

MANY SEE WAR TANK

CITY STREETS CROWDED AT EXHIBITION OF TANK BOOSTING THE FIFTH LOAN.

Seldom has there been such a crowd of people in Little Falls for any event as there was Wednesday afternoon for the exhibition of the war tank, brought here to help boost the Fifth or Victory Loan drive. The streets of the city were a solid mass of people and every foot of parking space along the walks was taken up by the out-of-town automobiles. It is estimated that more than 300 outside cars were here.

The "Whippet Tank" arrived from a branch town at about 4 o'clock p. m., and was run from the flat car down First street northwest to Broadway, thence across the bridge and down Broadway on the east side to the square. Here it stopped and R. B. Millard county Liberty Loan chairman, mounted it and in a few words explained its presence here. The tank was camouflaged and also had special lettering advertising the loan. Some people were under the impression that this tank, on account of being so small, was merely a miniature and not the kind that was used at the front in France. There were several sizes of tanks used in the fighting and this kind was one of them. They proved very effective and were used in several big drives.

From the square the tank proceeded on Broadway to Second street, thence south on that street and around the entire block, returning to the square. It then went back as far as the bridge and went over the same route once more. The tank was driven down town again in the evening. Later it was loaded on the flat car and taken to Aitkin for an exhibition.

BANDMASTER IS HERE.

W. J. Schliesmann, the new bandmaster for the Little Falls band, arrived from Watertown, S. D., Wednesday evening to take up his duties here. The band held a rehearsal at the city hall Tuesday evening and a goodly number of musicians turned out. Concertists promise to be plentiful as seven or eight of them were at the rehearsal.

MRS. PLUMLEY FIRST LOCAL BOND BUYER.

Mrs. Alice Plumley of this city is a top-notch buyer when it comes to buying bonds and getting them early in the game. In fact she is the first local bond buyer. At local headquarters Wednesday she placed her order for \$2,900 worth of bonds, paying cash for them.

COURT IS IN SESSION

GRAND JURY HAS FINISHED WORK - NATURALIZATION GRANTED.

District court is in session this week and is this morning trying the case of John Lyshik vs. Nick Kuka and John Funt. This is an action for the recovery of \$78 said to be due Lyshik for the use of a threshing rig. The case has occupied the time of the court since Wednesday morning.

After the above case has been finished a criminal case, that of the state of Minnesota vs. Gunor Johnson, will come up for trial. Court expects to adjourn tonight until next Monday. The session began last Monday afternoon instead of in the morning, owing to the fact that Judge Roeser was unable to get here in the morning.

On Wednesday noon the grand jury finished its work and made its report to the court. Several indictments were returned but cannot be made public until after the parties have been arraigned.

Owing to the fact that eleven members of the petit jury were unable to report owing to illness, it was necessary to issue a special venire for petit jurors.

On the preliminary call of the calendar to set dates for trial, etc., several cases were disposed of via the dismissal route and others were continued to the November term. One case was settled out of court. Cases dismissed, continued, settled and placed at foot of calendar were as follows:

- Elizabeth Schubert vs. John Schubert.
- Carrie Dahlstrom vs. Henry Dahlstrom.
- Carrie Dahlstrom vs. Henry Dahlstrom.
- Begina Krzan vs. Veronika Zilka. Continued to November term.
- Leas M. Bruening vs. Anton Bruening.
- Arthur B. Skinner vs. Sophie Skinner.
- Southern Colonization company vs. John Schmolke et al.
- Southern Colonization company vs. John Schmolke.
- Jacob Mrozik vs. Stanislaus Pierowicz.
- Settled.
- John J. Leison vs. Charley Baker et al.
- Foot of Calendar.
- Mary Dronng vs. Busby & Katzenberger.
- Math Mackey vs. Susana Durava.
- M. G. Peterson vs. Bill Burfield.
- Ella Smetberg vs. Matt M. Mackey. Judgment to Be Entered by Default.
- Constantine Zak vs. Jacob Mrozik.
- Naturalization petitions were taken up Tuesday, a special representative from the state department being on hand to conduct the examinations. Oscar Maschke, Peter Nelson, Ernst Viktor Johnson, John Smolik and Frank Simon Wistl were admitted to citizenship. The petitions of Victor Oval and John Lemanczyk were continued to the November term of court and those of Albert John Stepan and Herman Busse were dismissed, their time limit having expired.

