

LITTLE FALLS HERALD

MAKES A GETAWAY

TED GREST, BOOKED FOR REFORMATORY, SLIPS ONE OVER ON POLICE

A regular Grever Cleveland Bergdoll escape was effected Wednesday evening by Ted Grest of this city, who was taken into custody that evening by the local police for commitment to the state reformatory. He was brought to the county jail by Patrolman Lambert to be incarcerated until he could be taken down. He begged the sheriff to permit him to go home to see his mother and he finally persuaded the sheriff. Patrolman Lambert accompanied Grest to his home and entered the home with him. Grest went upstairs and that was the last seen of him, escape being effected by going through the window and clambering down over the edge of the porch.

Sheriff Felix has notified the authorities in all the surrounding towns and he will probably not get very far. The young man was out on bonds.

Grest was arrested last fall for the theft of a quantity of liquor from the basement of the Buckman hotel building, belonging to Mathias Miller. He pleaded guilty and was sentenced to the reformatory for a term not to exceed five years but sentence was suspended.

Recently Grest was again arrested on a charge of carnal knowledge and Judge Parsons of Fergus Falls, who gave him the suspended sentence, revoked the suspension and ordered Grest committed to the reformatory to serve the sentence.

DRUG STORE SOLD

L. D. BROWN SELLS OUT TO T. STREUKENS AND A. LOV. DAIL OF CROSBY

L. D. Brown, who for twenty-eight years has been proprietor of the Pioneer drug store, now located in the "Y" block at the corner of Broadway and Second street east, on Wednesday morning sold out to Messrs. Arthur Lovdahl and Theodore Streukens of Crosby. The store owners took possession the same day.

Mr. Streukens is not a stranger in Little Falls as he was employed in the L. D. Brown drug store about three years ago. Mrs. Streukens is the daughter of A. D. Harrison of this city. Mr. Lovdahl is the proprietor of a drug store at Crosby and he will remain there. Mr. Streukens taking charge of the store here.

Mr. Brown has decided to take a well earned rest. He started in the drug business here twenty-eight years ago, buying out John Wetzel, who was then operating the store in the place now occupied by the Kleber Bakery. Five years later the store was moved to the Lindberg block, now known as the Monahan block. The store was six years later moved to where Walter Folsom's music store now is and two years later was moved to its present location in the "Y" block. The speed with which Mr. Brown moved his store each time was regarded as quite remarkable, as he would be doing business up to closing time one day in one place and the next morning he would be in his new location, ready to do business.

OLD JOHN SMITH, 133 YEARS OLD, WAS IN TOWN

Seven Chippewa Indians, including famous old John Smith, were in Little Falls Tuesday and they gave a vaudeville performance consisting of old Indian dances and war whistles, etc., at the Lowell theatre that evening.

Smith, who is 133 years old, was very active and participated in the dances. He was the center of attraction at the station platform Tuesday noon, when he came here from St. Cloud, and he must have sold several hundred postal card pictures of himself to the curious people.

NEW CONCRETE BRIDGE AT RANDALL

A. B. Peterson, bridge contractor, was on Tuesday afternoon awarded the contract for the construction of a concrete bridge over the Little Elk river at Randall, by the county commissioner and the village council of Randall, in a joint special session at the court house here. Mr. Peterson's bid was \$5,650.

The old wooden bridge was destroyed at Randall recently when the big county tractor broke through it.

Work on the new bridge will commence at once.

CROP OUTLOOK IS GOOD

N. N. Bergheim, local representative of the federal land bank at St. Paul, made a tour through the county last week examining the crops for the purpose of submitting a report asked for by the bank. He covered most of the county and found crops good everywhere, particularly small grains, and he reported crops in this county 85 per cent normal. Hay was very above normal, small grains were average and potatoes and corn were slightly below average, due to the excessive rainfall this spring.

MINNEAPOLIS YOUTHS PICKED UP HERE

Two lads, Leo Simpson, 14, and Alfred Nordstrom, 15, were taken into custody Monday evening by Priesinger, N. P. agent, and placed in the county jail. He got in touch with their parents in Minneapolis and they sent money for their return. The boys were found sleeping in a box car and said they were on their way to the North Dakota harvest fields.

