

COAL STRIKE OVER THE MAIL SITUATION

OPERATION OF THE COAL MINES WILL BE RESUMED AT ONCE.

Indianapolis, Ind., Dec. 11.—The miners' strike is ended. With but one dissenting vote the general committee of the United Mine Workers of America, in session here this afternoon, accepted President Wilson's proposal for immediate return to work pending final settlement of their wage controversy with operators by a commission to be appointed by him.

Men Ordered Back to Work.
Telegrams were sent out tonight to the 4,000 locals of the union by international officials of the miners, instructing the men to return to work immediately. Full instructions with regard to the agreement will be sent out tomorrow evening.

Operators tonight predicted full resumption of operations Friday and shipments of coal from the mines beginning Monday morning.

Miners, operators and government officials alike were highly gratified over the settlement tonight and all sides appeared confident of a final settlement of the fight by the commission.

Tie-up of Over Five Weeks Ends.
The action today ends a tie-up of the coal industry of more than five weeks duration and which was more far-reaching in its effects than any other in the history of the country. As a result of the strike the country was fast approaching a shutdown of industry and widespread suffering among its 100,000,000 inhabitants.

Decision of the miners came after many hours of debate, in which the radical element in the general committee made inflammatory speeches against operators and others interested in settlement of the strike and for a time threatened to defeat efforts to settle the strike at this time. The conservative element, led by Acting President John L. Lewis and Secretary-Treasurer Green, gained control of the situation this morning and succeeded in putting down practically all opposition by the time the question came to a vote.

CAROL SINGING AT CHURCH OF OUR SAVIOUR.

There has been for a number of years an attempt at the revival of the ancient custom of carol singing in the various countries abundant in memories of "Waits," "Mummers" and like bands of singers who went from place to place singing the simple carols of praise. Unlike the usual hymns the carol proper breathes the message of Christmas, "Peace on earth and good-will toward men." Who does not treasure the thrill of the story in "Good King Wenceslas?" Whose heart does not respond with a warmer glow to the "Adeste Fideles?" These bring the spirit of Christmas near, awakening a responsive chord in every heart.

The augmented choir of the Church of Our Saviour again this year is giving a carol service on Christmas eve. The choir will be assisted by stringed and wood instruments. Those who wish to sing will be made heartily welcome to practice with the choir. The idea is a community one and it is hoped that as many as possible will take advantage of this revival of carol singing here by being present on the evening of Christmas to welcome Him, through Whom peace came.

KLEBER MOVES INTO NEW LOCATION.

F. Kleber expects to move into his new place on First street southwest today. A new brick oven has been installed and the place has been entirely renovated and redecorated. Mr. Kleber is also adding machinery to facilitate the handling of his product. Due to the added store space it is likely some other line will be added than what he now carries.

BOARD OF COMMERCE

QUARTERLY MEETING OF MEMBERSHIP AT ELKS HALL MONDAY EVENING.

A quarterly meeting of the membership of the Board of Commerce will be held at the Elks hall Monday evening, beginning at eight o'clock, in the shape of a smoker.

There will be no particular program, but it will be a get-together occasion, although a number of matters will no doubt be taken up for discussion. The membership is urged to be present.

MEETING OF AMERICAN LEGION EXECUTIVE COMMITTEE.

A meeting of the executive committee of the American Legion was held Wednesday evening at the A. H. Vernon office, at which a resolution was passed favorable to the removal of Secretary of War Baker, on account of the release of Anton Brooms.

An entertainment committee was appointed composed of Archie Blake, Herman Tenen, Canova Tomelty, Richard Meyers and E. V. Wetzel. This committee will arrange for a dance to be given the first of the year.

An athletic committee was also appointed, made up of Dr. C. H. Longley, Wells Graham, Roderick Felix and J. S. Lewis. The local headquarters has lately received several challenges from nearby posts for basket ball games, and an effort will be made to organize a team and play these teams. Boxing will also be taken up.

Frank Gamon was appointed post adjutant.

Mr. and Mrs. Olof Olson and child of Forward, Sask., Canada, arrived in the city Wednesday for a few days' visit, enroute home from Wisconsin. Mr. Olson was a former resident of Little Falls, leaving here five years ago, and is now farming in Canada.

ASSISTANT POSTMASTER GENERAL SAYS COMPLAINTS WILL RECEIVE ATTENTION.

