OLD FASHIONED CELEBRATION

IN LITTLE FALLS JULY 4-ATTY. HUGHES SPEAKER—FREE BARBECUE

Little Falls will celebrate the Fourth of July this year in a real home-like old fashioned way, and by the way, next Wednesday is the Fourth, only five days away. The celebration will begin at 10 o'clock in the morning with a motor parade starting from the court house on Broadway and leading directly to Pine Grove park, where the celebration will be held. The parade will be headed by the big band, followed by floats, automobiles, lodges and individuals. Prizes will be offered for the best floats.

As soon as the parade reaches the park the principal address of the day will be given there by Attorney R. M. Hughes of Duluth, who is said to be the best patriotic orator in the northwest. Immediately following the speech a short program consisting of recitations, vocal and instrumental selections, etc., will be given.

The big event of the day will be the free barbecue at 12 noon at the park. The general committee has secured especially for the occasion a steer weighing 1600 pounds, furnished and dressed by Swift & Company of St. Paul, and which will be prepared for consumption by E. F. Eichhorn, a twin city chef of wide reputation.

Following the barbecue the ladies of the Red Cross will take charge of the program. There will be dancing both afternoon and evening. The Red Cross ladies will also have booths of various kinds and refreshments will also be served all day. All proceeds of the celebration at the park will go into the Red Cross fund.

In the afternoon the Elks baseball team will play with some outside team at the fair grounds. A game had been scheduled with Brainerd for that day but the Brainerd team has disbanded. Probably Swamville or Royalton will be secured. There is some talk of getting a game with the fast Ironton team for that day.

BOYS FINED FOR BREAKING INSULATORS

Ten local boys ranging in age from 8 to 16 years, were fined \$1 and costs by Judge Lyon in municipal court last Wednesday morning for breaking the insulators on telegraph poles. The complaint was made by N. P. Agent Priestinger. The boys had thrown stones at the insulators on the poles along the railway right-of-way below the lower railroad bridge, on their way to and from the river, where they had been bathing.

While the cost of the insulators was small the prosecution pointed out that the damaging of the wires might cause delay in the transmitting of important government messages, etc., and the judge was urged to make an object lesson of this case.

MINISTERIAL MEETING AT CULDRUM

The Swedish Congregational Ministers' association of the northwest and the Swedish Home Mission association of the northwest will hold a three-day meeting at the Congregational church in Culdrum, beginning today.

Tonight at 8 o'clock Rev. E. G. Anderson, pastor of the Culdrum church, will welcome the visitors and Rev. O. F. Johnson of Spencer Brook will preach. Tomorrow morning at 9 o'clock and in the evening at 8 o'clock there will be services. Rev. J. Albert Peterson, president of the Ministers' association, will open the morning meeting. On Sunday there will be services at 10 a. m. and 2 and 5 p. m.

ELKS PLAY ROYALTON HERE ON SUNDAY

Next Sunday afternoon, at the fair grounds, the Little Falls Elks team will clash with the Royalton team for the first time this season. The game will be called at the usual time.

Royalton has usually had a fast team and while Little has been heard of it this year it is believed that they are coming up with a strong aggregation. The Elks have been playing good ball this summer and their lineup will be strengthened considerably for this game, so an interesting contest may be looked for.

WILL OPEN CONFECTIONERY STORE

A confectionery store will be opened by Mr. and Mrs. E. Berg in the store building on Seventh street northeast formerly occupied by the Victor Olson store. The store room is being remodeled and redecorated and new fixtures and a new stock will be put in. Mr. Berg will continue as bookkeeper, for Sylvester-Nichols Company, as Mrs. Berg will take care of the state.

F. R. Cook was arrested Tuesday evening by Patrolman Larson for violating the traffic rules. His car collided with a car driven by C. E. Chapman of Randall. Mr. Cook was allowed to continue on his way home and will be summoned to appear in court here later.