MEETING OF COUNCIL

TRACTOR BIDS REJECTED—EQUALIZATION BOARD REPORTS INCREASE IN ASSESSMENTS

The city council met in adjourned regular session Wednesday evening, all aldermen present except Moeglein.

The clerk read a statement of disbursements for the first quarter.

A report of the proceedings of the board of equalization was also read by the clerk. The report showed an increase of over \$11,000 on personal property and of over \$16,000 on real estate.

Mayor Bergheim submitted a list of appointments of library board members.

An appropriation of \$300.00 was made to the fair society for the 1920 county fair.

Gust Dahlquist of the West Side Garage made application for a permit to put in a cement approach to the sidewalk in front of the garage. The matter was referred to the street committee with power to act.

A communication from the secretary of the Board of Commerce, calling attention to the need of a comfort station in Little Falls, was read. No action was taken.

The street committee was authorized to arrange for a suitable traffic sign at the Broadway and First street square. The Automobile club was granted permission to put up guide signs at the Broadway and First and Fourth street intersection east and Broadway and Second west, subject to the approval of the street committee.

Clerk was instructed to notify the Water Power company to install four white water posts on the north side of First avenue southeast, between First and Second street. A resolution to this effect was passed.

Several aldermen reported having received numerous complaints about streets being blocked for paving. It was pointed out that the street commissioner has full power in the matter of street work and that he should see to it that streets are blocked only where absolutely necessary.

Bids were opened for tractors, only two bids being received, from the Topp-Stewart Tractor company and Henry Nathe. The bid of the first named was \$3555.00 for a 30-45 tractor and the latter \$2950.00 for a 22-40 tractor.

A telegram was received from Ray Boyd, offering to take in the old city tractor on a new one. Several aldermen and the mayor opposed the proposition and all bids were rejected. The council, however, allowed Mr. Boyd \$25.00 for the work done here last week while demonstrating his tractor.

The street commissioner was instructed to collect \$1.00 per day for the use of the city dump wagons, and that permission for use of the wagons be obtained from the street committee.

The street commissioner was instructed to make fills wherever needed for sidewalks, after permits have been granted for building the walks.

The fire committee was instructed to learn what repairs are needed on the city fire whistle at the papermill. The whistle has been out of commission.

City Attorney Vernon reported on what advice he was given by a Minneapolis bonding attorney as to financing paving. The attorney approved proceedings up to date and Mr. Vernon said he was certain that the bonding attorney would approve the bond issues. As to the floating of the bonds, it was found that the market is better than people here had been led to believe and that the work can be financed without aid from the local banks.

Council adjourned to July 28.

FRIDAY, JULY 30—DIPLOMAS TO 79—ADDRESS BY INSPECTOR SELKE

Seventy-nine graduates of the rural schools of Morrison county will receive their diplomas at the county graduation exercises to be held at the court house auditorium on Friday of next week. The exercises will begin at 1:30 p. m., and the public is invited to attend.

All those who graduate passed four state examinations, arithmetic, geography, grammar and history, which are required in order to get a diploma.

Following is the program for the graduation and the names of the graduates.

Music
Chorus, Swanville Consolidated School.
Oral Spelling Contest
Best Spellers from Rural Schools
Solo, Selected... Miss Naomi Chapman
Canning Demonstration
Evelyn Newman, Eva Gish, Helen Houston, Cushing.
Graduation Address
Geo. A. Selke, Rural School Inspector.
Presentation of Diplomas
Eliza Batzer, County Superintendent.
Song—America
Audience
Morrison county eighth grade graduates, 1920:
Aleshire, Edna, Lincoln, district No. 76.
Anderson, Bertha, Little Falls route 1, district No. 12.
Anderson, Vivian, Swanville, route 2, district No. 22.
Barton, Roman, Royalton, route 4, district No. 8.

Youngdahl, Little Falls, route 1, parochial school.

