

## WANT OPEN SEASON

### LOCAL SPORTSMEN WOULD HAVE MANY GAME WARDENS WATCH POACHERS

Owing to the fact that a number of local sportsmen who belong to the Morrison County Sportsmen's Club are not in favor of a closed season on deer in 1921, for which the club went on record at a recent meeting, President Koten called another meeting for last Wednesday evening to reconsider this resolution, with the result that it was supported by one favoring the open season. The motion was that the club go on record as favoring an open season for deer providing a large number of game wardens can be sent to the northern part of the state about two weeks before the season opens, to prevent killing of deer before that time.

## FAT CATTLE STRONG

### FAMINE RECEIPTS EARLY IN WEEK A BULLISH INFLUENCE VEALS ARE HIGHER

South St. Paul, Minn., Dec. 28: Receipts of 1100 cattle were sold on a steady to firm basis, spots in the butcher stock trade being higher. With 1200 calves offered, the market was 50c higher, spot landing at \$8.75. There were 6300 hogs on sale, Market weak to 50c lower. Range \$9.40-\$9.90, bulk \$9.50 to \$9.85. Pig and light lights strong at \$10.00 to \$10.25. Sheep and lambs strong. Top lambs \$11.00. Scant supplies of cattle served as a prop in the trade on opening days this week, forcing packers to purchase their supplies on a higher basis. News from Chicago and other points Tuesday were of a bearish nature, but the best steers, however, and in the opinion of the trade any material expansion in receipts of cattle, calves and hogs for New Year's week will probably fall below the extremely light runs of Christmas week, two-day run here being 2300 calves, 1300 hogs, 8600 hogs and 2700 sheep, against 5165 cattle, 2032 calves, 17240 hogs and 2068 sheep the first two days last week. Best steers here this week to date were some few offerings of good to choice quality averaging 1165 pounds that sold Tuesday at \$4.75, with a fair showing of sales around \$3.00. But bulk of the common grades selling from \$5.75 to \$7.25. Butcher cows and heifers are going mostly from \$4.00 to \$6.00 with a few of good to choice quality and showing some feed selling from \$6.50 to \$7.50. Owners and cutters are going from \$2.50 to \$4.00, while hogling bulls are moving within the price limits of \$4.00 to \$5.00, with a few better bulls up to \$6.00. Best veals dropped to \$7.75 last week but are back up to \$8.75, today. Stocker and feeder trade is opening steady. Good to choice kids are selling largely at \$5.50 to \$7.00, with medium and common grades at prices ranging from \$3.00 to \$5.50. Hog market is considerably higher than last week, with bulk, today at \$9.55 to \$9.65, and best pigs and light lights at \$9.75 to \$10.25. A few lambs topped at \$11.00 Tuesday, with others at \$10.75. Best ewes brought \$4.00.

## WOUNDED BY ROBBER

### JOHN DOMISH HELD UP AT INTERNATIONAL FALLS AND SHOT

John Domish of Pike Creek is at St. Gabriel's hospital here suffering with a bullet wound below the right shoulder as the result of resisting a man who held him up at the point of a gun Sunday night at International Falls, where he was employed. Domish is the son of Mr. and Mrs. J. Domish of Pike Creek. Domish was accosted by the hold-up man a short distance from his rooming place as he was returning home. He was relieved of \$10 and the robber set about to find more money. Being bigger than his assailant, Domish tried to overpower him, with the result stated above. The robber then disappeared and efforts to locate him have proven futile. Domish came from International Falls Tuesday and entered St. Gabriel's hospital, where an x-ray picture of the bullet wound was taken. The x-ray photo showed that the bullet had glanced off a rib and lodged in the chest. No infection was apparent and it may not be necessary to remove the bullet.

## DEFEAT ST. PAUL A. C.

### LOCAL LEGION QUINT WINS HARD FIGHT CONTEST

With little or no team work developed and relying upon the playing of the individual, the local American Legion basketball team locked horns with the St. Paul Athletic club quint at the high school gymnasium here Monday evening and came out with the long end of a 39-21 score. The small crowd that witnessed the game pronounced it one of the speediest contests ever staged here. Ovid Belanger, Richard Meyers, Stewart Sims, Warren Sims and Kenneth Tourtellott represented the local team in the first half. Belanger started the scoring by setting the ball in the first few minutes of play. Throughout the first half the two teams alternated at leading in the scoring, but the close of the half found the Legionnaires two points ahead, 16 to 14. They maintained their lead throughout the second half. Scoring honors were well divided between the local players. Tourtellott made three baskets and Meyers, Stewart Sims and Belanger got two each. White, sub, got two baskets and Pluto, sub, got three. Warren Sims and Armstrong were not successful in getting any baskets, but contributed their share toward winning the game never the less. Tourtellott made two points on free throws. Swanson was the main point getter for the Athletic Club quint. He made five field baskets and was the star of the game. Anderson, for the visitors, made two baskets and Thomsson and Kucheman got one each. Kucheman made five points on free throws and was substituted for Swanson in the last quarter. The game was refereed by Lawrence Longley, former athletic coach here, and Dr. C. H. Longley was umpire. The St. Paul team was well satisfied with the work of the officials. Following is the lineup of the two teams: Little Falls St. Paul Tourtellott lf Swanson Meyers rf Kucheman S. Sims c Thomsson Belanger lg Anderson W. Sims rg Mack Substitutes, White for Meyers; Pluto for S. Sims; Armstrong for Belanger; Aurelius for Swanson.

The West Side garage, owned by Messrs. The garage was formerly in the old Lennaxeb building on Second street southwest. The erection of the new garage building took a remarkably short time, work on it commencing late this fall. The building is one story high, built of hollow tile. In the front end is an office and display room. The building sets back about twenty feet from the sidewalk and a large canopy bordered with light bulbs extends out from the building to the street line. The gas and oil filling station are located here. The building is not yet completed, as the exterior is to be covered with stucco, but this will not be done until the spring. The annual New Years ball of the local Elks lodge, for its members and friends, will be held at the Elks hall tomorrow evening. Schlemann's orchestra will furnish the music.