LUTHER LEAGUE CONVENTION

NINTH ANNUAL MEETING TO BE HELD HERE TODAY, TOMORROW AND SUNDAY

Beginning today the Brainerd District Lutheran League of the Swedish Lutheran church will hold a three-day convention at the Swedish Lutheran church on Broadway west. Delegates and visitors will begin to arrive this noon and it is expected that the attendance will exceed one hundred. The first meeting will be held at the church tonight.

Tomorrow morning the business meeting will be held, beginning at 9 o'clock. At noon the delegates, visitors and local members will go to Darling, where a big program will be held at the Swedish Lutheran church in the afternoon. Dinner and supper will be served there. In the evening they will return to this city and a short devotional meeting will be held at the church.

On Sunday morning there will be regular services, beginning at 10 o'clock. Dinner will be served in the church parlors and in the afternoon a program will be given. The meeting in the evening will conclude the convention.

MARRIED

The home of Mr. and Mrs. J. M. Love, 506 Fourth street southwest, was the scene of a very pretty wedding Wednesday afternoon, when their daughter, Eva Fern, became the bride of Ernest R. Sandstrom of Minneapolis. Rev. Philip E. Gregory of the First Congregational church performed the ceremony. The home was very prettily decorated for the occasion with green and white streamers and carnations and ferns.

The bride wore a pretty dress of white crepe de chine, trimmed with heavy braided silk lace, and she carried a shower bouquet of bridal roses and sweet peas.

Miss Clara Sandstrom of Minneapolis, a sister of the groom, was maid of honor. She wore a pretty dress of shell pink crepe de chine, and carried pink roses.

Miss Malvina Gray of Sauk Centre, a cousin of the bride, played during the ceremony.

A reception at the home followed the ceremony.

Out-of-town guests at the wedding were Mr. and Mrs. Hokan Nelson of St. Paul, Ross Compton of Minneapolis, Mr. and Mrs. Ernest Adkins of Kimball, Mr. and Mrs. C. R. Gray and family and Mr. and Mrs. C. R. Bruce of Sauk Centre.

The bride was born and raised in Little Falls and is well known here. She is a graduate of the local high school, finishing with the class of 1916. She taught school at Kimball the past term. She is a young lady of pleasing personality and has a large circle of friends here who will regret her departure, but whose good wishes will go with her.

Mr. Sandstrom is the son of Mr. and Mrs. Charles Sandstrom of this city. He is now employed in a furniture store in Minneapolis and the couple will go there in about two weeks to make their home.

A pretty church wedding took place at the Swedish Lutheran church, Broadway west, Tuesday evening at 8:30, when Miss Nellie O. Norman, daughter of Mr. and Mrs. Peter Norman of 414, Eighth street southwest, became the bride of Anthony W. Plantin of Minneapolis. Rev. Elov Peterson performed the ceremony. About seventy relatives and friends were present. The church was prettily decorated with portul plants.

The couple marched to the altar to the strains of Mendelssohn's wedding march, played by Miss Elizabeth Peterson. Miss Peterson also played during the ceremony.

The bride wore a gown of white satin with georgette crepe and trimmed with pearl beads and satin ribbon. She carried a bouquet of white bridal roses. Her attendants were her sister, Miss Lindie Norman, and Miss Hulda Anderson. They wore pink gowns and carried pink and white roses. Little Gerdie Elund, niece of the bride, was flower girl.

Henry and Elmer Norman, brother of the bride, were best men.

After the ceremony a reception was held at the home of the bride at 414 Eighth street southwest.

Out-of-town guests at the wedding were Charlotte C. Plantin, mother of the groom and Myrtle Plantin, niece of the groom, both from Minneapolis; Mr. and Mrs. John Norman and Mr. and Mrs. G. W. Wiedlund and daughter Mildred of Princeton.

The couple received a great number of beautiful and useful wedding gifts. The bride has lived in Little Falls for the past twenty-one years, coming here from Nebraska with her parents.

