## WOMAN HIT BY AUTOMOBILE

### MRS. JOE YASGAR OF SWAN RIVER SERIOUSLY HURT ON WAY TO A FUNERAL

Mrs. Joe Yasgar of Swan River sustained serious injuries Tuesday morning when she was pinned between two automobiles. The accident occurred on the road leading to St. Stanislaus church, Sobieski, to which Mrs. Yasgar was going to attend the funeral of the late Mrs. Nick Kuka.

On her way to the church she was offered a ride by an acquaintance who was riding in an automobile. She was on the left side of the car and was going around to the other side, and had just reached the back of the car, when another automobile, driven by another Swan River man, shot up from the rear, pinning her between the two machines.

She sustained an injury of the hip and was also injured internally, the exact extent of the internal injuries not yet being known. Mrs. Yasgar is 58 years old and on account of her age the injuries are much more serious.

## SECOND INFANTILE PARALYSIS CASE APPEARS

Another case of infantile paralysis has been discovered in this vicinity, this one being in Pike Creek town. The 2-year-old daughter of Mr. and Mrs. Albert L. Trebniatowski of Pike Creek is the victim. She has been ill only since Sunday and the attack is a very mild one.

The physician attending the Trebniatowski girl has notified the state board of health of the paralysis case, and has been informed that a member of the board will be here in a few days to examine this and one or two other cases that have been reported.

July and August are the worst months in the year for the spread of this disease, according to physicians, and too much care cannot be exercised to prevent the disease. It is contracted by adults as well as by children, although the adult cases are not as numerous.

## HARRIS GOULD HEARD FROM

Charles Sylvester is in receipt of a letter from Harris Gould, who is pitching for the Winnifred, Mont., baseball team. He stated in his letter that he got fourteen strikeouts and allowed but five hits while the Roy team got fewer hits and their pitcher got only six strikeouts but still Winnifred was defeated. He said that with the Little Falls team he could beat any baseball team in the state of Montana.

## WHITE FLOUR MAKES BIG CLIMB IN PRICE

Wheat flour reached the highest price last Friday, when it took a jump of 20 cents per hundred, that it has been since shortly after the war broke out, two years ago, when it reached \$4.30. The price on last Friday was \$4.00, a jump of 80 cents in a comparatively short time. The last jump came after it was learned that a damaging storm had swept the Dakotas and the western part of Minnesota.

## TAX SALE AT COURT HOUSE MONDAY

A sale of absolute property will be held at the county auditor's office next Monday, beginning at 10:30 a. m. The property in this sale is only that which has been on the delinquent list for a certain number of years and has become the absolute property of the state.

## LEO RAYMOND MARRIED

Leo Raymond of Morris, a former Little Falls boy, and Miss Laura Misch of Morris, were married at Donnelly Wednesday morning. They arrived here the same day and in the evening a reception was given for them at the home of the groom's parents, Mr. and Mrs. Isaac Raymond of Little Falls town.

Mary Lasky, who was committed to the Wilmar hospital some time ago, has been released.

A new plate glass front is being put in at the Adams Hardware company's store, this week.

The county jail was empty again Wednesday, for the first time since the first part of May, and indications were that it might stay empty for several days.

Geo. W. Emdler and Mark Buckman returned Wednesday evening from Minneapolis with a little six Mitchell touring car of 1917 pattern, the Motor Inn having secured the agency for this car at this place.

The name of Leo G. Fraser of Minneapolis, a former Little Falls boy, appeared in the list of names of soldiers in the guard at the front, who have been promoted, in the Minneapolis Sunday Tribune. Fraser was promoted from private to corporal.

Work was begun Tuesday on the erection of a belfry and steeple on the Swedish Lutheran church on the West side. Large concrete steps will also be constructed and a new floor will be laid in the basement. The improvements will cost approximately \$1500.

John J. Arkins of Proctor returned home yesterday afternoon, after several days' visit with his mother, Mrs. George Anderson of Flensburg, and with friends in Little Falls. Mr. Arkins was formerly employed in the Andrew Johnson grocery store. This was his first visit to Little Falls since he left here, fifteen years ago.

Nick Kullas of the West side had one of his hands badly smashed late Tuesday afternoon at the sawmill, where he is employed as setter. His hand was caught in some manner and badly crushed. This is the second time Mr. Kullas has been injured at the mill this season. Early in the season he was thrown from the carriage, sustaining several broken ribs and some bruises.

