I KNOW JUST HOW THE POOR FELLOW FEELS.

**THERE is one thing no man on earth can do, and that is to put sappiness into cheap, coarse tobacco. It takes the richest, sappiest tobacco that grows, to make satisfactory chewing. That is why so many are changing over to W-B CUT. Excess sweetening makes a poor substitute with intelligent people. Pound for pound, there's more tobacco in W-B than in ordinary plug; and it's sappy tobacco, every shred of it.**

**ALL WOOL-STYLE-VALUE**

**3 Reasons for Coming Here**

You know these are unusual times; wool is hard to get, so in many cases cotton is substituted in clothes. You have to be careful or you'll get cotton mixed goods. You don't want them.

The way to be sure of all wool is to come to this store. You will get Hart Schaffner & Marx clothes. These makers use nothing but all wool. Such clothes may cost a little more than the other kind, but they're worth many times more.

For smart style, good fit, big values and elegance in detail, you can't equal Hart Schaffner & Marx clothes. We don't say that because we sell the clothes; on the contrary, we sell these clothes because we can say these things about them. And that's another good reason why you should come here.
