

HOME TALENT PLAY AT HARWA

'PEG O' MY HEART' AUGUST 22 AND 23, BENEFIT SACRED HEART CHURCH

'Peg O' My Heart,' a comedy drama, will be presented at the Harwa theatre in this city next Monday and Tuesday evenings, Aug. 22 and 23, by home talent for the benefit of the Sacred Heart church.

Rehearsals for the play to be presented here have been in progress for the last three weeks and the cast is well trained. In addition to the play Mr. Golden will give his monologue which he used on the Big Five vaudeville circuit.

DRILLING OF THIRD TEST WELL STARTED

A third well is now being sunk by the Lane & Bowler company in quest of an adequate water supply for the municipal system here.

The first well that was sunk showed indications of an underground river but a ledge of rock was encountered. In the second well, about 800 feet from the first one, no water was struck but the ledge of granite was encountered.

Consulting Engineer Holt was in the city yesterday afternoon conferring with the councilmen and Chapman, superintendent of the well-drilling work, regarding other prospective places to sink test wells in the event that the present one does not prove satisfactory.

BOYS' BAND PROGRAM

Another of the series of Boys' Band Concerts will be given at the band stand on Thursday evening, Aug. 25.

The program follows: March - "National Guard" - Emil Asher

Overture - "Living Picture" - J. C. W. Dalbey

Waltz - "Sweet Vows" - M. J. H. Kessels

Serenade - "Sweet Dreams" - H. C. Miller

March - "The Home Town Band" - J. A. Weidt

"Moon Winks" - G. Stevens

"Religious Fantasia" - C. W. Dalbey

College Potpourri - "Bingo" - Beebe

Mrs. Harriet W. Shoemaker, assistant superintendent of the state industrial commission, was in Little Falls Wednesday on business in connection with the minimum wage law.

County Auditor Johnson, Engineer Rankin and G. Hodgins, mechanic, all of Mahonomee county, were here Wednesday making arrangements for the transfer of the large Holt tractor from here to Mahonomee. The tractor is the property of the state highway department.

The N. P. announces a cut in prices of dining car service. The big baked potato will hereafter sell for 15 cents instead of 25 cents; pots of coffee will be 15 cents instead of 20 cents and cups of coffee 10 cents instead of 15. Other reductions are made.

Miss Susan Hough, county demonstration agent, has the following meetings scheduled for the ensuing week: Aug. 23, shortouts in sewing, Mrs. Hanson, Elmdale; Aug. 24, shortouts in sewing, Mrs. Valley, Ripley. Aug. 26, Miss Hough goes to International Falls to give a demonstration in the making of home made dress forms.

Mr. and Mrs. Hoheisel, proprietors of the Pierz hotel, were business visitors in this city Wednesday.

Mr. and Mrs. F. E. Hall went to Lake Alexander yesterday for a few days' outing at their cottage.

Miss Mary Prozniski went to Winona yesterday afternoon for a week's visit with relatives and friends.

Municipal Court

Joseph Lynchik of Two Rivers was arrested and brought before Judge Gerritz Saturday morning, charged with using abusive language. He pleaded guilty and was fined \$3 and costs, amounting to \$14.50.

W. M. Costello of Illinois, who is employed with a contracting company at Staples, was brought before Judge Gerritz Friday morning, after spending two days in jail, and pleaded guilty to a charge of drunkenness. He was fined \$10 and costs, but was unable to pay and was allowed to return to Staples on the condition that he send the judge the amount of his fine. Costello got "piped" on lemon extract.

Joseph and Peter Krause and Leo Ringwelski of this city were held before Judge Gerritz Monday morning, charged with disorderly conduct. They pleaded guilty and the two Krauses were fined \$15 and costs each and Ringwelski, \$5.00 and costs.

Reuben Moxson of Upsala was arrested by Roy Chick, village constable, Tuesday, and was brought before Judge Gerritz, charged with assault and battery on the person of the constable. He pleaded guilty and was fined \$5 and costs, amounting to \$9.50.

STATE BIOLOGIST EXAMINES MORRISON COUNTY LAKES

T. Surber, biologist from the department of survey and investigation of the state game and fish commission came to Little Falls Wednesday and in company with J. M. Totten, local game warden, went to Lakes Alexander and Aioitt in this county on an investigation. Mr. Surber states that the waters of Lake Alexander are in exceptionally fine condition for pike and all other kinds of fish. The shallow parts of the lake test 67 degrees Fahrenheit and the deep places 55 degrees. The lake is free from moss and other similar substances and the water is apparently pure. The water in Aioitt lake tests 67 degrees in 13 1/2 feet of water and 74 degrees in the shallow water, which is regarded too warm for pike.