Postmaster Brick and Assistant Postmaster Brown are taking turns this week in accompanying the city carriers over their routes, this being one of the times of the year when mail delivery on the routes is checked. It appears that the amount of mail to be delivered on some of the routes cannot be delivered according to schedule and in fact not at all in the required time allowed per day, especially when the mail is as heavy as at present. The check is showing all the more the necessity of additional carriers.

In answer to complaints by citizens and the Board of Commerce in regard to the system installed, due to recommendations of inspectors recently, which matter is mentioned in another column, the first assistant postmaster general sent a telegram to the Board of Commerce Wednesday afternoon, stating that the matter will receive immediate attention.

Died

Chas. Sylvester received a telegram yesterday morning announcing the death of his mother, Mrs. Adelbert Kelly, at two o'clock that morning, at Ft. Collins, Colorado. Death followed an illness of three months and was due to adenoids. She was 65 years of age.

Mrs. Adelbert Kelly was born in Little Falls in 1854, and was the daughter of Mr. and Mrs. E. G. Kidder, who at the time of their death some years ago, were residents of Little Falls town, the old homestead being located just south of the city. She was married in 1874 to Chas. H. Sylvester, who died 5 years later. In 1883 she was married to Adelbert Kelly of Little Falls, they moving to Laramie, Wyoming in 1884, and in 1909 the family moved to Ft. Collins, Colo.

Besides her husband those who survive the deceased are Chas. Sylvester of Little Falls, Leroy and Floyd Kelly of Ft. Collins, Colo., the former being a former resident of Little Falls; Mrs. A. J. Lane of Santiago, Cal.; Mrs. Ben Clampton of Ft. Collins, Colo., children. Sisters of the deceased are Mrs. Louis Broling of Ft. Snelling; Mrs. Peter Morin, Tower, Minn.; Mrs. A. S. Campbell, Court d'Alone, Idaho; Mrs. T. Delvin, Little Falls, and a brother is John Kidder of Little Falls.

Mr. Sylvester left yesterday afternoon for Ft. Collins to attend the obsequies.

Mrs. Mary Jane Crossland passed away at her home in Little Falls Wednesday morning at 10 o'clock, after a long illness, at the age of 73 years.

Mrs. Crossland, who was Miss Eliza Shepard, was born in Wisconsin, coming to this country 42 years ago, the family moving to Swan River from Wisconsin in 1878. The past 10 years Mrs. Crossland has made Little Falls her home.

There survive her five children, Oscar of Union, Ore.; Elmer of Virginia; Arthur of Hermiston, Ore.; Edwin of Little Falls, and Mrs. Eva Meyers of Strool, S. D., all being here when Mrs. Crossland passed away. Mr. Crossland preceded her in death by 24 years.

The funeral will be held Saturday morning at 10 o'clock from the home, 762 First street northeast, Rev. Gregory officiating, and the remains will be interred in Oakland cemetery.

B. Y. McNairy is in receipt of word that his sister, Mrs. O. H. Doolittle, formerly of Sauk Centre, had died Tuesday morning at Lake City, aged 50 years. Death was due to cancer. Up to a year ago Mrs. Doolittle was for many years a resident of Sauk Centre, and is known to a number of Little Falls people as she had often visited here. Burial was at Lake City Wednesday.

FRANCE ISSUED SOUVENIR BOOKLET FOR AMERICAN SOLDIERS.

A souvenir booklet, dedicated "To Homeward Bound Americans" will be given by the French government to every American who served in the Expeditionary forces.

Upon receipt of instructions from the Adjutant General of the Army, Major R. E. Frith, U. S. Army, in charge of the Recruiting Office at 311 Nicolet avenue, has made plans to distribute approximately 20,000 booklets to Minnesotans who saw service overseas. An introductory paragraph gives the purpose of the booklet: "To state in few words what your presence has meant to the French people, to express to you their gratitude and to recount briefly the part you played in winning the World War."

Soldiers of the American Army are credited by the French government with being largely instrumental in winning the war, according to this booklet. The memorial is a history in tabular form of America's participation in the war, beginning with the battle of Cantigny, where the First Division made history, to the attack on the heights of Sedan, just before the armistice was granted.

In order that every overseas veteran receives a copy of the booklet, the Recruiting Office is arranging to distribute them through the American Legion, or in co-operation with the various Legion and World War Veterans posts throughout the state.

J. H. Eich returned Wednesday from a business trip to St. Cloud.

The Kensington Embroidery club was entertained yesterday afternoon at the home of Mrs. F. E. Hall on Second street southeast.