## VICTOR THEATRE TO OPEN

### H. O. MUGRIDGE OF THIEF RIVER FALLS WILL OPEN SEASON SEPTEMBER 1

H. O. Mugridge of Waupun, Wis., has leased the Victor theatre for one year and will open the Second street playhouse for the season on September 1.

Mr. Mugridge comes here from Thief River Falls, where he successfully operated a theatre for several years. He recently disposed of the theatre at that place. He expects to bring his family here in a couple of weeks.

Melvin B. Sherman, who was operator for Messrs. MacMillan & McKliget, will remain with the proprietor.

## INSTALLS POWER DOUGH MIXER

F. R. Ziske, proprietor of the Model Bakery, Boardway east, has installed a new electrically operated dough mixer in his bakery which will greatly facilitate the output of bread and other bakery goods. The machine will mix two and one-half barrels of flour at one time, in a few minutes. This is dough for a thousand loaves of bread, which it takes two men an hour and a half to mix by hand. The new machine is a great labor saver. Mr. Ziske expects to install other new machines later.

## ST. CLOUD PROPERTY BRINGS A HIGH PRICE

Business property in St. Cloud owned by the Valentine Wetzel estate, was sold for \$16,000, or \$800 per front foot, last week. John Schumacher was the purchaser. This is the highest price ever paid for St. Cloud property, the front footage considered. The property has a frontage of only 20 feet on St. Germain street.

Mrs. August Jansen, who has been quite ill with pneumonia, is improving.

John Burg has sold his Buick Six, which he won in the raffle at Brainerd, to C. A. Weyerhaeuser of this city.

Mrs. Harold Anderson of Twelfth street southwest is at the Hall hospital. She had an operation yesterday morning.

The 12-year-old daughter of Mr. and Mrs. Ignatz Susalski of Berg's addition is in a serious condition with an infected hand.

## DIED

Mrs. Mary Dubrielle of this city passed away at St. Gabriel's hospital, following about a week's illness from organic obstruction of the bowels. She was 72 years of age.

Deceased was born at St. Hyacinth, Canada, on August 3, 1844. In 1860 she was married to Joseph Dubrielle and a short time after they moved to this country, locating at Providence, R. I. In 1886 they moved to this country, locating in this city. Several years later they moved to a farm in Ripley. In 1906 Mr. Dubrielle passed away and two years ago Mrs. Dubrielle sold her farm and moved to this city. She has been living with her daughter, Mrs. T. J. Monahan.

Surviving the deceased are five children, all of whom reside here. They are Mrs. T. J. Monahan, Mrs. Emma Higby, Mrs. Jos. Allard and Misses Julia and Georgina Wood. She also leaves a brother and a sister who live at Montreal, Canada. There are also several grand-children and three great-grand-children.

The funeral was held from St. Francis Xavier church Tuesday morning at 9 o'clock, Rev. Fr. Lamotte officiating. Interment was in Calvary cemetery. Mr. Robischon of St. Cloud was in attendance at the funeral.

Edward F. Cash, a pioneer resident of this county, passed away at his home in South Little Falls town Sunday afternoon from kidney trouble, from which he had suffered for several years.

Deceased was born in Little Falls July 14, 1857. In 1890 he was married to Miss Celia Lepinski of St. Cloud. For several years they made their home on a farm in Swan River but they moved from there to South Little Falls town, where they have resided ever since.

Surviving Mr. Cash are his wife and eleven children, seven boys and four girls. The boys are Alex of Little Falls town, George of Swan River, Michael, Albert, Max, Alfred and Archie, who live at home, and the daughters are Mrs. Roy Hershney of Bemidji, and Evelyn, Isabel and Lovetta, who are at home.

The funeral was held from the home Tuesday afternoon and interment was in Sacred Heart cemetery, the Woodmen lodge, of which he was a member, having charge of the ceremonies.

Mrs. Nick Kuka passed away Sunday evening at her home in Swanville town, from peritonitis resulting from an ulcer of the stomach. She was 48 years of age.