Died

Stephen Gross Sr., a pioneer resident of Morrison county, died at his home in Granite, Wednesday afternoon at 5 o'clock, aged about 72 years. Mr. Gross had been in feeble health for over a year.

Besides his wife he leaves six grown children, three sons and three daughters, Theodore, John and Frank of Granite, Mrs. John Paulson and Mrs. Hubert, Virnie of Granite and a daughter Mary, who is married and lives in the West.

Theodore Gross of Pierz and John and Joseph Gross of Granite are brothers, and Mrs. K. Bockhorn of Minneapolis is a sister of the deceased. Mrs. P. J. Vasily of Little Falls is a niece.

The funeral will be held from the Catholic church at Lastrup tomorrow morning.

The two-month-old son of Mr. and Mrs. Anthony Korich of Minneapolis died Thursday evening of last week. The little boy had not been well since born. The remains were brought to Little Falls Saturday and the funeral was held from Sacred Heart church Saturday afternoon at 3 o'clock, Father Altendorf officiating. Interment was in Sacred Heart cemetery.

"Red" Taber, Len Schroeder, Brand and Armstrong of the Little Falls team went to Ironton yesterday to play with Ironton in two games against Brainard.

Mr. and Mrs. T. C. Gordon, Mrs. W. M. Gordon and children of this city and Mrs. C. E. Richardson of Minneapolis went to Birch lake yesterday for an outing.

Miss Susan Hough, county demonstration agent, conducted a canning school at the high school yesterday. Today the members of the canning teams will receive further instruction from Geo. F. Howard, boys' and girls' club leader. Mr. Howard and Miss Hough will go to Swanville tomorrow for the same purpose.

MAN WHO MURDERED HIS CHILDREN, HANGS SELF AT PRISON

John Wozniak, who has been serving a life sentence at the state prison for the murder of three of his children on the farm in Swan River two years ago, committed suicide in his cell at the prison Tuesday morning by hanging himself. Insanity was the cause.

Wozniak was committed to the prison on September 3, 1918. He was about to be transferred to the hospital for the criminal insane at St. Peter.

The triple murder for which Wozniak was sent to prison was one of the most gruesome ever perpetrated in this territory. While the children were asleep in bed he slashed their throats. He said that he did it because they were starving.

The remains arrived in Little Falls Wednesday evening and the funeral will be held from the Sobieski church this morning at 10 o'clock.

MORE POTATO DEMONSTRATIONS SUCCESS

The demonstrations in potato diseases given throughout the county last week under the direction of the Farm Bureau by Frank Frolick, have been so successful that more demonstrations are arranged for next week. The potato fields on the average have been quite free from disease. Blackleg is most common. Dry stem rot is usually present in varying amounts and early dwarf is generally present in early varieties. Wilt, although not common, was found to injure the crop to the extent of five per cent in one field.

All these diseases can be eliminated by seed treatment and careful handling by the seed plot method. The Farm Bureau is strongly urging every farmer to grow a seed plot and rid his field of the diseases which are shown in these demonstrations. Farmers who have treated the seed and rid the tubers of diseases and practiced seed selection have secured much higher yields than before. From 25 to 50 bushels per acre is often realized.

The demonstrations for next week have been arranged as follows:
E. J. Skoog, Little Falls, route 3, July 27 at 9 a. m.
Jos. Slinger, Bowlus July 27 at 11 a. m.
Rudd Batzer, Royalton, July 27 at 2 p. m.
John Wright, Royalton, July 27 at 4 p. m.
W. B. Solt, Ramey, July 28 at 10 a. m.
E. S. Stayton, Foley, July 28, at 2 p. m.
Albert Strauch, Hillman, July 29 at 10 a. m.
Chas. Wollin, Hillman, July 29 at 2 p. m.
Roy Vaux, Hillman, July 29 at 4 p. m.

GUERNSEY BREEDERS TO MEET

The Guernsey breeders will meet at Farm Bureau office on Saturday, July 31, at 2 o'clock. The purpose of this meeting is to stimulate interest in pure bred guernsey in Morrison county.