Owing to the very mossy condition of Aioitt lake it was found impractical at this time to attempt to seine any bass to be transferred to another lake. It was found that the lake contained soft snails and other feed for the small bass but no feed for the large fish, there being no large fish in the lake. Mr. Surber recommended that the lake be closed to fishing except during the month of September and that the sportsmen stock it with shiner minnows for the larger bass to feed on. In this way, he said, sufficient bass minnows would be assured to stock all lakes in the county.

FISH SMOTHERED IN MILLE LACS LAKE

Due to superheated water driving fish to the deeper waters of the lake where a deficiency in oxygen causes them to smother, 700,000 pounds of whitefish died in Mille Lacs lake last summer during the hot spell. The same condition was found in many other lakes in the state, particularly Cass lake and Lake Bemidji. None of the lakes in Morrison county were thus affected.

ROYALTON TO VOTE ON BOND ISSUE FOR ADDITION TO HIGH SCHOOL

A special election will be held in the village of Royalton next Thursday, August 25, from 7 to 9 o'clock p. m., for the purpose of voting on the question of issuing \$28,000 bonds for the construction of an addition to the high school to provide a gymnasium and other improvements. The special election is the result of a petition filed with the school board, asking for same.

Mrs. Pratt of St. Cloud, Yeoman deputy, will be in the city tonight for a meeting of the local lodge.

Rev. Gust Hall will preach at the Free Evangelical church at Freebush Sunday afternoon at 3 o'clock.

A stalk of field corn 10 feet 7 inches high is on display at the E. A. Berg garage here. The corn came from the Peter Sobiesch farm in Elmdale.

Miss Susan Hough, county home demonstration agent, goes to Randall today to give a demonstration in shortouts in sewing at the home of Mrs. Berg.

At a gun club shoot Tuesday evening J. A. Anderson made the high score, breaking 48 out of 50 pigeons. J. S. Lewis was second with 47 out of 50.

The old court house building opposite the city hall, owned by E. A. Berg and Company is being decorated with a new coat of paint by Shook & Prohaska.

Ole I. Skratkuth and company will return to Little Falls in a new comedy to be given at the Harwa on September 20. The company has always shown to large houses in this city.

Chicken thieves are active here. The theft of thirty biddies from a pen of the Little Falls Packing Company, back of its shop, was reported to the police Wednesday. Other thefts of poultry had been reported and some arrests are likely.

The Luther league of Bethel Lutheran church will be entertained at the home of Mr. and Mrs. Hokanson, south of town, next Friday evening, Aug. 26. A program will be given and refreshments served. All are welcome to attend.

ROYALTON

Aug. 18.—A number of Mrs. Rose Gilmer's friends in lower town gave her a surprise party on Friday afternoon, the occasion being her birthday.

Miss Emily and Helen Carnes entertained Saturday afternoon in honor of their mother, Mrs. J. N. Carnes' birthday.

Dr. and Mrs. McDougall and Miss Carrie McDougall of Minneapolis spent Sunday in town with relatives.

Mrs. R. J. Batzer, Sr., and grandson, Kirk Batzer, left Monday for Hazelton, N. D., to visit at the H. O. Batzer home. From there Mrs. Batzer will go to Portland, Ore., to spend the winter with her daughter, Mrs. A. W. Olson.

Mr. and Mrs. Geo. Galley and sons of Sauk Rapids were guests at the C. R. Rhoda cottage at Sullivan lake the past week.

Mrs. Dorothy Doty left Tuesday for Bemidji, where she will attend high school during her senior year.

Mrs. I. W. Bouck entertained Tuesday afternoon in honor of her niece, Mrs. Williams of Medford, Ore.

Miss Susie Batzer left Monday for Rothschid, Wis., where she will visit her sister, Mrs. J. Weiner, and will later go to Virginia, where she will teach the coming year.

K. B. Wilson motored from Park Rapids Sunday and spent the day in town. Mrs. Wilson and children, who have been visiting relatives here, returned home with him.

Mrs. E. A. Long, F. T. Johnson, J. Pennie and Wm. Chapman entertained the M. E. aid at the church parlors Wednesday.

Mrs. Fred Galley entertained a number of little folks Wednesday afternoon in honor of her daughter Margaret's birthday.

Grace church guild met Thursday at the home of Mrs. L. R. Lisle.

Three candidates were given the third degree in Masonry at the local lodge Tuesday evening, following which a fried chicken supper was served at Fraty's restaurant.

Mr. and Mrs. Harry Vaughan of Spokane, Wash., are visiting at the home of B. W. Bantz. Mrs. Vaughan is a daughter of Mr. and Mrs. Bantz.

An infant child of Mr. and Mrs. Peter McDougall of Duluth was buried Thursday in the family lot in Riverside cemetery at Royalton.