TALKS GOOD ROADS

HARRY DAVIS ADDRESSED AUDIENCE ON BABCOCK ROAD PLAN - MOVIES SHOWN.

A good roads meeting was held at the Milo theatre in this city Wednesday afternoon, at which Harry Davis of the state highway department, gave a splendid talk on the proposed hard-surfacing of roads and on the proposed Babcock amendment, relating to same. The theatre was seated to capacity and it is believed that the meeting had a most wholesome effect.

C. M. Babcock, state highway commissioner, was expected to address the meeting but he was unable to come owing to the fact that several county delegations were to call upon him at St. Paul that day. W. E. Olson, secretary of the Board of Commerce, called the meeting to order and introduced Mr. Davis.

Mr. Davis explained how this state took up the great road project after having studied the matter thoroughly and found that under the old system worth while roads can never be secured. He said that at present the funds for road work are eaten up by the main traveled roads, leaving practically nothing to be expended on the other roads. Eighty per cent of the fund is expended on the main thoroughfares. These roads are included in the Babcock plan of hard-surfacing and after they are once built the state will forever maintain them, should the Babcock road law pass. The one-mile levy for road purposes will nevertheless be available and can then be expended on other roads which now get very little attention. The farmer living on the back road will be benefited the most by this plan, as those living along the main traveled roads now have a fairly good road and will then have a permanent road, but the farmer on the back road, who now has practically no road at all, will get a good road.

Mr. Davis pointed out what a difference this big improvement in roads would make to the car user, by lessening the wear and tear on the machines, make all points more easily accessible and tend to increase the value of property as a whole.

Under the proposed plan the method of raising the funds would be changed and instead of the present personal property tax on automobiles and the license fee there would be a single automobile tax.

Two reels of motion pictures were run, showing hard-surfaced roads under construction and after completion, and comparing them with the old dirt roads. The title of the picture was "Through a Century of Change, of Unchanged a Century of Change." This film was used in Illinois during its campaign for the \$60,000,000 hard-surfacing plan, which went through.

At noon Wednesday Mr. Davis and the two men operating the war tank were the guests of the Board of Commerce at a luncheon at the Buckman hotel, at which twenty-one people were present. At this luncheon Mr. Davis gave a brief talk outlining the Babcock plan and explaining the proposed constitutional amendment. He said that this is strictly a movement by the people and that paving and manufacturing concerns will not be permitted to exert any influence as to the work.

Following the afternoon meeting Mr. Davis was shown about the city by J. W. Stephenson, president of the Board of Commerce, and Mr. Olson, the secretary.

FIELD MANAGER GRAHAM WAS HERE - PROGRAM APPEARS A STRONG ONE.

Indications are that the Chautauqua program for 1919 will surpass in quality all of those which have gone before. T. F. Graham, field manager of the Redpath-Vawter Chautauqua System, was here Monday for a conference with the local committee. Mr. Graham submitted the program and the dates for the big summer event and the general opinion seems to be that our program for this summer will be a "hummer."

One announcement of interest is that we will have a big band back on the program for this summer. For several seasons the Redpath-Vawter folks featured big band music on the program and the splendid concerts by the Phaviv and Bohumir Kryl organizations had made the Chautauqua an established summer institution. Last summer band music was omitted and it was missed. So this year we are to have the celebrated Banda Roma.

Luigi Quaglia.
Under the direction of Luigi Quaglia the Banda Roma has come to be recognized as one of the great musical organizations of the country. Luigi Quaglia is one of the really great conductors sent to us from Italy. He is a graduate of the University of Naples and has been in constant demand by the managers of our greatest amusement and entertainment institutions. Three summers ago he was in charge of the parks tell of the popularity of this organization.

Splendid Music.
The engaging music of the Boston Opera Singers assures us of another splendid treat. This company is headed by Louise Stallings, one of the best dramatic sopranos in the country. Alessandro Alberti, baritone, has won success in eastern musical circles, as have Eutha Schultz, contralto and Antonio Marino, tenor. Marion Carley, pianiste and accompanist, is a Canadian artist.