Mr. Plantin is foreman with the E. G. Staudt Manufacturing company of Midway. The couple will be at home at 2800 Stevens avenue, Minneapolis, after July 1.

HOME GUARDS TO MEET TONIGHT

A meeting of the men who signed up for the home guard has been called for this evening at 8 o'clock, at the city hall, to discuss the question of participation in the Fourth of July parade and such other matters as may come before the meeting.

WELLE WINS BUICK SIX

Henry Welle of Lastrup was the winner of the Buick six car which was given away at Pierz Wednesday night by Henry Gau, of Pierz garage man. A free dance was given at Faust's hall in the evening. About fifty Little Falls people went out.

Rev. C. D. Swanson of Missoula, Mont., will preach at the Mission church in Darling Sunday, at 3 o'clock p. m. There will be a picnic and church sale at the same place July 4. Ice cream and lunch will be served as usual. Everybody welcome.

CHAUTAUQUA IS OVER

CLOSING PROGRAM LAST NIGHT—PEOPLE PLEASSED WITH ENTERTAINING OFFERING

Again the Redpath-Vawter chautauqua has visited Little Falls and gone, leaving in its wake a broad train of thought, knowledge and much pleasure, through it having brought here this season the country's best talent and which this city would have had to go without had it not been for the chautauqua. The concluding program was the concert by the Royal Hawaiians and the lecture on Hawaii by Miss Clemens last night.

On Friday afternoon the Schumann Quintet gave a concert as the opening program. They gave a very pleasing program consisting of instrumental solos and ensemble numbers. They appeared again in the evening preceding the lecture by Dr. James L. Gordon, pulpist orator.

Dr. Gordon's lecture on "Success" was considered one of the best of the entire chautauqua. He pointed out that character was essential to success and said that the amassing of wealth does not necessarily spell success. He discussed his subject from the literary, personal and moral standpoint and illustrated it with impersonations which made it exceedingly interesting.

Saturday afternoon the Glenn Wells company gave a prelude consisting of dramatic sketches. They were well received. After the prelude by this company Sarah Tyson Rorer gave a lecture on "Authority on what not to eat." Her talk proved instructive and many of her suggestions will no doubt be taken up by Little Falls women and prove to be profitable.

In the evening the Glen Wells company gave another program of music and entertainment, which was followed by a lecture by Frank B. Willis, former governor of Ohio. A hail storm which came up shortly after Mr. Willis began speaking interrupted him and he talked only a short time after the storm abated. His remarks were confined mostly to matters of vital interest to this country during this war and he pleaded for loyal support of the president.

Sunday afternoon the Royal Dragons, a singing band and orchestra gave the prelude. Their instrumental numbers proved especially pleasing.

Dr. Naam Sperry, assistant labor commissioner of Missouri, was the lecturer on the afternoon program. Her talk centered on the bringing up of children, causes of delinquency among children, etc.

Sunday evening the Royal Dragons again furnished the prelude, after which Congressman Abercrombie, one of the South's representative men who has devoted most of his life to educational work, gave a lecture on "The Old and the New South," which was considered a gem by his hearers. Mr. Abercrombie told how the southern states are trying to solve the negro question, how the negroes have been disenfranchised, by the application of poll tax and how they are being educated and made morally fit to be granted the ballot. He gave some very interesting facts concerning this great question, giving a brief history of the negro from the time he was brought to this country until now, telling how the negro was developed physically while in slavery and as the race which he was the finest physical specimen when he became free but how since that time, lacking morals, the race in this country has become idle and corrupt morally until now the negro is shattered physically. Mr. Abercrombie said he believed in lifting the negro up and added that the negro is entitled to the same treatment as the Indian, who the government took up and is now caring for.

On Monday morning "Gypsy" Simon Smith gave a lecture, telling the story of his rise from a member of a gypsy camp to a preacher in the pulpit. His talk was said to be very interesting.

