## CITY ELECTION DRAWING NEAR

COMES ON MARCH 20—THIRTEEN OFFICES TO BE VOTED ON—NO FILING YET

City election day is only eighteen days away, yet there have been no filings for any offices up to date and so far only one petition is yet out, this being for Frank Ellenbecker. He seeks re-election as city assessor. Most of the others holding office have signified their intention to run again.

No one has yet signified any intention of running for mayor of the city. Mayor Fortier, who has held this office for three consecutive years, states that he will not be a candidate again.

There are several aldermanic offices to be voted upon at the coming election, including alderman-at-large, one alderman from the first ward, one from the second, two from the third and one from the fourth. The aldermen whose terms expire are Geo. Moeglein, at large, F. E. Hall, from the first; Falk, from the second; N. J. Peterson and George Johnson from the third; H. J. LaFond from the fourth. Alderman Falk is filling the unexpired term of J. S. Murphy, who resigned, and N. J. Peterson is filling the unexpired term of Martin John, also resigned. Other officers whose terms expire are City Clerk Schallern, City Treasurer John Vertin, Assessor Frank Ellenbecker, Constable J. W. Hatch and Justices of the Peace Phil S. Randall and W. C. Turner. The municipal judge is elected for four years and he has two years yet to serve.

The license question will be voted on again this spring, a petition having been filed, of which mention is made in another column.

Mr. Moeglein will seek re-election as alderman-at-large; Mr. Hall is as yet undecided as to whether he will seek re-election as alderman from the first ward; Mr. Falk may run from the second ward; N. J. Peterson has decided to run for alderman in the third ward; H. J. LaFond will likely run again in the fourth ward; City Clerk Schallern, City Treasurer Vertin, Assessor Frank Ellenbecker, Constable Hatch and Justice Randall will all seek re-election, and George Geritz will also run for the justice of peace.

## A. SUTLIFF HAS CLOSE CALL

RANDALL MAIL MAN'S HORSE IS KILLED BY TRAIN—DRIVER ESCAPES UNINJURED

Allen Sutliff of Randall, son of Mr. and Mrs. E. J. Sutliff of this city, had a narrow escape from death yesterday morning when N. P. passenger train No. 2, eastbound, hit his horse and killed it.

Sutliff, who is a mail carrier at Randall, was just driving over the crossing at the south end of Randall village, when he saw the train a few feet away. He backed the horse up and his rig cleared the track but the engine hit the horse and killed it instantly.

## JUDGE DENIES NEW TRIAL OF BRICKYARD CASE

Judge J. A. Roeser of St. Cloud has filed an order with the clerk of court here, denying the motion for amended findings or for a new trial of the case of the First National bank vs. Odilon Duolos. The bank held a mortgage against the brickyard property and in the judge's decision some time ago in which he ordered the brickyards sold to satisfy the various claims, he allowed only that part of the mortgage of the First National bank which they held against the property for material and labor, prior to the time the liens against the property were made. An appeal is intended by the bank.

## LIQUOR MEN DODGE NEW LAW

WET GOODS "SOLD" AT LITTLE FALLS ARE "DELIVERED" AT BRAINERD, REPORT

St. Paul, Feb. 27.—Liquor manufacturers already have found a way to get around the Putnam anti-road house law passed by the legislature and signed Monday by the governor, according to reports brought to the legislature from Brainerd.

The law provides they shall not "sell" liquor in dry territory, but does not say they shall not "deliver."

Warehouses at Brainerd. Acting under the advice of attorneys, the liquor men have established large warehouses at Brainerd, where they "deliver" wet goods that are "sold" at Little Falls, thirty miles away.

The thirsty one supposedly goes to Little Falls, where the companies have agencies, and buys a certificate, returns to Brainerd, presents his certificate and gets the liquor.

Amendment May Come. The matter was called to the attention of Senator F. E. Putnam, and he probably will introduce an amendment to the law at once.

## HORSE RACES NEXT SUNDAY

Horse races will be held on the ice track again Sunday, if the weather is favorable. The entries will be practically the same as last Sunday except that one new horse, Sam LaFond's trotter, Danube, will be in the races Sunday. This horse was injured in the first race here a few weeks ago and has not been in shape to race until now.