Mrs. Kuka, whose maiden name was Frances Sobiech, was one of the early residents of Elm Dale township. She was married to Nick Kuka in 1888. She is survived by her husband and nine children, four sons and five daughters. The sons are August of Elm Dale, Alex of Midway, N. D., Nicholas and Andrew of Swanville town and the daughters are Mrs. Frank Smuda, Minneapolis, Mrs. Peter Knopik, Swanville town and Christina, Josie and Rosie, who live at home.

The funeral was held from St. Stanislaus church, Swan River, Tuesday morning at 10 o'clock and interment was in the church cemetery.

Miss Frances Levinski, 21-year-old daughter of Mr. and Mrs. John Levinski, of Ft. Ripley, passed away at Moberly, S. D., last Friday. Death was due to accidental poisoning. Miss Levinski taking some poison for medicine, by mistake.

The remains were brought here and the funeral was held from Sacred Heart church Saturday afternoon and interment was in Sacred Heart cemetery.

## TRANSACTIONS OF CITY DADS

### APPROPRIATION MADE FOR PIKE CREEK ROAD—ALDERMEN MUST COME TO MEETINGS

The city council held a regular monthly meeting at the city hall Monday evening, Aldermen Hall, Moegelein, Blake, Brown, LaFond and Farrow being present.

The matter of repairing the bell tower at House No. 3 was brought up but nothing was done as Alderman Brown reported that he had been informed that it had been repaired.

D. K. Harting was granted a permit to put a new fire-proof roof on the barn and carriage house and on the trimming house roof.

Mrs. Mathilda Huff was granted a permit to construct a cement walk in front of her property on Second street southeast.

Mayor Fortier's request that the police be given a vacation of two weeks each, was granted.

A report from the board of public works on the construction of the cement walk on Fourth street southeast, was read. All of the work except about 500 feet has been completed and the street commissioner was instructed to have the remainder of the walk constructed, the cost to be assessed up against the property.

The city clerk was instructed to purchase five thousand tickets for the city scales, Weighmaster Batters reporting that the supply was getting low.

An appropriation of \$250 was made for the county fair this fall. This is the same amount as was appropriated last year and the council felt that it was well expended.

A communication from Mayor Fortier stating that he had appointed Mesdames N. N. Berghelm and J. B. Holst and G. F. Kirscher to the library board for the ensuing year, was read, and the appointments were confirmed.

The report of Municipal Judge Lyon with receipts for \$60 for fines collected, was accepted and ordered filed.

An ordinance prohibiting obscenity in public places and in taverns and hotels, was unanimously passed. The minimum fine was made \$25 and the minimum jail sentence 30 days. The ordinance was introduced by Alderman Blake.

Street Commissioner LaFond was instructed to fix up Third avenue northeast between Fifth and Seventh streets.

N. N. Berghelm, chairman of the electric light rate committee, asked the council whether they desired the committee to report what they have done or if the council wanted the committee to get some expert to make a scientific investigation of the rate matter. He said that at the first meeting of the committee eight out of ten were present, at the second three out of ten and at the third five out of ten. The committee has made some investigation of rates in other cities, he said, and is almost ready to report, but that only a comparative rate can be submitted unless the council wishes to spend some money to get expert advice in the matter. The rates which the committee have looked over and the comparative rate which they would submit to the council would not be based on a scientific investigation and would not be based on the company's earnings or investment. In order to make such an investigation, he said, an appropriation from the council is necessary, and it would be a long time before the committee would be ready to report. After a short discussion the council, upon motion of Alderman LaFond, asked the committee to make a report at the adjourned meeting on the 15th of August.

Upon a motion by Alderman LaFond the city clerk and city attorney were instructed to look up all contracts, franchises, ordinances, etc., with the Water Power company, and make a report on their findings to the council. This action was the result of the city clerk's saying that he was unable to find some of the contracts. It is absolutely necessary to have these papers before anything is done in regard to any franchise.

Upon being questioned as to when the water franchise expires Mr. Gordon said that he believed it had two years more to run. The electric franchise, he said, does not expire for fifteen years. As to the assignment of the franchise of the Morrison County Electric Light, Heat & Power company to the Water Power company, he said that the papers are ready and will be filed with the city clerk in the near future.

The sum of \$200 was appropriated to be expended on the road leading into the city from Pike Creek. An appropriation was made for this purpose by the old council but it was never used.