Mr. Graham asserts that the Boston Opera Singers constitute one of the most artistic vocal organizations ever handled by the Redpath-Vawter.

The Althea Players are six charming maidens, singers and instrumentalists, and their music is of the highest quality. The opening day of the Chautauqua. A feature of the Althea programs is the ensemble violin numbers. There will be vocal and instrumental quartets and solos, humorous readings and "stunts," just the kind of a program to give the audience a good start.

Kryl Company.
The Saxophone Sextette is a Bohumir Kryl organization. It was assembled and organized by the famous bandmaster and comes with the Kryl stamp of quality upon it. As the name indicates, this organization features saxophones. Each member of the sextette is a versatile musician and in addition to ensemble saxophone numbers the company offers an orchestral program, interspersed with solos.

Popular Number.
One of the popular features of the 1917 program was the night furnished by Ralph Dunar's Royal Dragons. This year we will have a company of White Hussars, only the Hussars are young women.

A Great Drama.
Israel Zarkow's play "The Melting Pot," is unquestionably one of the greatest of modern dramas and the intense American sentimentality makes it especially appropriate for this year. The dramatic cast calls for ten people and Mr. Graham asserts that the personnel of the company will be of high class.

Big Joy Night.
The closing night of Chautauqua has been reserved for Ralph Bingham, the platform humorist. Ralph Bingham has been entertaining the public since he was a child and his story is that there is scarcely a community in America that has not laughed with this jolly fun-maker.

The List of Lecturers for this summer appears to be the strongest ever offered by the Redpath-Vawter system. Chief among the lecturers for this summer is Sir John Foster Fraser, Great Britain's foremost correspondent. Sir John attended the Paris Peace Conference from the very beginning of its sessions. He is personally acquainted with such world leaders as Lloyd George, M. Pinchou, Aquith, and other notable figures. He has traveled in more than fifty countries and has dealt with the diplomatic problems of the old world.

Bolshevism.
One of our great modern problems is summed up in the term "bolshevism." Bolshevism will be discussed by Frank Dixon, one of the foremost students of the world's problems. Frank Dixon, by the way, is one of the three famous Dixon brothers, the others being "Leopard's Spots" and "The Birth of a Nation," and Dr. A. C. Dixon, pastor of the famous Spurgeon temple in Chicago.

Medbury Coming Back.
The fact that Dr. Charles S. Medbury will be here again this summer, is welcome news to the people of our city. Mr. Graham declares that there was a universal demand over the circuit for Medbury's return. The story created such universal favorable comment, according to Mr. Graham.

Harry J. Loose, an active member of the Chicago detective force, will be here for an address on "Crime and its Cause and Prevention." It is said that Detective Loose takes all of the glamor from crime and the appeal and the less they are firmly implanted in every youngster's mind is, "They never get away."

Interesting Trio.
Roderick Dundonald is a Scotch orator who comes from Glen Levan on the shores of Loch Lomond, a spot famous for generations in Scotch songs and story.

Raphael Emmanuel is the son of a desert chieftain. He comes from Libanus, that little country tucked away between the Tigris and Euphrates where Abraham, Isaac, and Jacob tended their flocks. He will tell us of the life and people of his native land.

Mary K. Nelson with four years overseas experience as a Red Cross nurse will be here for an address on "The War and its Experiences."

Three places are being held open on the program in order to get the best available men at the last possible hour. Most of the program must be placed under contract months ahead of Chautauqua and Mr. Graham stated that they held these places open so that they would be able to get big men with big world subjects at the past possible hour.

The dates of our Chautauqua will be June 27 to July 3, inclusive.

Mr. and Mrs. A. E. Joslin arrived Wednesday evening from Grove City, Pa., and will make their home in this city. Mr. and Mrs. Joslin are the parents of Verne Joslin of this city.

W. E. Olson, secretary of the Board of Commerce, will go to St. Paul tonight on business and to spend Easter with his family. He will bring the family up here the first of the week.

BIG LOAN RALLY

TO BE HELD TOMORROW BY WOMEN - MRS. C. A. SEVERANCE WILL SPEAK.

