot lf; Meyers ss; Levin 2b-cf. Gourd, who pitched for the locals, was found for five safe bingles.

ST. CLOUD LINES UP WITH US FOR JEFF HIGHWAY

The local men who made the automobile trip to St. Cloud last week to boost for the retention of the originally chosen route of the Jefferson Memorial highway succeeded in getting St. Cloud to promise its support in favor of the designated route. Their decision to this effect came when it became apparent that they would lose the highway if Little Falls and other towns along the proposed route should lose it. They agreed to have representatives at the meeting at Wadena this week.

GREEN PRAIRIE FARMERS MEET

A meeting of the Green Prairie Farmers' club was held at the school house Friday evening. A large crowd was present and a good program was given, including a very interesting talk by Prof. C. E. Chapman, poultry expert with the extension division of the state university, on that subject.

Two changes were made in the club's constitution, one to permit any person over eighteen years of age to become a member of the club. Before the membership was limited to the male sex only. The other change makes it possible for the club to change its constitution by a two-thirds vote of the members present at a meeting. Under the old rule it required a two-thirds vote of all members of the club.

The Green Prairie club has been very active since its organization and they are planning big things for the future, including a big picnic this summer, which will likely be held at Green Prairie Fish lake. The club will also help support a baseball team which they claim will be the fastest that has ever been turned out by country folks in this vicinity.

The high school orchestra furnished several selections during the evening and the girls' glee club and boys' glee club and a male quartet also gave several numbers between the acts, which were well received.

It swam ashore and was recovered by its owner.

VICTORS TRIMMED BY SWANVILLE

The Victor baseball team was defeated by the Swanville nine on the West Side grounds Sunday afternoon by a score of 3 to 1, in a very fast game. The defeat of the locals was laid to the lack of support, as the pitchers, Lucking and Ploof, did good work. Swanville got nine hits and the locals three.
