MARKED MONEY LOCATES PETTY THIEF

Petty thievery perpetrated at the home of Mrs. M. Streed of this city from time to time covering a period of several weeks was traced down by Chief of Police Clark by the means of marked money, the thief being located the latter part of last week, after having passed the money at local stores. Mrs. Streed missed small amounts of money from time to time and she finally notified the police. Money was marked and left in the usual place and local business establishments were notified. The money disappeared and soon one of the marked coins put in its appearance at the Sand grocery store on Fourth street southeast. Later another coin appeared at the Violet grocery on Seventh street northeast. The storekeepers informed the police and the thief was traced down. He was a young lad living in the south end of the city. The lad was given a sound lecture by the chief and he agreed to go to work and pay back the money he had taken, amounting in all to \$3.74.

NO BASS TRANSFERRED FROM LAKE IOTT

Several local sportsmen, accompanied by J. W. Canterwall of the state game and fish commission, made an unsuccessful attempt to transfer bass from Iott lake to Lake Alexander last Sunday. Mr. Canterwall brought a 300-foot net here for the purpose of seining the lake but they succeeded in getting only a few bass from the lake as the net was too shallow. Those which were caught were put back. Another effort will probably be made next spring, at spawning season, when the fish will be in the shallow water. The local men who helped in the work Sunday were J. M. Totton, Andrew Johnson, Elmer Rooks, Otto Plettli, Al Gierok and Wm. Clute.

DOES THE MATTER OF COST CONCERN YOU?

It is what a piece of furniture costs you, set up in your home, that you should be interested in. A price on an article 500 miles away may look cheap, but you are not through paying until you get this article in your home.

Compare our prices with catalogue houses or any big discount sales you see advertised, and you will find a saving worth while, besides you see what you buy and get it the day you want it. Our one price cash system enables us to meet and beat all competition.

Take Sears, Roebuck & Co's. catalogue number 141, page 1013—Buffet number 1D2696, golden finish, their price is \$72.75, you pay \$5.50 freight, making a total of \$78.25. Then you pay a drayman to bring it to your home and set it up yourself. Our price on this same buffet from the same factory is \$75.00, and we deliver it to your home all set up in good order.

On page 1012, number 1D2683, buffet in golden finish at \$43.75, fumed finish at \$43.85, add freight of \$4.00 and you have \$47.75, or \$47.85, while our price on the same buffet in either finish is \$45.00.

On page 1006, number 1D2149, Kitchen Cabinet, metal-covered top at \$43.95, porcelain top at \$49.95, add freight \$5.00 and you have \$48.95 or \$54.95, while our prices are \$42.50 and \$47.50.

On page 1004, number 1D2408, square extension table, 8 foot, at \$23.95, add freight \$2.20 and you have \$25.95, while our price is \$20.00.

Same page number, 1D2404; breakfast table at \$16.85, add freight \$1.25, and you have \$18.10, while our price is \$14.00.

Aug. 18th, Hartmann's of Minneapolis, advertised in the Tribune, Simmons 2 inch post bed with 1 inch fillers at \$15.49. Sears-Roebuck list this same bed on page 1037, number 1D5424, at \$13.75 in white and \$14.00 in Vernis Martin, add freight \$1.35 and you have \$15.10, or \$15.35. Our price on the same bed is \$15.00.

On page 1046, number 1D7405, mattress at \$6.78, add freight 75c, and you have \$7.53, while our price is \$6.50.

These are but a few comparisons, but we could go through the line even down to a lead pencil on page 901, number 3D13520, per dozen 73c, on which our price is 5c each or 60c a dozen.

Our goods are all marked on the same basis as the items mentioned above, so is it not reasonable to figure that all our merchandise will stand the same comparison.