Alderman Hall suggested that some steps be taken to get the aldermen to attend meetings more regularly. Mr. Murphy, he said, has not been to a single meeting of this council, not even coming when they organized. Johnson has been to one or two meetings. Considerable trouble has been experienced this year in getting a quorum on this account. The council instructed the city clerk to write to Aldermen Murphy and Johnson, asking them to attend council more regularly or to resign so that men could be appointed who will attend.

Street Commissioner LaFond was authorized to install two catch basins, one at the corner of Broadway and First street, near the First National bank and the other at the corner of Broadway and Second street, near the Little Falls House. He was also authorized to get two connections for catch basins.

Adjournment was taken to August 15.

## KANSAS UNIVERSITY BULLETIN

### DECLARES NEWSPAPER SITUATION IS UNPARALLELED

Lawrence, Kan., Aug. 10.—After a thorough investigation and canvas of the newspaper situation the department of journalism of the Kansas university has issued the following bulletin:

"The newspapers of the United States today face a situation unparalleled in the history of the press of this country. The public has felt the effect of the European war in purchasing commodities and it is about to feel its effect upon the price of newspapers. It is now up to the newspapers to tell their readers and advertisers why an increase in price is necessary. In other words the press faces an education campaign for its own salvation. "When the average man purchases a staple article today and finds the price has increased from 25 to 50 per cent, he already knows or is told that the war has brought about such a condition. The manufacturer of that article has already perhaps advertised the fact that he is compelled to increase his prices. No industry is more seriously affected by the war than the newspapers of this country, and yet an increase in advertising or circulation rates is immediately frowned upon because the newspapers have failed to inform the public to what a great extent they are affected by the war."

## DON'T FORGET THE PRINTER

The Herald has not been in the habit of "dunning" subscribers through the columns of the paper, but it is said that "circumstances alter cases," and accordingly we again ask any of our subscribers who are indebted to us to kindly hand in the amount of their subscription. With print paper at \$120 per ton, as against \$48 a few months ago, the newspapers are up against a proposition that demands they receive what is coming to them. Most daily papers have raised their price, or are about to do so, and while we are not going to do that we must ask that subscribers keep their accounts paid up. \$1.50 is not much to you, but with several hundred owing us little amounts like that, it means considerable to us. So kindly take notice and send in your check.

The annual retreat is being held at the Franciscan convent here. Bishop Busch from St. Cloud is in attendance. The retreat ends tomorrow.

M. Malerich of Eden Valley has purchased the P. Belanger home just east of this city, on the Pier road. He will move there the first of next month.

The Elks lodge of St. Cloud has shown that it is interested in the Jefferson highway and last week the club voted to take out a \$1,000 membership in the association.

## THE FRANCHISE ORDINANCE

### EXTENSION OF LIGHTING FRANCHISE WILL LIKELY BE TAKEN UP TUESDAY EVENING

The proposed ordinance whereby the Water Power company asks an extension of their electric lighting franchise, which it is said has still fifteen years to run, to a term of 25 years, was not brought up at the council meeting on Monday night, as it was decided that this matter, being very important, should be taken up in a series of meetings. The ordinance will without doubt be taken up in some form at a meeting to be held Tuesday evening, August 15. The council has also asked that a report of the citizens' committee on light rates be presented on that evening.

## INFANTILE PARALYSIS

### What Anxious Mothers Should Know About It

(By Dr. James J. Walsh)  
Infantile paralysis spreads through the mouth and nose secretions. Infection for the disease probably takes place through the nose and throat and some of the infectious material stays in these parts during the course of the disease.

There is danger of contagion from affected patients for some eight weeks, and quarantine must be observed for that length of time.

Children at play in crowds from their habits of touching things and persons and frequently applying their hands to their mouth and nose are particularly likely to catch the disease. It may affect growing youths or even adults.

Flies undoubtedly transmit the disease and at one time were thought to be the principal carriers and disseminators of the contagion.

The germ of the disease is not known, but it is so small that it is beyond the power of the microscope and passes through the pores of an unglazed porcelain filter.

Cleanliness is an all-important feature of precaution, but an extreme minuteness of the micro-organisms shows how careful must be the cleansing to be effective as a safeguard.

The first symptom of the disease is usually lassitude and unwillingness of the child to play. A slight fever is present, the appetite is impaired and there may be vomiting. All these symptoms, however, occur at the beginning of nearly every one of the children's diseases.