VOLUNTEERS IN 1864

CERTIFIED LIST OF CIVIL WAR ENLISTMENTS FROM LITTLE FALLS TOWN.

While going through some old papers E. M. LaFond ran across a certificate issued from the office of the adjutant general of Minnesota, August 11, 1864, giving the names of 17 of the men who volunteered during the war from the town of Little Falls, three of whom resided. T. J. Hyson of Little Falls, is believed to be the only one of the number now living.

Among those in the list that may still be remembered by some of our citizens are: John Currie, William L. Dow, Henry Meyers, Duncan N. McDougall, Joseph Roy and William Rasiett. The others were Boyce McCormick, Charles Darby, H. A. Gibson, Wm. F. Morse, Amos McGee, J. L. Nash, Henry Disher, Mathias Waggoner, Uriah F. Allen and Sumner Tyler.

On account of the historical value of the document it will be sent to Minnesota Historical society.

STOCK BEING SHIPPED.

Sam LaFond, manager of the Little Falls Shipping association, shipped a car of cattle and hogs to the South St. Paul markets Wednesday, the car totaling about \$2,200. He will ship a car of hogs today. An average of about two cars of stock a week have been shipped for several months.

Mr. LaFond states that cattle shipped from here are bringing from 5 1/2 to 9 cents, but that hogs are down, the top price being \$12.60. A car of hogs brings approximately \$2,500.

He states that a great deal of stock is now being shipped to market from all parts of the country.

The lot just north of the American Grocery store on First street southeast has been purchased by L. V. Tanner from G. W. Firnstahl, on which site some time in the future it is likely an office building will be erected for the use of the milling company.

FARM BUR'U ANNUAL

MEETING BIG SUCCESS; OFFICERS ELECTED—REPORTS READ AND DISCUSSED.

(By County Agent Campbell.)
The annual Farm Bureau meeting held at the city hall on Saturday, was attended by men and women very much interested in the agricultural development of Morrison county.

The forenoon session was confined to the secretary-treasurer's report, which was accepted by the auditing committee. J. J. Jacobson, president of the Farm Bureau, called the afternoon session to order at 1:30, and spoke of the benefits the Morrison county farmer had received as a result of county agent work. He made particular mention of the value of blackleg treatments and the oat smut control.

The president then called upon the members of the executive committee for five-minute reports.

E. P. Nauertz was the first to respond and told of the work accomplished in standardizing potato varieties, and of growing pure seed. Mr. Nauertz, who is one of the directors of the State Potato Growers' Exchange, said that the Farm Bureau had a big task ahead for the year to acquaint local organizations with the State Exchange.

Samuel Hammerbeck spoke of the close relationship of the Farmers' club and the Farm Bureau, of things accomplished by community co-operation and the need of closer relationship.

Pure bred sires and better cows was the subject discussed by Victor Beckman, who represents the dairy interests on the Farm Bureau board. Better sires means better herds and better herds return larger profits and give the owner a far better financial standing said Mr. Beckman.

"As unto the string the bow is, So unto the man the woman it," Each useless without the other."

Thus began Mrs. L. D. Brown who represents the women's interests on the Farm Bureau board. Better sires means better herds and better herds return larger profits and give the owner a far better financial standing said Mr. Beckman.

"As unto the string the bow is, So unto the man the woman it," Each useless without the other."

Thus began Mrs. L. D. Brown who represents the women's interests on the Farm Bureau board. Better sires means better herds and better herds return larger profits and give the owner a far better financial standing said Mr. Beckman.

The object is contentment whether it comes through better living, better homes, better schools, or what not. The women are as much a part of the program as the men and close co-operation of the two departments will bring it about.

I. W. Bouek urged the closer relationship between rural and urban people. Mr. Bouek explained that when he once sold goods over the counter he was always glad of the opportunity to go out to farmers' meetings—that acquaintance led to understanding and the breaking down of the bars of suspicion and doubt.

O. P. Jacobson, former county agent, modestly spoke of the work of the Farm Bureau in the past. He stated that the work on potatoes alone would justify the expense of the Farm Bureau work. Mr. Jacobson says that Hillman will be a noted potato district if the plans already started are kept up.

Miss Susan A. Hough arrived on a late train from the cities, where she had taken her prize canning team. The hot lunches have been established in 56 out of the 147 schools in the county. Bread and Canning clubs have been established with great success.