Tomorrow afternoon, at the Maude Moon Weyershauser hall, a big Liberty Loan Rally will be held by the women of the Sixth district. County chairmen of the women's loan organizations throughout the district, as well as town chairmen in this county, will be here for this meeting, which promises to be a rousing one. (The meeting will begin at 2:30 p. m.)

Besides the local speakers there will be an outside speaker, Mrs. C. A. Severance of St. Paul, who is chairman of the women's Liberty Loan committee for the Ninth Federal Reserve district. There will also be a program of musical numbers.

At 12:30 p. m., the visiting delegates will be the guests of the local organization at a luncheon at the Buckman hotel.

COUNTY BOARD ADJOURNED TO TOMORROW.

A meeting of the board of county commissioners was held at the court house yesterday to consider the Babcock road proposition and the issuance of bonds. No action was taken at this meeting, however, as the board had no certified copy of the amendment to the state laws authorizing county boards to issue bonds for this purpose without a vote of the people. The board adjourned to tomorrow, when the matter will again be taken up.

A number of representatives of financing corporations were present at the meeting.

Mrs. Marion Thomas and Mrs. Raleigh Meyers were united in marriage Tuesday afternoon at the home of the bride's mother, Mrs. Aug. Jansen, Seventh street northeast. The couple will reside on the groom's farm in Green Prairie.

BORN

RICHARD—To Mr. and Mrs. R. R. Richard of Beach, N. D., April 10, a son. Mr. Richard was a former employe of the Herald.

MUNCY—To Mr. and Mrs. Rex Muncy, Sunday, April 13, a daughter.

CHAUTAUQUA IN JUNE

FIELD MANAGER GRAHAM WAS HERE - PROGRAM APPEARS A STRONG ONE.

Indications are that the Chautauqua program for 1919 will surpass in quality all of those which have gone before. T. F. Graham, field manager of the Redpath-Vawter Chautauqua System, was here Monday for a conference with the local committee. Mr. Graham submitted the program and the dates for the big summer event and the general opinion seems to be that our program for this summer will be a "hummer."

One announcement of interest is that we will have a big band back on the program for this summer. For several seasons the Redpath-Vawter folks featured big band music on the program and the splendid concerts by the Phaviv and Bohumir Kryl organizations had made the Chautauqua an established summer institution. Last summer band music was omitted and it was missed. So this year we are to have the celebrated Banda Roma.

Luigi Quaglia.

Mr. and Mrs. A. E. Joslin arrived Wednesday evening from Grove City, Pa., and will make their home in this city. Mr. and Mrs. Joslin are the parents of Verne Joslin of this city.

W. E. Olson, secretary of the Board of Commerce, will go to St. Paul tonight on business and to spend Easter with his family. He will bring the family up here the first of the week.

DOINGS OF CITY DADS

APPROPRIATE \$1000 FOR QUARRY ROAD - SALARY INCREASES DISCUSSED.

The city county held an adjourned regular meeting at the city hall Monday evening, all aldermen present except Alderman Moelein.

The bid of the Transcript Publishing company for the city printing at the legal rates, was accepted and that paper was designated the official paper.

The bond of Andrew Johnson as city clerk was approved.

A building permit was granted to C. D. Blanchard, for alterations in the building occupied by the Milo theatre, the part of the specifications regarding the extending of the wooden stairway on the side of the building being struck out as the fire chief would not O. K. this part of it. The building bond of Mr. Blanchard was also approved.

City Treasurer Vertin's quarterly report was read, accepted and ordered placed on file.

A letter from Prof. Bass of the state university, making a report on the surface drainage proposition, was read. Mr. Bass stated in his report that he had visited the city for the purpose of making the survey and had gone over the territory. He recommended that a drain pipe be laid from Fifth street and Second avenue southeast extending to the river, covering a total distance of 8 1/2 blocks, which, he said, would handle the drainage situation satisfactorily. The pipe would have to be laid at a depth of from 8 to 13 feet and should be 24 to 30 inches in diameter. He estimated the cost of such a drainage at \$15,000. The report was ordered filed without any discussion.