The John W. Norton Land company of St. Paul has established a branch agency here, Frank X. Heroux of this city having been made the local manager. The company expects to open an office here later.

## BASKETBALL GAME TONIGHT

HIGH TEAM TO TACKLE AITKIN HIGH AT GYMNASIUM—LOCALS TO ST. CLOUD MAR. 10

Another basketball game is slated for tonight, at the high school gymnasium, when the local high school team takes on the Aitkin high school team for a second time this season. They defeated Aitkin on the Aitkin floor early in the season. The game tonight starts at 8 o'clock sharp. This will be the last game on the home floor.

The lineup of the local team will be changed somewhat as Sims will be out of this game. A preliminary game may be played between some of the smaller teams of the high school.

Saturday of next week the local high quint journeys to St. Cloud for a return game with that high school team. The locals lost to the Granite city team a few weeks ago, this being the only defeat the locals have suffered this season.

## COMPANY F TO LEAVE SAN ANTONIO TODAY

Sheriff Paul Felix is in receipt of a letter from one of his sons, in which he states that the Little Falls boys at the Mexican border expect to get home some time this month. They have been notified that they will leave San Antonio today.

The Little Falls rifle team held a shoot at Fort Sam Houston on Thursday of last week, in which several of them scored very good, the average being 38.7. The range was 300 yards, with an 8-inch target and a limit of 10 shots to each man, and the possible score 50. Corporal Glen Sigmund and Private August Grund scored 42, Bugler Sutliff 41, Robert Nelson 40, William J. Felix and George Nelson 39, Albin Gierok 38, Cook Harry Nelson 37, Ed. Gierok 36 and William Strand 35.

## GYM TEAM TO PLAY HIGH NEXT WEEK FOR PRACTICE

Two basketball games are planned for next week between the high school team and the gymnasium quint. The dates have not yet been definitely fixed but the games will likely be played on Tuesday and Thursday evenings of next week. This will be excellent practice for the high school team, who will tackle St. Cloud high on Saturday of next week.

Those who will likely play with the gymnasium team are Dr. C. H. Longley, Robert Brannen, Richard Meyers, Wells Graham, Petrus Liljedahl, Harry Doten and Verne Joslin.

## OPENS REAL ESTATE OFFICE HERE

P. L. Melberg arrived here the first of the week from Deerwood to make this city his permanent home. He is having the store room next to the post-office fixed up and will use it as a real estate office. Mr. Melberg predicts a big movement in farm lands this year.

## BUSH SIGNS WITH ATHLETICS

Joe Bush of Brainerd, who held out from signing up with the Athletics for the coming season, because he was not satisfied with the proposition made, signed a contract with Connie Mack Tuesday.

## GETTING READY FOR DRIVE

Ed. Lavioie, who has charge of the upper drive on the Mississippi river, has a crew of men at work repairing the waggons, and getting in readiness for the driving season.

## LOCAL OPTION PETITION FILED

ASKS THAT LICENSE QUESTION BE SUBMITTED TO VOTERS AT SPRING ELECTION

A petition asking that the local option question be submitted to the voters of this city at the spring election was filed with City Clerk Victor Schallern Tuesday afternoon by F. A. Nelson, member of the committee which circulated it. The petition contained 103 signatures. The law requires that a petition of this kind contain the signatures of at least ten per cent of the voters of the city, according to the last city election. The vote last spring was 864.

The local option question was voted on here two years ago, with the result that it was defeated by a majority of 275 votes.

## MARRIED

Miss Nettie Nelson and Lester DeLong were married Saturday morning at 9 o'clock by Rev. E. B. Service, at the M. E. parsonage. Mr. and Mrs. DeLong will make their home on a farm in Belle Prairie. The groom recently returned from the Mexican border, where he was stationed with the North Dakota guard.

The city council will hold a regular monthly meeting at the city hall next Monday evening.

Mrs. Linus Strand of Belle Prairie entered St. Gabriel's hospital for treatment the middle of the week.

Oscar Halberg and other residents of Belle Prairie have filed with County Auditor McNairy a petition for a public ditch. The proposed ditch would start in section 30 and would follow ditch 2 and a part of ditch 9, having its outlet in Pelkey lake. The board of county commissioners will consider the petition at their next meeting.

