Ford THE UNIVERSAL CAR FORD TON TRUCK CUTS DELIVERY COSTS THE Ford One-Ton Truck has cut "delivery costs" for thousands of business houses, farmers, factories, corporations, etc. Thousands of owners attest to its economy of operation and maintenance. They call the Ford a real "necessity" in their business. Ask us for a copy of the "Ford—A Business Utility." Read what pleased owners say. It will cost you nothing. Built of tough Ford Steel with the ever-dependable Ford motor transmitting power to the aluminum-bronze worm-drive, with demountable rims and pneumatic tires, front and rear, together with the mechanical simplicity, have helped to give the Ford Ton Truck the lowest possible operating and maintenance cost. It is the lowest priced one-ton motor truck on the market. Add to these practical merits our after-service organization, which insures every truck owner of genuine Ford parts and skilled Ford mechanics, so that the Ford Truck need never be out of service. To sum up: Serviceability, flexibility, power, durability, lowest and first and operating costs, service, all together, are the Ford liabilities which cut down expense and will help you cut your "delivery costs."