BABCOCK BULLETIN LISTS LOCAL WORK

HIGHWAY OPERATIONS ON TRUNK HIGHWAY NO. 27 IS PROGRESSING

Developments in the state trunk highway program in this section are given briefly in a bulletin issued this week. The information is based on reports from the maintenance superintendents in the sixteen districts and is regarded as authoritative.

Of Trunk Highway No. 27, it says: Grading operations on a large scale are being pushed on the St. Cloud-Royalton section in advance of paving planned next year. Mike Barz, contractor on a 70,000 yard project, began work June 30 and moved 7,900 yards in the first 30 days. Wilkins & Pettyjohn with a 102,000 yard contract, started operations July 2 and have moved more than 20,000 yards to date. Special efforts are being made to maintain a good detour on this section. Because of the heavy traffic three extra men are helping the patrolman.

Extension Div. Letter

Granary Weevil at Work in Grain Bins Entomologists at University Farm are advised that the granary weevil and other insects are being found in abundance in some country elevators and in many bins on farms in western and southwestern counties.

The weevil eats the wheat kernel leaving the empty husk or shell, and also works in oats, barley and rye. Infested grain shipped from country elevators has, in instances reported to the entomologists, been accepted as sample grade only. Some farmers' elevators have had losses an amount of the weevil of from \$40 to \$150 a car of wheat, barley and rye.

"If the old infested crop is left in the bins or if the bins in which 1920 grain was stored are not thoroughly cleaned at this time," said Dr. R. N. Chapman, stored food entomologist, University Farm, "the new crop placed in the same storage will eventually be damaged. Fortunately the granary weevil can be absolutely cleaned out by fumigating with carbon bisulphide, using several pounds of the liquid for every 1,000 cubic feet of space in bins and storage rooms. The liquid can be bought ready for use at any drug store. It should be poured over the top of the grain or left in shallow pans until it evaporates. The bins must be kept airtight for 24 hours during this process.

"Carbon bisulphide is even more explosive than gasoline, and no lamps or candles or other artificial lights should be used near it. When the quantity of grain infested is small, it can be treated with perfuming fumes by dumping it in barrels placed on floors. After the liquid has been applied, the barrels can be tightly sealed by throwing old blankets or sacks over them.

"Before new grain is stored, the bins should be swept out and sprayed thoroughly with kerosene."

Best Seed Corn Can be Found at Home Only by selecting good seed corn at the right time and taking good care of it after it has been selected can the best results in corn growing be obtained.

WEAK UNDERTONE ON GRASS CATTLE

SURPLUS OF SUCH KINDS IN DRESSED BEEF CHANNELS DEPRESSES LIVE STOCK

(By U. S. Bureau of Markets and Crop Estimates and Minnesota Dept' of Agriculture.)

Tuesday's Closing Cattle 1,800. Market slow mostly steady. Calves 1,400. Market strong to strong, practical packer top \$7.00. Hogs 5,200. Market steady to 25c or more lower, range \$7.75 to \$10.25, bulk \$8.00 to \$10.00. Sheep 2,000. Market steady.

South St. Paul, Minn., Aug. 16, 1921: The cattle run at seven large markets for the two-day period this week shows an increase of around 30,000 compared with the same days last week. No cornfed hogs have been in the local trade and these remained nominally steady. Grass cattle made up the increase here and elsewhere, and with markets for the dressed product clogged with such kinds, packer buyers and city butchers are striving to enforce fresh declines, and most grass cattle are on a weak to 25c lower basis than last week's close.

Market strength to strong, practical packer top \$7.00. Hogs 5,200. Market steady to 25c or more lower, range \$7.75 to \$10.25, bulk \$8.00 to \$10.00. Sheep 2,000. Market steady.

Market strength to strong, practical packer top \$7.00. Hogs 5,200. Market steady to 25c or more lower, range \$7.75 to \$10.25, bulk \$8.00 to \$10.00. Sheep 2,000. Market steady.

Market strength to strong, practical packer top \$7.00. Hogs 5,200. Market steady to 25c or more lower, range \$7.75 to \$10.25, bulk \$8.00 to \$10.00. Sheep 2,000. Market steady.

Market strength to strong, practical packer top \$7.00. Hogs 5,200. Market steady to 25c or more lower, range \$7.75 to \$10.25, bulk \$8.00 to \$10.00. Sheep 2,000. Market steady.

Market strength to strong, practical packer top \$7.00. Hogs 5,200. Market steady to 25c or more lower, range \$7.75 to \$10.25, bulk \$8.00 to \$10.00. Sheep 2,000. Market steady.

Market strength to strong, practical packer top \$7.00. Hogs 5,200. Market steady to 25c or more lower, range \$7.75 to \$10.25, bulk \$8.00 to \$10.00. Sheep 2,000. Market steady.