The Guernsey breeders are enthusiastic boosters for the Better Sires Better Stock campaign and will do everything possible to banish the scrub bull from Morrison county. The meeting will be a live one. Everyone is urged to attend.

OLASSEN HOME BURGLARIZED

The home of Mr. and Mrs. J. E. Claassen of Little Falls town was entered and burglarized Sunday evening while the members of the family were away from home. A sum of money was secured, also a quantity of food. A safe in which Mr. Claassen keeps valuable papers, etc., was tampered with but could not be opened. An investigation is being conducted and it is hoped that the guilty parties will be apprehended soon.

TEACHERS' EXAMINATIONS NEXT WEEK

Examinations will be given at Little Falls and Royalton high schools next Monday, Tuesday and Wednesday, July 26, 27 and 28, for common school certificates. Enrollment for the examinations will begin at 8 a. m. Monday morning.

Alfred Olson, carrier on rural route 3, is on a 15-day vacation and A. J. Green is taking his place.

The committee in charge of the Morrison county exhibit at the state fair is meeting with success in the collection of exhibits and is getting some mighty fine samples. About twenty-five different samples of wild grasses have been obtained, all of them fine specimens. Only twenty are required. The committee is now collecting small grains and Miss Hough is putting up fruit exhibits. More samples of corn and threshed grains, such as buckwheat, timothy, clover, etc., are wanted.

Born

MARTIN—To Mr. and Mrs. Fred Martin, Thursday, July 22, a daughter.

BRUTSCHER—To Mr. and Mrs. Jacob Brutscher of Belle Prairie, Saturday, July 16, a son.

KANIESKI—To Mr. and Mrs. Anton Kanieski of Swan River, Saturday, July 17, a daughter.

Municipal Court

Peter Entringer of Swan River pleaded guilty before Judge Lyon Friday to charges of assault and abusive language and was fined a total of \$27.00.

Entringer, John, Pierz, parochial school.

WOZNAK A SUICIDE

MAN WHO MURDERED HIS CHILDREN, HANGS SELF AT PRISON

John Wozniak, who has been serving a life sentence at the state prison for the murder of three of his children on the farm in Swan River two years ago, committed suicide in his cell at the prison Tuesday morning by hanging himself. Insanity was the cause.

Wozniak was committed to the prison on September 3, 1918. He was about to be transferred to the hospital for the criminal insane at St. Peter.

The triple murder for which Wozniak was sent to prison was one of the most gruesome ever perpetrated in this territory. While the children were asleep in bed he slashed their throats. He said that he did it because they were starving.

The remains arrived in Little Falls Wednesday evening and the funeral will be held from the Sobieski church this morning at 10 o'clock.

MEASURES PASSED AUTHORIZING FUND TRANSFERS AND BOND ISSUES

At an adjourned regular meeting of the city council Friday evening arrangements were made to float bonds for paving and sewer work in this city. The finance committee submitted a report, recommending that \$3,000 be transferred from the revenue fund to the permanent improvement fund to meet immediate liabilities, and the transfer of \$7,000 from the revenue fund to the revolving fund, this money to be returned to the revenue fund when bonds are sold. The report also recommended the issuing of \$40,000 worth of bonds for the permanent improvement fund and \$95,000 for the revolving fund, one-twentieth of the amounts to mature August 1 of each year for twenty years, at 5 per cent interest.

The report of the finance committee was accepted and after consideration two ordinances and two resolutions covering same were passed.

The city attorney and the chairman of the finance committee were instructed to go to the twin cities and confer with a bonding attorney regarding the sale of the bonds.

Council adjourned to Wednesday.

NEW WATER MAIN ON FIRST AVE. SUE SOUTH

At a special meeting of the city council Monday afternoon the matter of putting in a new water main on First avenue southeast, between First and Second streets, before that street is paved, was considered.

L. P. Runkel, representing the Water Power Company, was present and he stated that the company was not anxious to put in the main, as the revenue from same would not warrant the expense, estimated at about \$2,200.