The display in the window of the Diamond Sign Jewelry store this week is a novel one and very much in keeping with the high cost of living. The window contains a sign with the word "Precious Jewels" printed on it, and below the sign are displayed fine onions, potatoes, beans and here and there a diamond or a pearl. The display is attracting considerable attention.

## REV. SHERIDAN GAVE TALK HERE

ADDRESSED MEN'S CLUB ON "COMMUNITY STOCK"—EMPHASIZES CO-OPERATION

The Men's club of this city held a meeting at the home of N. N. Bergheim Monday evening, about forty-five men being present. The program consisted of a speech by Rev. J. P. Sheridan of Brainerd on "Community Stock," musical numbers and an informal discussion. A splendid lunch was served by Mrs. Bergheim.

The meeting opened with a piano selection by Mr. Sheehan, a member of the high school faculty.

Rev. Sheridan started his speech by saying that in every community there are a number of types or breeds of people, perhaps as many as five or six, and he mentioned three types which are most numerous, namely: the dreamers, the builders and the parasites.

The dreamer, Rev. Sheridan said, is the man who forever sends off dreams of the city, of an increase in population, of new industries, of beautiful homes and parks, of better school systems, etc. Such men are necessary, he said, as we would not have this stage of civilization otherwise. You cannot afford to ostracize the dreamer in your community, because if you do the community will die.

We need the builders as they take hold of the dreams of the dreamer and analyze them. They pick out the ideas which are of value and develop them. Those business men who are putting themselves on the altar of sacrifice for their community are the builders. The spirit of the people should be, regardless of whether the city is wet or dry, to eternally boost for their town. There is always a way of doing things if we work together, the speaker said. Man conceived the proposition of cutting a great continent in two and marrying two oceans; of harnessing electricity and developing power from it; of controlling the undersea currents, etc. Man in a large sense is almighty and we have yet to learn what the Lord has to give him to do.

The parasites are the illiterate, narrow-minded specimens of human carlessness, Rev. Sheridan said. These men ought to wear crepe on their nose, as their brains are dusty. They are the people who always figure for their own benefit. Whenever a proposition presents itself in their community and in which their support is desired, their first query will be "what is there in it for me." They send out of town for their products instead of buying at home. They, as a rule, put the blame on someone else, whereas, in reality, they are to blame themselves.

The thing to do with these three types of people is to organize, to have all come together, regardless of sex, religion or political affiliation. "Thoughts are good, speech better, action best," the speaker said.

Rev. Sheridan stated that in most towns not enough attention is paid to the little fellow, the fellow who pays only a small tax. No attention is paid to his suggestions, and the result is that he goes to another community, where his ideas are taken up by the builder and the community reaps the benefit.

In closing the speaker said that inventory should be taken of one's town, to find out what it really has. The greatest preparedness is not in camps, garrisons or forts. The preparedness that brings peace and prosperity is that city that is aroused to the need of eternal action. "Don't sleep—co-operate and use diplomacy."

Following Rev. Sheridan's talk Miss Dorothy Snavely favored the club with several splendid vocal selections.

F. A. Nelson asked Rev. Sheridan as to the conditions of business in Brainerd since it went dry, and if there was any ground for the reports that the city was financially on the rocks and the business men were ready to move out. To this Rev. Sheridan replied that the conditions in Brainerd were greatly exaggerated by the papers there. He said it was true they were in the dark, this being due partly to the loss of the license money, but also due to mismanagement of the city's affairs in the past. Brainerd is now undergoing a re-adjustment, he said, and it will not be long before she will be back on her feet. The report that the business men are threatening to move out, is false, he said. The bank deposits in Brainerd today are more than they were before the saloons went out and the business men have more ready cash. He said that if they were to take a vote on the question of license or no license at Brainerd today, the people would vote to keep the saloons out, without a doubt.

Mr. Vernon was the first of the local speakers to be called upon. He said that he and several others were always called upon to speak, and their views and ideas are generally known, whereas many others, who might have some excellent ideas, but who do not generally say anything, should be called upon. He touched on the purposes of the Men's club and said that it should aim to co-operate with the Commercial club. The Men's club, he said, could never accomplish the work of the Commercial club, of a city council, or of any such body, and if the people do not like the way things are done by the Commercial club or those at the head of it they should attend the meetings and see that the desired changes are secured.

