LOCALS CAPTURE 2

SAUK RAPIDS AND AITKIN QUINTS ARE BEATEN IN EASY STYLE.

The high school basketball team took two more strides toward the district championship last week by defeating the Sauk Rapids and Aitkin aggregations on the home floor. Both games were played as attractions of the high school carnival, held Friday and Saturday evenings.

Friday evening the Sauk Rapids team was taken into camp. Although the game ended in a one-sided score in favor of the locals, 28 to 10, it proved interesting nevertheless.

Twelve field baskets were netted by the locals, five of which were made by Sprandel. Some of the second team were given a chance against stronger opponents than they had been accustomed to and they showed up very well.

Sparrow of Sauk Rapids made all the points credited to his team. He made two field baskets and six free throws.

Following is the line-up of the two teams:

Little Falls	Sauk Rapids
Fortier-Wands . . . RF	Sparrow
Bastien-Sprandel . . LF	Gardner
Lepinski C	Shave
Sprandel-Elvig RG	Buegler
Sims LG	Stuliek

Field baskets—Sprandel 5, Lepinski 2, Sims 2, Fortier 2, Wands 1, Sparrow 2. Free throws—Sprandel 1, Wands 3, Sparrow 6. Personal fouls—Lepinski 1, Stuliek 2, Buegler 1, Sparrow 3. Referees, Hall and Czaja.

The game this evening will be between Aitkin and Little Falls and should prove interesting.

In the game against the Aitkin quint, played Saturday evening, the locals simply ran away with their opponents, winning by a score of 57 to 4. The game although very much one-sided, had its interesting points. The team work of the locals was unbroken throughout the whole game and Sprandel, fed by his team mates, netted 27 of the local's 57 points. The first half ended with a score of 17 to 4 in the local's favor. Sprandel made 15 of these points.

In the second half the Aitkin quint were unable to score at all.

Following is the line-up:

Little Falls	Aitkin
Fortier RF	E. Larson
Sprandel LF	Cluff
Lepinski C	Rogers
Levis RG	Marsh
Sims LG	A. Larson

Field goals—Little Falls, Sprandel 13, Lepinski 4, Sims 5, Wands 6; Aitkin, E. Larson 1, Cluff 1; Free throws, Little Falls, Sprandel 1 out of 3; Larson 0 out of 2; fouls, Little Falls, Sims, technical 2; Aitkin, E. Larson technical 1; Rogers, personal 2. Substitutes, Little Falls, Wands for Fortier, Anderson for Levis; Michie for Lepinski; Aitkin, Zesse for Rogers. Referee, M. B. Scherich of Brainerd.

SEES IN NEWSPAPERS PEOPLE'S TEXTBOOKS.

Recognizing the work done by the newspapers for the food administration, A. D. Wilson, federal food administrator for Minnesota and director of agricultural extension work in the University of Minnesota, is sending out the following letter to the editors of this state:

"As the food administration nears the close of its activities, I am wondering whether the editors of Minnesota appreciate to the full the tremendous educational force of their publications during the war days. Putting the food requirements of the war over the top meant the re-education of the great public in food-use and in the comparative value of food commodities. There were willing teachers but no textbooks—a difficult situation in the handling of a big problem—and the newspapers and magazines have been the great textbooks of the war years. The food program went over the top with a victory which deserves high place in history.

"Speaking with and for my co-workers in the food administration, I want to express our admiration of the educational power you represent and our respect for the men behind the power."

SESSION WITH RETURNED MARINES.

An informal social session was held in the city hall last Thursday evening in honor of Oscar Levin and Howard Ferrel, who have been with the marines in France and who are home on a furlough. There were about thirty-five friends of the boys in attendance and after a "swell feed" were entertained by talks given by Messrs. Levin and Ferrel on their experiences while in the trenches.

Both boys had been gassed and confined to hospitals for some time.

O. T. Bissman, a traveling salesman, who has seen overseas' service was present and gave an account of his experiences while in France. He also was confined to a base hospital on account of wounds received from machine gun bullets.

Mayor N. N. Bergheim stated that it is the intention of Little Falls to give a monstrous celebration in the spring when, it is hoped, all the boys will be back.

Hiram Trebby, who has been in the navy stationed aboard the U. S. S. New York, returned Tuesday from the Great Lakes Training station, where he received his discharge from the service.

According to the Minneapolis Tribune of Monday, Wells Graham, a local boy, was one of the 60 Minnesota men to arrive in New York from France on the transport, Celtic. Graham, who is in the marines, was gassed while fighting in Belleau woods.

CARNIVAL WAS GOOD

CARNIVAL HELD AT THE HIGH SCHOOL LARGELY ATTENDED —PROCEEDS LARGE.

The third annual carnival, held Friday and Saturday evenings in the high school, proved to be a marked success and the general opinion is that it was bigger and better than the first two carnivals staged by the high school. The crowd which attended was much larger than formerly and the paid attractions were filled to capacity at all times on both evenings.

Two basket ball games were played, one each evening. Friday evening, the locals vs. Sauk Rapids and Saturday evening the locals vs. the Aitkin high school quint. An account of the two games is given in another column. Between the halves of the games several dances in gypsy costume gave several graceful dances which were ended by their passing around their tambourines.

A clever farce, "A Proposal Under Difficulties," and the Hawaiians were among the best attractions of the carnival, and enjoyed large audiences at all performances. Other places of interest were the "House of Fate," where fortunes were told by Gypsy fortune tellers; the Wonder Well, merry-go-round and other interesting attractions.

The statuary, under the supervision of Rev. H. J. Buckingham, was a feature. Girls dressed in white and placed to represent different groups named up the statuary. Rev. Buckingham read the lines which each group represented.

The jitney dance which was held in the gymnasium each evening after the basket ball games, was largely patronized.

A little over \$836 was taken in for the two nights. The receipts the first night amounted to about \$500. The expenses for the two evenings amounted to about \$200.