The city clerk read a communication from the division superintendent of the Northern Pacific, notifying the city that it would be expected to pay its share toward the repairs of the railroad on the East side, where the city has on part of the right-of-way for its oil tanks. The estimated cost of the repairs was given as \$60. The railroad company claims that the property benefitted must pay the costs of maintenance of the railroad under a ruling of the railroad administration, but City Attorney Vernon told the council that he did not believe that the city could be compelled to pay this and he was therefore instructed to write the proper officials to the effect that the city declines to pay it.

G. F. Kirscher, in a letter to the council, demanded that L. G. Hoffman, who operates a peanut and popcorn stand on the streets of the city, be forced to move his rig away from the bank corner as it was a nuisance. Jos. Moelein, cashier, was present, and he explained that the bank had granted Hoffman the use of a certain space in front of their bank but that he was not satisfied with that and moved to another place, nearby, where the bank does not want him to be. The street commissioner was instructed to inform Mr. Hoffman that unless he would use the location offered by the bank he would have to look up another location.

A petition asking that Ninth street southeast, between First and Second avenues, be graded and made passable, was referred to the street committee for investigation, a report to be submitted at the next meeting of the council.

A resolution was passed appropriating \$1,000 from the road improvement fund to be spent in fixing up the road to the granite quarry. Alderman Brown called the council's attention to the fact that in figuring up the amount on hand in this fund an error was made and that there was still more than \$1,300 on hand. The sum of \$900 has already been appropriated, making \$1,900 from the city, and this, with the county's appropriation, will make more than \$2,000 to be spent on that road this spring.

City Clerk Johnson reported that the contractor on the dam had secured 418 2-3 cubic yards of crushed rock from the city rock pile and that the Water Power company would replace same at any time that the city asks for it. The clerk was instructed to advise the company to replace same at their earliest convenience, as the city contemplates doing paving this spring.

The city clerk was authorized to get necessary stationery, such as warrants, etc.

At the suggestion of W. E. Olson, secretary of the Board of Commerce, he was authorized to transfer the city's membership in the board from Isaac LaFond to Charles LaFond, the new street commissioner.

A number of directors and members of the Board of Commerce appeared before the council and asked whether that body had given the matter of paving any consideration. They called their attention to the fact that under the Babcock law the state will pave through cities and villages a roadway 18 feet wide, of the same material as the state roads are paved with, or allow the cost of same if the municipality chooses to put in better paving. It was suggested that the council keep in close touch with the city board on this matter and the council decided to meet with the commissioners on the 17th and to have representatives at the good roads meeting on the 16th.

Secretary Olson of the Board of Commerce had a copy of the bill which has been passed by the state legislature and awaits the governor's signature, which will empower cities of the fourth class to do paving without petition from the owners of abutting property. All that is necessary is to hold a public hearing, notice of same to be published at least two weeks previous to the hearing. Abutting property owners can also be compelled to make water and sewer connections with the mains before the paving is begun.

George Ender, fire chief, asked the council to increase the salaries of the city custodian and assistant, to make them \$100 per month. The custodian is now being paid \$90 and the assistant

COUNTYS HON'R ROLL

52 BOYS IN MORRISON COUNTY GAVE LIVES IN WAR, STATISTICS SHOW.

Fifty-two lads, or practically five per cent of the total number of men in the service from Morrison county, gave their lives for their country in the great world war. These figures have been given out by the local chapter of the Red Cross, which has gathered the data, to be sent to headquarters. It may be possible that all casualties have not been secured and anyone knowing of any not given in the list published herewith should give the name and address to the local Red Cross chapter, as the list is wanted at headquarters by the first of next month.

Following are the names and addresses of the boys who died for their country, together with the name and address of their nearest relative:

Oscar Benson, Upsala, Mr. and Mrs. Martin Benson, (parents), Burtrum, route 2.

Lawrence Blanchett, Little Falls, Mr. and Mrs. G. H. Blanchett, (parents), 43 Bay St., City.

Leslie Bracken, Royalton, Chas. Bracken, (father), present address, St. Cloud.

Walter Bracken, Royalton, Chas. Bracken, (father), present address, St. Cloud.

Bernard Brown, Swanville, Frank Brown, (father), Swanville.

Harold Campbell, Randall, Mrs. Jennie Campbell, (mother), Randall.

Axel Carlson, Flensburg.