Others who gave talks were E. J. Richie, D. M. Cameron, Dr. A. W. Ide of Brainerd and Rev. Philip E. Gregory. Mr. Gregory stated that we need not only organization and co-operation, but appreciation. He said that Little Falls has lost able men, good industries, etc., because of her lack of appreciation. "We have good lawyers here, but some people will go out of town for their lawyers; we have grocers who can supply us with almost anything that we desire, yet there are those who will send to Yonkers, Don-

## WILL HAVE BIG MEMBERSHIP

COMMERCIAL CLUB COMMITTEE HAS 91 MEMBERS AND MORE IN SIGHT

The Little Falls Commercial club promises to have a big membership this year, as the committee's meeting with excellent results. Thus far ninety-one members have been enrolled, and the work of the committee is yet far from completed; so that the membership this year promises to exceed 100 by a good margin.

Following are the names of those who have already joined the club:

Pine Tree Mfg. Co., 10, Kiewel Brwg. Co., 2, R. B. Millard, Sylvester & Nichols, N. N. Bergheim, Pantzky Bros., John Vertin, Anton Koslosky, F. J. Kopacz, C. H. Tidd, Spirit J. ## DEMOCRATS IN HARMONY PLAN

NEW STATE ASSOCIATION SEEKS MEMBERS FOR UNITED CAMPAIGN IN 1916

Minneapolis Journal (28): Hailed as a harmony organization to bring warring factions of democrats together and organize Minnesota for the 1918 state campaign, the Minnesota democratic association began today enrolling members over the state.

It was formed at a meeting under the auspices of the state central committee last evening at the Saint Paul hotel. The old factional fight was not in evidence, but nearly all those attending the meeting were of the ruling element, supporters of Fred B. Lynch, national committeeman. Two or three anti-Lynch men attended, but others said today that they had not been invited, and intended to "look over the proposition" before joining.

Chairman Fred E. Wheaton and other speakers at the conference declared prospects bright for election of a democratic governor and United States senator next year. The Woodrow Wilson vote of last fall, they said, is a fair measure of democratic sentiment in the state. There was talk in the lobby of possible candidates for governor, including Senator Samuel B. Nelson of Laverne, Representative Edward Indrehus, Foley; Peter Nelson, Red Wing and Julius Thorson, Benson.

Officers of the new association elected were: President, John E. Burchard, St. Paul; vice president, A. C. Weiss, Duluth; secretary, M. C. Bowler, Minneapolis; treasurer, S. J. Mealey, Monticello. The association is to be incorporated, and will open headquarters to be kept permanently as a rallying point for democrats of the state.

## LOCAL PAPERS BEST MEDIUM

HOME NEWSPAPER CALLED BEST WEAPON AGAINST MAIL ORDER COMPETITION

Minneapolis Journal (20): "You have in the local newspaper an advertising medium in your home town far better than any mail order concern has," Norman R. Williams, Chicago, told the convention of Minnesota and North Dakota Retail Jewelry association at the Radisson hotel today. "There is the perfect means for the retailer to distribute information about his goods and store with consistent regularity and at minimum cost."

Mr. Williams was speaking of mail order competition and catalogs. "The retailer who is not using his local newspaper for advertising is overlooking the biggest trade building opportunity available to him," he said. "There is nothing that equals newspaper advertising for the retailer. It makes it possible for him to keep up that eternal pounding away which must be kept up, at an outlay he can meet."

"If you are going to advertise your store right you will use the newspapers consistently the whole year through. You can afford to do it. What you can't afford is not to do it, if you are looking for the greatest possible profit from your business."

Officers were to be elected at the closing convention session late today. R. G. Winter has been president for the past year.

Miss C. Shaw of Cresco, Iowa, has taken a position as trimmer at the R. Herron millinery store.

Mrs. L. Copley of this city, who recently left for the west, is now visiting at the home of her grandson, Loren B. Roberts, at San Luis Obispo, California.

aldson's and Dayton's for these goods; we have print shops which can turn out splendid work, yet many of the business men will send out of town for their printing," he said.

