Reduce The High Cost Living

You can beat the high cost of living by trading at our store. Many stores, jobbers and manufacturers throughout the country can reduce their prices from 20 to 30 per cent and still not be down to where our regular prices are today. Besides we close out a good many odd lots of goods way below the market price. For instance—we have placed upon one of our tables about 50 men's Slipon raincoats at

About 50 pair girls' an misses' shoes at \$1.95

About 50 pair boys' outing shoes at \$1.75

About 50 pair men's dress shoes at \$3.00 to \$6.50

Children's brown duck coveralls at \$1.95

Every article in our store is fairly and reasonably priced and only dependable merchandise sold.

Ford

THE UNIVERSAL CAR

The Ford Sedan, with electric starting and lighting system, demountable rims with 3 1/2-inch tires all around, is the ideal family car because of its general utility and refined and comfortable equipment. Finely upholstered. Plate glass windows. An open car in the spring, summer, and early fall. A closed car in inclement weather and winter. Rain-proof, dust-proof. In the city or the country, a family car. The low cost of operation and maintenance is not the least of its charms. Won't you come in and look it over?
