

TAG DAY SEPTEMBER 30

CIVIC LEAGUE TO RAISE FUNDS FOR RELIEF WORK—HAS A FINE RECORD

Saturday, September 30, is official Civic League Tag Day and on that day the members of the league will be on nearly every street corner down town, tagging the passersby, in an effort to raise funds with which to carry on the work during the coming year.

The Civic League, since its organization, a few years ago, has done much good in this city and its helping hand has also been extended to territory outside of the city.

The work of the league brings it in touch with every conceivable sort of relief work such as looking after dependents, caring for sick, bringing relief to crippled and indigent children, supplying the penniless with food and clothing, and in numerous other ways.

Mrs. F. G. Ruth, who has had charge of the settlement work of the league for some time, cited at least two-score instances in which the league has been of great assistance in this city. In numerous cases where people were in dire circumstances and even had been cited charges, the league helped them with food, clothing and fuel, and succeeded in getting relatives to take care of several of them, thus relieving the city and the community of a burden.

The league's work has grown so that some sort of conveyance should be provided for the workers. In the past they have had to walk to the different places, and where a conveyance was necessary, the cost was for the most part, paid out of the league treasury, which the league does not like to do, as it feels that this money should be spent in actual relief work.
