

"You Save Money"

says the Good Judge

And get more genuine chewing satisfaction, when you use this class of tobacco.

This is because the full, rich, real tobacco taste lasts so long, you don't need a fresh chew nearly as often.

And a small chew gives more real satisfaction than a big chew of the ordinary kind ever did.

Any man who uses the Real Tobacco Chew will tell you that.

Put up in two styles

W-B CUT is a long fine-cut tobacco

RIGHT CUT is a short-cut tobacco

FREE TRIP TO FAIR

WON BY SWANVILLE TEAM—WILL TAKE PART IN STATE CONTEST

Three Swanville girls will journey to the state fair this week to give demonstrations in canning and to participate in the state contest, having won the county canning contest which was held at the high school here last Friday. The members of the Swanville team are Bertha Kavin, captain, Emma Koenig, and Cora Mielke. This team will also demonstrate at the county fair here the following week.

A Torrid-Zone-Steel Furnace!

installed correctly by a FURNACE-MAN, with all piping galvanized iron means a heating plant that not only will last a life-time but one that will burn less coal and give the utmost satisfaction.

Time Will Tell

You take no chances when we install your heating plant. Our business is furnace installing, which is done by experienced mechanics. And we can guarantee each and every detail, and make you one of the many satisfied users of the TORRID ZONE Steel furnace installed by us.

The Monopipe Furnace

original STEEL PIPELESS furnace. If in the market for a pipeless furnace see us. In 1918 we bought a large number of furnaces to be delivered this year. We now have in a car load and can save you about one-third of the cost on a high grade PIPELESS furnace.

Save money, and see us at once; do not wait until snow flies.

Call, write or telephone us, we will be pleased to give you our price on either a MONO-PIPE or a TORRID ZONE pipe furnace installed by a furnace man.