## C. B. BUCKMAN IS CALLED

PROMINENT LOCAL BUSINESS MAN AND POLITICIAN DIES AT BATTLE CREEK, MICH.

Clarence B. Buckman, one of the pioneer residents of Morrison county and one of the most prominent men in political circles that this county has ever seen, passed away yesterday at about noon at Battle Creek, Michigan, Sanitarium, where he was receiving treatment. He lacked one month of being 66 years of age.

Mr. Buckman's death is the outcome of an illness which extended over a period of several years. He was taken seriously ill in January. In the hope of giving him the advantage of a warmer climate and the baths afforded at the Battle Creek sanitarium, he was taken to that institution last in Jan-

uary. Everything in medical science that could be done for him was tried, but the disease, chronic Bright's disease, proved incurable.

Surviving the deceased are his wife, one daughter, Mrs. John Burg of Minneapolis and one son, Mark Buckman of this city. He also leaves two stepdaughters, Mrs. J. A. Kennedy of Baudette and Mrs. John Cairns of this city.

The remains have been shipped here and will arrive on No. 1, at 1:53 p. m., tomorrow. Mrs. Buckman and Mrs. Kennedy, who were at Mr. Buckman's bedside at the time of his death, will accompany the remains here.

Following is a biography of Mr. Buckman, taken from the book "Minnesota," a history of this state:

The 42 years since Mr. Buckman located in the vicinity of Little Falls have been employed in activities and a varied service which rendered him one of the foremost citizens of Minnesota. He was always a leader in business affairs, as he was successful in business, and he had represented his district in congress, served a number of years in the state legislature, both in the house and in the senate, and for several years he was deputy United States marshal.

Clarence Bennet Buckman was born at Doylestown, Pa., April 1, 1851, a son of William and Jannie (Bennet) Buckman, substantial farming people of Pennsylvania. The Buckman family came to America early in the seventeenth century, and the original ancestor made the voyage on the sailing ship Welcome.

When Mr. Buckman came to Little Falls in 1872 he took up a homestead in what is now Buckman town, named for him. He proved up his claim and his enterprise as a farmer was the foundation of his commercial success.

He continued to buy land until at one time he owned 1,400 acres, all under cultivation. Between 1873 and 1896 practically all his time was devoted to the management of his agricultural interests. During that time he established on his farm the village of Buckman, now a prosperous little village.

In 1873 Mr. Buckman held his first public office. In that year he was elected justice of the peace in Buckman. In 1881 he was sent to the state legislature, serving two years in the lower house, and in 1883 he became state senator and was in that body for eight successive years and was later re-elected for another four-year term. Mr. Buckman represented the Sixth district in the fifty-eighth and fifty-ninth congresses and while in Washington served as a member of several important committees. Last year he was a candidate for the republican nomination for congress and was defeated at the primaries by Harold Knutson of St. Cloud, the present congressman-elect.

Since 1880 he has lived in the city of Little Falls. For 20 years he was engaged in the lumber business and built a sawmill at Stank Rapids. He gave Little Falls the Hotel Buckman, the city's only first class hotel. He built the Motor Inn, the largest garage in the city, 80x150 feet in size. He was also one of the principals in the Little Falls Packing company.

He was one of the most prominent men in this section of Minnesota and has done much in the way of public service and his appointment to the office of deputy United States marshal was one based upon his singular fitness for public position.

In 1887 Mr. Buckman married Miss Emma Harvey of St. Cloud. There are two children, Mrs. John A. Burg and M. M. Buckman, both of Little Falls. In 1905 Mr. Buckman married Alice R. Shea of St. Paul, who survives him.

He was a member of the Little Falls lodge, A. F. and A. M., the Little Falls chapter, Royal Arch Masons and the Little Falls lodges of the Elks, the Modern Woodmen of America and the Ancient Order of United Workmen.

## MEETS DEATH IN ELEVATOR

HARRY BIRCH CRUSHED TO DEATH IN FREIGHT ELEVATOR IN MINNEAPOLIS

Harry Birch, aged 21 years, son of Mr. and Mrs. Thomas Birch of the Brickyards, was crushed to death in a freight elevator in the Tribune Annex, in Minneapolis, Tuesday evening. Mr. Birch was employed with the O. T. Sorenson Express company of that city. He had been in Minneapolis since last fall. The body was brought here for burial.

