

Your Children's Eyes

It is extremely important that you learn whether your children have normal sight or not. If they have it would be a satisfaction to learn the fact. And if they have NOT, an examination would be of even greater value, because no child can be happy and advance at school who is fighting an error of vision. We invite parents to bring their children to us and learn the facts regarding their eyes.

If You Buy a Used Car

If you buy a used car you probably buy a used battery—and you can't tell how it has been used. Better come in and let us test it.

Such a battery may seriously affect the operation of your car; you can't tell whether it does or not unless you put a really new battery on it.

When you buy a Still Better Willard with Threaded Rubber Insulation you know it is new, because it is shipped and stored Bone Dry and begins its life for your car.

You'll know the Still Better Willard by the Mark branded onto the box. Get all the facts about this remarkable battery in the booklet "A Mark with a Meaning for You."