Perhaps one of the rarest treats that music lovers in Little Falls have had in a long time was the appearance of Elsie Baker, celebrated contralto, and company, Messrs. Durieux and Skjerne. Miss Baker is known throughout the country as one of the greatest contraltos of today. She has traveled extensively as a soloist and has made scores of records for the Victor people. In addition to a most charming voice Miss Baker has an admirable personality and is good looking. Contrary to common belief, Miss Baker's program was not confined to classical songs, but she gave old favorites as well and was most liberal with encores in response to the rounds of applause accorded her.

Mr. Durieux, cellist, and Mr. Skjerne, pianist, were also artists in their line and both have traveled extensively with musical organizations not only in this country but in Europe.

In the evening Messrs. Durieux and Skjerne gave a prelude, which was followed by character impersonations by John B. Ratto, one of the greatest entertainers of his kind that it has ever been the good fortune of Little Falls people to see. He impersonated every conceivable type of man, from the engineer to the crowned head, also such notable American men as Washington, Grant, Lincoln and concluding with Uncle Sam. The members of the Jefferson highway double relay sociability tour, who were in the city Monday night, on the return trip, were the guests of the local automobile club at the chautauqua and several of them addressed the audience. Particulars of this are given in another column.

Tuesday morning Dr. Hilton Jones, a great inventor, gave a scientific lecture on vibrations which was very interesting. Dr. Jones is said to be working now on an invention to combat the submarine menace.

Kryl and his band gave a full concert both Tuesday afternoon and evening, and these two programs perhaps drew the largest crowd of any during the entire chautauqua. This is the

RED CROSS CAMPAIGN CLOSES

LOCAL RED CROSS CHAPTER HAS OVER 500 MEMBERS—MANY GIFTS RECEIVED

The campaign of the local Red Cross chapter the past week for new members has been a most successful one, nearly four hundred having been secured. The campaign started out with the membership totalling 165 and yesterday the committee reported a total of 525 members, in Little Falls only. There are also three auxiliaries in the county, at Randall, Royalton and Swanville, and these have memberships ranging from 50 to 100. The final report of the local committee had not yet been made at press time and probabilities are that the membership of the local chapter will reach 600.

The local chapter has received a number of gifts of money. Mrs. C. A. Weyerhaeuser gave \$100 to the work-rooms. Miss Fahlstrom \$10, Mrs. Kerr \$5, Odd Fellows lodge \$5, Freda and Mary Bowman \$1.50, unknown friend at chautauqua \$3. Two life memberships have been taken out, by Mrs. C. A. Weyerhaeuser and Fr. A. Lamotte. Life memberships cost \$25.

A number of pledges for the National Red Cross fund, were received by the campaign general, in addition to the memberships in the local chapter. The girls, under the leadership of Miss Maude Sims, were very energetic and helpful and did a wonderful work.

Third year Kryl has appeared on the chautauqua program here and each successive time his program has been liked better. The beautiful cornet solos by Mr. Kryl proved one of the big hits of the concert. "The Charge of the Cavalry," was one of the best of the ensemble numbers and the closing selection "Fantasia on National Airs," in which the mags of the allied countries were played, made an excellent impression. The last air played was "The Star Spangled Banner," which the audience sang. It is understood that this was Kryl's farewell tour through this part of the country and this will be regretted by those here who had the opportunity to hear this great band.

Wednesday afternoon Judge Ben Lindsey of the Denver juvenile court gave a lecture on the bringing up of children in which he gave out some very good advice. He said we should have policemen who understand and who have sympathy, as it is disgraceful to think that the community can be bettered by violence. He remarked that most policemen know no other remedy than the club and chains, hand-cuffs and degradation which will not make children any more obedient, but will have policemen who understand and who have sympathy, as it is disgraceful to think that the community can be bettered by violence. He remarked that most policemen know no other remedy than the club and chains, hand-cuffs and degradation which will not make children any more obedient, but will have policemen who understand and who have sympathy, as it is disgraceful to think that the community can be bettered by violence.