Following Miss Hough's report, C. B. Campbell, the present county agent presented a program of work for the coming year. The program as outlined follows:

Suggestive Program of Work for 1920

1. Dairying. (a) Cow testing association to organize. (b) Feeding—1-Balance rations; 2-Meetings and demonstrations; 3-Home-grown feeds; 4-Use of silage.

2. Poultry—Improvement by (a) Seed selection and treatment. (b) Demonstration plots. (c) Purchase of pure seed. (d) Limiting to varieties adopted. (e) Potato shows, tours.

3. Poultry—Improvement by (a) Culling demonstrations. (b) Encouraging pure bred birds. (c) Poultry show. 4. Co-operative enterprises—(a) Creameries—encourage co-operative creameries of butter to New York (local freight rate 2c per lb., car rate 1 1/2c.) (b) Potatoes—organize co-operative marketing associations to work through the state exchange.

5. Organization. (a) Farm Bureau—enlarge the membership. (b) Farmers Clubs—strengthen old and establish new clubs. (c) Co-operation—with existing organizations.

6. Tours. (a) Silo tour to encourage construction of more silos. (b) Potato plot tour to show diseases and means of eradication.

7. Crops. (a) Encourage use of tested and best varieties. (b) Encourage use of covers. (c) Seed treatment. 8. Soil fertility. (a) Growing legumes. (b) Making the best use of manures. (c) Crop rotation.

A. D. Wilson was then called upon for an address. Mr. Wilson said he was so interested in the remarks made by the executive committee men that he would rather listen to a continued discussion of the program of work offered by Mr. Campbell. It was really surprising, said Mr. Wilson, how thoroughly a man could cover the territory, come to so complete an understanding of the problems, and grasp the situation in so short a time.

County agents have accomplished a wonderful amount of work, continued Mr. Wilson, in spite of the fact that during the past one and one-half years over 60 of the 83 men employed have left the service. The potato work alone was a big job and the state is

WEST SIDE GARAGE WOUNDED BY SHOT

TO BE LOCATED IN LEMANCZIK BUILDING—TO OPEN JANUARY 1.

The West side is to have a garage, John Karnowski, Joe Glizek and Lawrence Dombovy, being the men interested. It is to be located in the Lemanczik building, remodeling is being started Tuesday morning, and it is planned to begin business January 1.

Mr. Karnowski is to have charge, but will not sever his connection with the grocery store. Mr. Glizek is to look after the repair work and Mr. Dombovy's time will be employed about the garage also.

The concern which will be styled the West Side Garage, will store cars and will also be sub-agents for the Chevrolet, Hudson and Essex cars.

NUMEROUS HUNTERS AND FISHERMEN.

It is no doubt rather surprising to know the real number of hunters and trappers that Morrison county possesses. During the small game season 725 licenses were issued by County Auditor McNairy, 332 big game licenses and up to the present time there have been 125 trapping licenses issued. There have also been 46 non-resident fishing licenses issued. Calls for wolf bounties are just commencing to come in, only a few warrants having been issued.

Mrs. James Fearing, who was visiting her daughter Mrs. Robert Wandy in Chicago, returned Tuesday evening.

The board of audit composed of Chairman Henry Gasser, Clerk of Court Stoll and County Auditor McNairy finished their work Wednesday and found the treasurer's books checked up o. k.

A large number of the Knights of Columbus heard Father O'Driscoll of Randall, speak on "Knowledge is Power" at their meeting Tuesday evening. Lunch and cigars were partaken of after the close of the meeting.

FINGERS TAKEN OFF

OTTO OLSON OF PIKE CREEK GETS HAND IN CORN SHREDDER.

A badly injured left hand was the result of an accident to Otto Olson of Pike Creek Saturday, when it was drawn into a corn shredder, all the fingers being taken off and bones of the hand broken.

He was taken to St. Gabriel's hospital and the hand was dressed by a local surgeon.

making rapid strides in the improvement and marketing of the crop.

In speaking of the women's work, Mr. Wilson said its value could not be overestimated. A man might have the desire to be a successful farmer, but without the assistance and guidance of the wife, it would be futile to attempt it.

Following Mr. Wilson's address, the nominating committee presented the following officers who were elected by unanimous vote:

President—J. J. Jacobson. First Vice President—I. W. Bouek. Second Vice President—Adolph Peterson. Secretary—Albert Johnson. Potato Improvement—E. P. Nauertz. Crops—O. P. Jacobson. Farmers' Clubs—Samuel Hammerbeck. Dairying—Victor Beckman. County Commissioners—John Berglund.