The councilmen felt that it was very important that the main be put in before paving is done and it was therefore agreed that if the Water Power company would not put in the main the city would do so. The only hitch was the question of financing the work.

Mr. Runkel finally offered to pay for the installation of the main if the city would install it. The council accepted his offer and the work was ordered done under the supervision of the street commissioner, by day labor.

The old main on this street is but a two-inch main which was put in by the city for the city hall. Several property owners on the street are served from this same main and it is inadequate.

HURT AT SAW MILL

Axel Carlson, superintendent of the deadhead sawmill here, was badly injured Monday morning just as the mill was starting up for the day's run when his one-piece overall suit caught in the machinery. His back was badly bruised and considerable skin was scraped off his back and legs.

William O'Shea of Minneapolis, formerly of this city, was here Tuesday and submitted a bid for the construction of a concrete bridge over the Little Elk river at Randall.

Mr. and Mrs. A. G. Rutledge of Minneapolis were in Little Falls calling on friends Wednesday, enroute from Crosby, where they attended the editorial outing, to Glenwood for a visit with friends.

The Luther League of the Bethel Lutheran church, West Side, will be entertained at the home of Mr. and Mrs. O. E. Carlson, 410 Second avenue, southwest, this evening. Refreshments will be served. All are welcome to attend.

Miss Esther Cooley, clothing specialist from the state university, will conduct sewing schools at Randall on Thursday of next week and at Swanville on the following Friday. Miss Hough, county demonstration agent, will accompany her and assist in the instruction.

Mr. and Mrs. O. E. Nelson of Marietta were in the city this week visiting Mrs. Nelson's sister, Mrs. Archie Olson. They were on their honeymoon, coming here from Hawley. They left the middle of the week for Marietta, accompanied by Miss Lottie Olson, who has been visiting at the Olson home. The last named is a sister of Mr. Olson.

The noon-day camp site on Maple Island has been discontinued as the result of some tourists abusing the privileges there and using it for night camping ground, as well as going onto private grounds nearby and destroying property. At the night camp grounds boxes have been put up containing registration books, in which the tourists are asked to register.

P. J. Barry of Duluth was in Little Falls Wednesday gathering data for the Duluth Boosters club, which will make a tour of this section of the state in the near future. Among the cities to be visited on the tour are Bemidji, Wadena, Detroit, Little Falls, St. Cloud and Foley. Mr. Barry is automobile editor of the Duluth News-Tribune.

Three new Jefferson Highway signs will probably be put up in the city soon by the Little Falls Automobile Club. They are special electrically lighted JH signs and are made in two different styles, round and diamond shaped. One will be placed at Broadway and First street intersections and the other two will likely be placed at points where the highway enters the city. Two of the signs will be purchased by the Automobile Club and E. B. Millard has offered to pay for a third.

DOINGS OF COUNCIL

MEASURES PASSED AUTHORIZING FUND TRANSFERS AND BOND ISSUES

At an adjourned regular meeting of the city council Friday evening arrangements were made to float bonds for paving and sewer work in this city. The finance committee submitted a report, recommending that \$3,000 be transferred from the revenue fund to the permanent improvement fund to meet immediate liabilities, and the transfer of \$7,000 from the revenue fund to the revolving fund, this money to be returned to the revenue fund when bonds are sold. The report also recommended the issuing of \$40,000 worth of bonds for the permanent improvement fund and \$95,000 for the revolving fund, one-twentieth of the amounts to mature August 1 of each year for twenty years, at 5 per cent interest.

The report of the finance committee was accepted and after consideration two ordinances and two resolutions covering same were passed.

The city attorney and the chairman of the finance committee were instructed to go to the twin cities and confer with a bonding attorney regarding the sale of the bonds.

Council adjourned to Wednesday.

NEW WATER MAIN ON FIRST AVE. SUE SOUTH

At a special meeting of the city council Monday afternoon the matter of putting in a new water main on First avenue southeast, between First and Second streets, before that street is paved, was considered.

L. P. Runkel, representing the Water Power Company, was present and he stated that the company was not anxious to put in the main, as the revenue from same would not warrant the expense, estimated at about \$2,200.