Below is published a copy of a letter that is being sent out to all registered men in this county as a part of the campaign to secure enlistments in response to the president's call for 70,000 volunteers. Further particulars are given in another column. The letter follows:

Dear Sir:

The president has issued a last call for volunteers for the regular army. Our standing army must have 70,000 men before July 4th to bring the different units to full war strength. The age limit has been extended to include ages from 18 to 45 years and the time limit to July 4th. There are many advantages to be gained by enlisting now two of which may be mentioned here: First, those who enlist before July 4th will be distributed among the different units of trained soldiers and for that reason becomes efficient in much shorter time than he would in the conscription army which will be composed entirely of raw recruits. Second, the volunteer soldier will be trained by the time the conscript army begins training and will be in a position to receive promotion to commissioned officers in the conscript army. Do not wait till you are drafted, enlist now and take the advantage of all the benefits to which all volunteers are entitled.

You are asked to meet with the committee at the city hall Saturday evening, June 30, at 8 o'clock. Don't fail to be on hand.

By order of the Committee,
Paul Felix, Chairman,
Andrew Johnson, Clerk.

The city council will meet tonight to act on the T. J. Monahan liquor license application, action on which was deferred at the meeting when the others were taken up upon request by the applicant.

TOURISTS SPEND NIGHT HERE

PARTY MAKING RELAY TOUR OVER JEFFERSON HIGHWAY SHOWN GOOD TIME

A party of seven people, who are making the return trip of the double relay sociability tour over the Jefferson Highway this month, were in Little Falls Monday night for the night control. They arrived here Monday afternoon on schedule time, the first car coming in at 5:15 and the others arriving at short intervals, and they left the city on the trip north the next morning at 8 o'clock. J. K. Martin and two sons and R. B. Millard accompanied the party as far as Bemidji.

As the tourists arrived in Little Falls Monday afternoon they were greeted by hundreds of people, in the neighborhood of two hundred cars being lined up along First street and Broadway. When the last car arrived the visitors and local autoists made a sightseeing tour to the park and other places in the city, the procession of cars being led by the big fire truck.

At 6:30 in the evening the tourists were the guests of the local good road boosters at a dinner at the Buckman hotel. Plates were laid for about forty people. J. K. Martin, director of the Jefferson Highway for this state, made a few remarks after the dinner and he then introduced Mayor Berghem, who welcomed the tourists to the city. He also read a communication from Mayor Behrman of New Orleans extending greetings and best wishes to the people of Little Falls and expressing appreciation of the value of the highway to New Orleans.

Mayor V. R. Irwin of St. Paul gave a short talk, in which he praised this city for its progressiveness and the county board for the excellent work that is being done on roads in this county. Mr. Irwin said he would visit Little Falls again in the near future and that he was very favorably impressed with this city.

From the hotel the tourists were taken to the chautauqua, as guests of the local automobile club, and after the chautauqua program a short good roads meeting was held. Speakers were J. K. Martin, J. D. Clarkson, Thomas H. Johnson and Paul Nesbit, who also sang several songs.

Those who visited this city on the return trip were Mr. and Mrs. J. D. Clarkson of Carthage, Mo., Paul Nesbit, McAllister, Okla.; W. M. King, W. F. Tallman and Thomas H. Johnson of Winnipeg.

SUBSCRIPTIONS PASS GOAL

\$5,285.50 RAISED HERE FOR RED CROSS FUND—HALF GIVEN BY THREE

Little Falls responded nobly to the call for funds for the Red Cross issued by the national war council of that organization, the amount expected of Little Falls being oversubscribed. On the per capita basis the sum expected from Little Falls was \$5,000 and the committee reported a total of \$5,079 subscribed. C. A. Weyerhaeuser, R. D. Musser and the Pine Tree Manufacturing company were largely responsible for the splendid showing made by Little Falls, their contribution to the fund being equal to all other subscriptions received in this city.