Clarence Coenen, Royalton, Mr. and Mrs. Theo. Coenen, (parents), North Prairie.

Andrew Decker, Swanville, Anton Decker, (father), Swanville.

Ferdinand Dengel, Buckman, Henry Carl Dengel, (father), Buckman.

Albert Dolven, Little Falls.

Beatrum Draxton, Little Falls, Beaver Draxton.

Hope Edeburn, Lincoln, Mrs. Geo. Edeburn, (mother), Ft. Ripley, R. 3.

Ekil V. C. Edbourg, Randall, Mrs. Susan Edbourg, (mother), Randall.

Henry Everding, Little Falls, Fred W. Everding, (father), route 7, Little Falls.

Charles Gourd, Randall, Mrs. Cynthia R. Gourd, (mother), Randall.

William J. Gravell, Little Falls, George Gravell, (brother), Little Falls.

Herman Hoehsel, Pierz, Carl Hoehsel, (father), Pierz.

Paul Jendro, Bowlus, route 1, Anton Jendro, (father), Bowlus, route 1.

Alfred H. Johnson, Little Falls.

Arthur Johnson, Little Falls, P. M. Johnson, (father), 606 Fourth avenue southwest, Little Falls.

Ernest B. Johnson, Little Falls, Mrs. Mollie Johnson, (mother), route 4.

Ivan Eustie Kay, Little Falls, Mr. and Mrs. Geo. Kay, Little Falls, route 8.

Frank Kominek, Cushing, Mrs. Mary Kominek, (mother), Cushing.

John R. Kurtz, Pierz, Rachus Kurtz, (father), Pierz.

John F. L. Larsen, Randall, Mr. and Mrs. John B. Larsen, (parents), Ft. Ripley, route 3.

David Larson, Little Falls, route 5, Mr. and Mrs. Lewis Larson, (parents) Little Falls, route 5.

Lenus Larson, Cushing, Mr. and Mrs. J. L. Larson, (parents), Cushing.

Osmer J. Leigh, Royalton, Jos. Leigh, (father), Now located at Alfred N. D.

Petrus Liljedahl, Little Falls, parents at St. Cloud.

Lloyd McGee, Little Falls, Mr. and Mrs. H. M. McGee, (parents) Little Falls.

Sophus Madsen, Bowlus, route 1, Rasmus Madsen, (father), Bowlus, route 1.

Axel E. Nelson Little Falls, route 4, C. J. Nelson, (father), Little Falls, route 4.

Erick T. Nelson, Holdingford, route 1, Jones Nelson, (father), Holdingford, route 1.

Fred G. Nelson, Little Falls, Mrs. Fred G. Nelson, (wife), Little Falls.

John Olson, Little Falls.

William Patton, Clough.

Gustaf H. Peterson, Little Falls, Mrs. Wilhelmina Peterson, (mother), Darling.

John Poetsch, Little Falls, Mrs. Mary Poetsch, (mother), Little Falls.

Frank Rhoda, Royalton, Mrs. Fred Rhoda, (mother), Royalton.

Lee Schufelt, Little Falls, Mrs. Nellie Schufelt, (mother), Little Falls.

Roman Schelonka, North Prairie, Mr. and Mrs. Paul Schelonka, (parents), North Prairie.

Alex Stein, Bowlus, route 1, Gust Stein, (father), Bowlus, route 1.

Lyle Sittler, Little Falls.

Herman Strochem, Swanville, route 1, Mrs. Albert Hass, (mother), Swanville, route 1.

Harry Swanson, Little Falls.

John Tomala, Pierz, John Tomala, (father), Pierz.

William Wenzel, Little Falls.

Halle N. Weston, Little Falls, Mr. and Mrs. Glen Weston, (parents), 718 Second street southeast, Little Falls.

Sven Henry Winberg, Randall, Anna Winberg, (mother), Randall.

Matt Zormeir, Royalton, Mr. and Mrs. M. Zormeir, (parents), Royalton.

Frank Zywowski, Frank, Little Falls route 3, Martin Zywowski, Little Falls route 3.

FIRE FROM GASOLINE

FLUID FROM TANK FEEDS FLAME - HOT FIRE BUT DAMAGE NOT GREAT.