The councilmen felt that it was very important that the main be put in before paving is done and it was therefore agreed that if the Water Power company would not put in the main the city would do so. The only hitch was the question of financing the work.

Mr. Runkel finally offered to pay for the installation of the main if the city would install it. The council accepted his offer and the work was ordered done under the supervision of the street commissioner, by day labor.

The old main on this street is but a two-inch main which was put in by the city for the city hall. Several property owners on the street are served from this same main and it is inadequate.

HURT AT SAW MILL

Axel Carlson, superintendent of the deadhead sawmill here, was badly injured Monday morning just as the mill was starting up for the day's run when his one-piece overall suit caught in the machinery. His back was badly bruised and considerable skin was scraped off his back and legs.

William O'Shea of Minneapolis, formerly of this city, was here Tuesday and submitted a bid for the construction of a concrete bridge over the Little Elk river at Randall.

Mr. and Mrs. A. G. Rutledge of Minneapolis were in Little Falls calling on friends Wednesday, enroute from Crosby, where they attended the editorial outing, to Glenwood for a visit with friends.

The Luther League of the Bethel Lutheran church, West Side, will be entertained at the home of Mr. and Mrs. O. E. Carlson, 410 Second avenue, southwest, this evening. Refreshments will be served. All are welcome to attend.

Miss Esther Cooley, clothing specialist from the state university, will conduct sewing schools at Randall on Thursday of next week and at Swanville on the following Friday. Miss Hough, county demonstration agent, will accompany her and assist in the instruction.

Mr. and Mrs. O. E. Nelson of Marietta were in the city this week visiting Mrs. Nelson's sister, Mrs. Archie Olson. They were on their honeymoon, coming here from Hawley. They left the middle of the week for Marietta, accompanied by Miss Lottie Olson, who has been visiting at the Olson home. The last named is a sister of Mr. Olson.

The noon-day camp site on Maple Island has been discontinued as the result of some tourists abusing the privileges there and using it for night camping ground, as well as going onto private grounds nearby and destroying property. At the night camp grounds boxes have been put up containing registration books, in which the tourists are asked to register.

P. J. Barry of Duluth was in Little Falls Wednesday gathering data for the Duluth Boosters club, which will make a tour of this section of the state in the near future. Among the cities to be visited on the tour are Bemidji, Wadena, Detroit, Little Falls, St. Cloud and Foley. Mr. Barry is automobile editor of the Duluth News-Tribune.

Three new Jefferson Highway signs will probably be put up in the city soon by the Little Falls Automobile Club. They are special electrically lighted JH signs and are made in two different styles, round and diamond shaped. One will be placed at Broadway and First street intersections and the other two will likely be placed at points where the highway enters the city. Two of the signs will be purchased by the Automobile Club and E. B. Millard has offered to pay for a third.

WIN 2 FROM CLYDES

LOCALS DEFEAT FAST DULUTH TEAM HERE, 4 TO 3 AND 2 TO 1

Two games were copped from the fast Clyde team of Duluth by Little Falls Saturday and Sunday at the fair grounds here, the first by a score of 4 to 3 and the second by a score of 2 to 1. Both were fine games, hard fought, and in neither game was the outcome certain until the game was over. This gives these two teams two games each, the Clydes defeated Little Falls at Duluth recently, 1 to 0 and 6 to 3.

That their defeat here was hard for the Clydes to swallow is shown by the story told the Duluth Herald reporter by Manager Dan Pederson upon his return to Duluth. He laid their defeat to the umpire playing with the Little Falls team. He told the reporter that both Cashion and Delburna pitched wonderful ball but they were robbed right and left.

In the Saturday night game Little Falls got its first run in the fifth inning. Bessemer singled and Lennox got on through an error by Scanlon, Bessemer to second. Bye singled, scoring Bessemer. Posten flew out to Scanlon; Brand grounded out, Wolfe to Russ; and Schultz grounded out, Melburn to Russ.

Two runs were made by Little Falls in the sixth inning, with two down. Tanner made
