Did Not Answer Question.
Advertiser—"What is the circulation of your paper?" Business Manager—"Our presses have a capacity for producing one hundred thousand perfect copies an hour—yes, sir, one hundred thousand an hour, all cut and pasted and folded—yes, sir! And here, sir, is a detailed and absolutely perfect photograph of one of the presses. Look at it yourself!"

Rainy Day and Business.
Someone figured that a rainy day cost New York an unconscionable amount of money. Women, he explained, disbursed 85 per cent of the money earned by men. On rainy or dark days they remain indoors mostly. Store sales were curtailed, traffic reduced and nearly every class and character of business was affected adversely. Theaters, movie shows, ball games and general amusements suffered seriously.

SWANVILLE

May 19.—Mr. and Mrs. O. H. Kolbe and children and Mrs. J. Pennie motored to Long Prairie Friday afternoon and returned to their home here Saturday.

MINNESOTA BINDERS, MOWERS, REAPERS

are guaranteed by the state of Minnesota. From raw material to finished product, these machines are manufactured under the supervision of State-employed experts.

All important points such as lightness of draft, ease of operation, smoothness of running gear and long-wearing qualities can be absolutely relied upon in the Minnesota Line of farm machinery.

They are made right.
They work right.
They are priced right.

The Minnesota Mower has many points which give it superiority. Among them are:

- Large Wide-faced Wheels. Strongly Built Frame.
- Four-pawl drive each side. Vertical Lift.
- Wide-range tilting bar. Automatic clutch shift.
- Special oiling system on crank shaft and crank pins.

All our dealers carry a liberal supply of repair parts. If you have any difficulty in locating a dealer write direct to

Diamond Sign Jewelry Store

Mr. Car Owner:

Let us save you money on your tires.

If you have any tires which you think are no good bring them in. Let us look them over and we will give you our honest opinion, whether or not they are worth repairing. If they are not worth repairing we will buy them from you.

Tires which are blown out at the bead, rim cut, broken bead, rut wore, stone bruise or blown out, no matter how large the break in your tire, it can be repaired. We absolutely guarantee satisfactory mileage per dollar on your investment in our repair work.

We also repair cord tires, and we are installing machinery to handle any size from a 30x3 to a 40x8.

We carry the largest stock of tires of anyone in Morrison county. The Mohawk, Goodrich and United States. If you buy a tire from us, never discard it, even if it has given you the miles guaranteed. Let us examine it first and if it had blown out on account of a defect in the workmanship, you are still entitled to an adjustment.

Our aim is to give each and every one, who buys tires from us or has repair work done through us, perfect satisfaction.

And if you have already bought tires from us and you think you have not got your mileage out of them, bring them in to us and we guarantee you will be a satisfied customer before you leave.

We also carry a large stock of accessories, such as chains, pumps, jacks, blow out boots, patches, lug wrenches and tire covers.

"Prompt Service" is our motto