A gasoline fire in front of the E. A. Berg & Co. garage yesterday morning at 11:30 looked for a time as if it would reach large proportions, but as it was damage was confined to a gasoline tank wagon and the plate glass on the west side of the Berg front, which was broken by the heat.

The fire was a peculiar one, and no one appears to know how it started. Rex Muncy was filling the Berg gasoline tank, located in front of the building, from the oil wagon, and states that he went inside of the building to get a measuring stick, and that when he returned the gasoline was ablaze. The gasoline was running from the tank on the wagon in a one-inch stream, flooding the sidewalk in front of the garage and the street to over half its width, the whole being ablaze, the flames leaping twenty feet into the air. The wagon was pulled out into the street and with the aid of a long pole the gasoline feeding the flames was shut off. The fire was a hot one, but was finally brought under control by the firemen with water and the chemicals.

LIBERTY LOAN DELINQUENTS.

The following letter in relation to those who did not purchase bonds for the Fourth Liberty loan, is being sent to all precinct chairmen:

My dear Major: As you know, after the Fourth Liberty loan there were a large number of Blue Cards turned in to Liberty Loan Headquarters. Over 700, in fact. By hard work on the part of the Central Committee and myself, this list has been cut to about 150 names.

The Central Committee for the Ninth Federal District at Minneapolis, has asked us several times to publish the list of Blue Card men in the county papers and the Central Committee had about decided to publish these names, but felt that it would be no more than fair to give the Blue Card men a chance to redeem themselves in the First or Victory Loan, which will be held on Tuesday, May 6, and then publish the names of all Blue Card men.

However, the names of all delinquents in the Fourth Loan have been printed and copies of those lists are at Liberty Loan Headquarters, and can be seen by anyone who wishes to call. I am also sending one of these lists to all Majors in the county today for reference.

Our county score was over 96 per cent in the Fourth Loan—let us make it 100 per cent in the First and last.

Cordially yours,
R. E. MILLARD,
County Chairman.

FIFTH LOAN EASY ONE.

IS FOR 4 1/2 BILLION - MORRISON COUNTY'S QUOTA \$480,000 - HIGHER INTEREST RATE.

Four and one-half billion dollars are asked for by the government in the Fifth or Victory Loan. This is practically two billions less than was expected. The quota for the Ninth district is \$157,000,000.

Morrison county's quota in this loan, the local committee has been advised by the state committee, is \$480,000. This is \$120,000 less than the quota of this county in the last loan.

The coming loan will be the easiest of any. Bonds will bear 4 1/2 per cent interest and are for four years only, the government reserving the right to call them in within three years. The bonds can be converted into 3 1/2 per cent bonds, which will be absolutely tax exempt.

County Chairman Millard has been notified by headquarters for this district that this county will receive ten German helmets to be distributed to loan workers. They will probably be distributed among the mayors through the county.

DIED

Marvin O. Tucker, 14-year-old son of Mr. and Mrs. J. J. Tucker of Ft. Ripley, died Monday evening at the Hall hospital from ruptured appendix. He was taken ill Sunday morning and was operated upon Monday evening in the hopes of saving him, but without avail.

The remains were taken to Ft. Ripley and the funeral was held from the church there Wednesday afternoon at 2 o'clock. Rev. Charles Fox Davis of Minneapolis officiating. Interment was in the Ft. Ripley cemetery.

John Matzko, a resident of this county for more than twenty-five years, died Wednesday afternoon at 3 o'clock at his home in Cudrum from tumor of the stomach. He was 56 years old.

Mr. Matzko is survived by his wife five daughters and one son. The children are all grown up. Deceased was born in Austria.

The funeral will be held from the Flensburg church this morning at 10 o'clock and interment will be at that place.

Mrs. Johanna Anderson of Green Prairie died Thursday morning of last week from heart trouble, after a brief illness. Mrs. Anderson was born in Sweden. She was 75 years old. Surviving her are her husband and several grown children. The funeral was held from the home Sunday afternoon at 3 o'clock and interment was in the Darling cemetery.

The infant son of Mr. and Mrs. John Wizek of Pike Creek, died Tuesday. The funeral was held Wednesday and interment was in the German Catholic cemetery.