Schools—Miss Eliza Batzer. Women's work—Mrs. L. D. Brown. The executive committee is composed of all the above officers.

RAY ANDERSON ACCIDENTALLY SHOT WHILE RIDING IN CAB.

Brainerd Dispatch (8): Charged with shooting a man in the back, Ross Sarge, age 18, and Alfred Satre, age 16, are in the county jail. Both were taken in custody at four midnight Saturday when Sheriff Claus A. Theorin traced their tracks through snow to their respective homes in Oak Lawn township.

"Let's shoot out that fellow's tail light," young Sarge is reported to have said to his companion, Satre. And he fired and hit Ray Anderson.

The boys had been out with a .22 rifle and had a box of cartridges. Sarge, as Satre told in his confession to the sheriff, raised his gun and fired at a passing car near the Duluth farm. Satre said the bullet missed and he heard it pop through the rear curtain.

Ray Anderson, seated beside his wife in the rear seat of the car, cried out, "I'm hit." The bullet had penetrated his back near his neck. Mr. and Mrs. Anderson are Ironton people, and were on their way to Brainerd to take a train to Canada, where they intended to visit.

A friend hailed them in Ironton and invited them to ride with him to Brainerd and they accepted the proffer. Near the Duluth farm, said Anderson, they passed the two lads, one carrying a bunch of traps and the other a rifle.

Then followed the shots. The driver wished to turn about and get the boys, but Anderson's wound held so and pained so much that he wanted to go to Brainerd for treatment.

Physicians continued their probe for the bullet and Monday morning X-rayed his back. He is resting easy so far and no serious consequences are feared.

Sheriff Theorin was soon on the scene and tracked the lads home. Sarge and Satre in bed and later confessed. He carried a .32 revolver and has previously been in juvenile court.

Mr. Anderson is a former Little Falls boy, having resided on the West side for a number of years. His wife was formerly Miss Ada Lindahl of Darling.

Married

Wednesday afternoon at 3 o'clock at the home of the bride's parents, Mr. and Mrs. Thomas R. Aiton of Alexandria, occurred the marriage of Mr. Ernest J. Carlson of Little Falls and Miss Mayme Grace Aiton, Rev. A. D. Stauffaker, pastor of the First Congregational church, officiating.

The couple was attended by Miss Gladys L. Aiton, cousin of the bride and Axel R. Carlson of Chicago, a brother of the groom.

The bride was prettily attired in a suit of brown with black velvet hat and wore a corsage bouquet of pink roses.

The bridesmaid wore a brown suit of gabardine with hat to match and a corsage bouquet of white sweet peas.

The nuptial vows were taken in the parlor, the wedding party marching in to the beautiful strains of Lohengrin's wedding march, played by Mrs. C. C. Buntz. Preceding the ceremony Miss Marguerite Wright sang "Love Like the Dawn Comes Stealing."

A three-course buffet lunch was served after the ceremony by Mesdames Wm. T. Aiton and Arthur R. Aiton and Miss Elin Carlson, sister of the groom.

The parlor decorations were flowers and evergreens, the color scheme throughout being pink and green.

The bride is the youngest daughter of Mr. and Mrs. Thos. R. Aiton, was born and grew to womanhood in Alexandria, is a graduate of the Alexandria high school and attended the Little Falls Business college in 1917. For the past two years she has been employed in the business office of the Alexandria Post-News. The bride, who is favorably known by a number of our young folks, is a young lady of charming personality and a favorite with her many acquaintances.

The groom, the oldest son of Mr. and Mrs. O. R. Carlson of the West side, is a valued employe of the Herald Company, having been with this company the past seven years, serving in the capacity of city editor and doing general office work, with the exception of 11 months, when he was enlisted in the aviation service of the army in the World war, spending four months overseas. He is a young man of ability and integrity, in all an exemplary young man.

Out-of-town guests at the wedding were Mr. and Mrs. O. R. Carlson, Theodore Carlson and Misses Elin and Evelyn Carlson of Little Falls, Mr. and Mrs. Arthur R. Aiton of Evansville and Axel R. Carlson of Chicago.

On their return to Little Falls Mr. and Mrs. Carlson will make their home on Third street southwest.

Their numerous friends offer sincere congratulations for a long and happy wedded life, in which the Herald force is pleased to join.
