GORDON MOTOR COMPANY AND E. A. BERG & COMPANY TO BUILD ON WEST SIDE.

The West side in Little Falls is slated for several business additions next spring. The Gordon Motor company has purchased the property at the corner of Broadway and Second street southwest, formerly occupied by the Morrison County Lumber company shed, where they will erect a garage as well as weather conditions permit building operations. E. A. Berg & Company have also purchased lots on the West side, just west of the Schreiber building, where they will erect a garage and sales room early next spring.

Musical Art Club

Last Friday evening a very interesting talk on "Education in India" was given at the Maud Moon Weyerhaeuser hall by Rabinara Chandra Nag, under the auspices of the Musical Art club. Mr. Nag, who is a Hindu, and but 23 years old, is a student at the Minnesota university. He was sent to this country to study at the Columbia university by the Indian government but when the war broke out he was obliged to continue the studies at his own expense or return home, and he then enrolled at the Minnesota university.
