

THE ENERGY EXPENDED IN SEEING

It surprises many people to learn that a great amount of energy is consumed in seeing—but it's so. And where errors of vision are present, the energy consumed is so great that other portions of the body are robbed of their supply. Then the trouble begins—trouble which will end only when proper glasses are worn. Get scientifically fitted here

Don't Trust a Quack Doctor

You wouldn't put your health in the hands of a natural born untrained doctor. You wouldn't want your teeth filled by a correspondence school dentist! And you don't want your battery cared for by an untrained man—even if he says he knows all about batteries. Doctoring batteries is a profession with us—we are trained battery experts, and we recognize and treat all of the common battery ills. Your battery ought to be tested—and you ought also to learn about Threaded Rubber Insulation—the most important battery improvement in years. Don't forget to ask for the booklet "A Mark with a Meaning for You."