Edward Birch, a brother, who is employed at Bemidji, came down for the funeral.

The following regarding his death was taken from the Minneapolis Tribune of Wednesday:

"Harry Birch, 21 years old, an employe of the O. T. Sorenson Express company, was crushed to death in the freight elevator of the Tribune annex last night. It is presumed that Birch, in the absence of the elevator man, attempted to operate the lift. He was caught between the elevator platform and the walls of the shaft. The elevator man discovered the body when he found the cage lodged between the second and third floors. Birch roomed at 1115 Second avenue south. His parents, Mr. and Mrs. Thomas Birch, live in Little Falls, Minn."

## DIED

Arthur Como, aged 43 years, passed away Friday at his home here from heart trouble, after a brief illness.

Deceased was born in St. Angelo de Laval, Canada, March 4, 1874. On Oct. 28, 1902, he was married to Miss Delphine Bergeron, in Canada. Mr. Como was a resident of this city for about twenty-eight years.

Surviving the deceased are his wife and five children, Harry, Norman, Ena, Clarence and Loria.

The funeral was held Sunday afternoon at 4 o'clock from St. Francis Xavier church, Fr. Lamothe officiating. Interment was in Calvary cemetery.

Chas. Gosiak entered St. Gabriel's hospital yesterday and will undergo an operation for appendicitis, from which he is quite ill.

## COURT DATES CHANGED AGAIN

BILL PASSED BY STATE LEGISLATURE CHANGING THEM TO APRIL AND NOVEMBER

A bill changing the dates of the general terms of district court in Morrison county has been passed by the state legislature and is now up to the governor for his signature. The bill will make the court terms in this county in April and November, instead of January and June. Representative L. D. Brown introduced the bill, at the request of the attorneys.

The change in dates to April and November would conflict with the dates of the Ottertail county dates, but their's will also be changed, it being in substance merely a swapping of dates. Clerk of Court Stoll, Sheriff Felix and some justice of the peace will draw the jury for the April term next week.

## MUNICIPAL COURT

John White and James Hall were brought before Judge Lyon in municipal court Friday morning on charges of petit larceny. These were the young men who were arrested Wednesday evening for the theft of gloves and scarfs from the overcoats of guests at the West hotel.

White pleaded guilty to petit larceny and was fined \$5 and costs by Judge Lyon. Hall was discharged, as he had none of the stolen goods in his possession when arrested and there was no evidence of his being connected with the theft except that he was in company with White.

Andrew Seurer, a farmer residing near Royalton, was sentenced to twenty-five days in the county jail by Judge Lyon Saturday, for using abusive language.

The charge was preferred by Mr. Seurer's wife. She claimed that her husband used very abusive language in speaking to her and that he drove her out of the house. The latter charge was dropped for the time being. The arrest was made by Deputy Sheriff Jos. Newman of Royalton, who was called by Mrs. Seurer.

## BORN

MINKEL—To Mr. and Mrs. George Minkel, Sunday, February 25, a son.

ADAMS—To Mr. and Mrs. Mat Adams, Wednesday, February 21, a daughter.

LEMANCZEK—To Mr. and Mrs. Julius Lemanczek, Wednesday, February 27, a son.

HEDIN—To Mr. and Mrs. Martin Hedin of Oshkosh, Wis., Thursday, February 22, a daughter. Mrs. Hedin was before her marriage Miss Nellie Bowie of this city.

## WOLF BOUNTIES

Walter Rohl of Pillager collected bounty for a full grown wolf at the court house Monday.

Paul Trettel of Bellevue collected bounty for a full grown wolf at the court house Monday.

Hector Schelling of Belle Prairie collected bounty for a full grown wolf at the court house Tuesday.

## MARRIAGE LICENSES

Marriage licenses have been issued the past two weeks to the following: Peter Stromberg and Anna Swanson, Edward F. Murphy and Alice Monahan, Lester DeLong and Nettie Nelson, Carl Akerson and Alma C. Carlson and to Ernest Glemers and Mills Krasner.