Market strength to strong, practical packer top \$7.00. Hogs 5,200. Market steady to 25c or more lower, range \$7.75 to \$10.25, bulk \$8.00 to \$10.00. Sheep 2,000. Market steady.

Market strength to strong, practical packer top \$7.00. Hogs 5,200. Market steady to 25c or more lower, range \$7.75 to \$10.25, bulk \$8.00 to \$10.00. Sheep 2,000. Market steady.

Market strength to strong, practical packer top \$7.00. Hogs 5,200. Market steady to 25c or more lower, range \$7.75 to \$10.25, bulk \$8.00 to \$10.00. Sheep 2,000. Market steady.

ED. J. LYNCH IS SHOT TO DEATH

LIFE OF FORMER MINNESOTA REVENUE COLLECTOR MYS-TERIOUSLY ENDED

Cleveland, Aug. 17.—In a rowboat floating down the Chagrin river, at Gates Mill this afternoon was found the body of Edward L. Lynch. There was a bullet wound through the heart. Once collector of internal revenue in Minnesota, his life passed under mysterious circumstances, involving either murder or suicide. Coroner A. P. Hammond and Sheriff Charles P. Stannard believe it a case of suicide.

There was no gun or revolver in the boat when the officials got to Gates Mill last night and Mrs. E. L. Shaner, a Chagrin riverer to her home, said there was no weapon in evidence when she boarded the boat.

The wound was caused by a bullet from a 32 caliber revolver. The bullet took a course upward through the heart. The victim's outer coat was marked by smoke from the weapon. That no revolver was found in the rowboat is the only fact that leads the officials to doubt that death was self-inflicted.

For forty years Lynch had been active in Democratic politics in Minnesota. Among the articles found on his person was a clipping from "The St. Paul paper" which told about "the passing of Lynch" in Minnesota. The clipping went on to say that an appointment recommended by Lynch had been denied and that the recommendation made by another leader had been accepted.

Farm Bureau Notes

Potato Meeting in Little Falls Sept. 3 The State Department of Agriculture under direction of Hugh J. Hughes, with a corps of able assistants will hold a series of meetings in the state from August 10 to September 21. Little Falls will be included in the stops and the date is September 3.

The purpose of these meetings is to demonstrate the methods essential to proper grading, loading, shipping and business accounting. The local warehouse will co-operate in the grading, loading and shipping work, and a room in the West Hotel formerly occupied by the Bolander Real Estate office will be used for the accounting work. Farmers, shippers and the public are invited to this meeting.

The Co-operative Livestock Commission which opened its offices in South St. Paul on August 8 received 67 carloads of livestock the first four days. This was 10 per cent of all livestock received. A large part of the shipments came from Wisconsin.

A similar commission is now being formed in East St. Louis.

Boys who have entered the judging contest to compete for places on the stock judging team to represent Morrison county at the state fair, have placed and given reasons for the placing of twelve classes of dairy cattle in the last two days.

Out of a total possibility of 1900 points on placing and reasons, the boys rank as follows:

Louis Bastien 1550 points

Merle Sewall 1545 points

Lloyd Stitt 1340 points

David Youngdahl 1511 points

Frank Stitt 1409 points

Sigurd Lindstrom 1351 points

The four highest will accompany J. M. Hewitt and C. B. Campbell acting as coaches to the Todd county fair for one day's judging next week, where the final-team will be chosen consisting of two boys.

Considering the training the boys have had in live stock judging and the difficult classes they have had to work on the boys have done exceptionally good work for beginners.

Six boys entered the tryouts for dairy judging work Tuesday. These boys are Lloyd and Frank Stitt, David Youngdahl, Merle Sewall, Louis Bastien and Sigurd Lindstrom.

Preliminary scoring and judging of three classes of Holstein cattle was held at the Wm. Stitt home in the forenoon. The work was continued in the afternoon at the F. W. Dohbyn farm with two classes of Gurensys. The work will be continued today and trips will be made to the farms of Victor Beckman and Albert Olson.

Mr. Campbell and Mr. Hewitt were disappointed that more boys did not take advantage of this splendid work in livestock judging, but are very well satisfied with the high class of work done by the boys in the contest. This work will be continued next week.

The final selection of the two highest will be made to represent Morrison County on the judging team at the State Fair.

The Morrison County Holstein Breeders' Association will hold an important meeting in the First National Bank Building next Wednesday, Aug. 24 at 2 o'clock. At this meeting plans will be made for an exhibit from Morrison county at the National Dairy Show to be held at the State Fair Grounds, October 8 to 15.

This is perhaps the nearest point at which farmers will have an opportunity of hearing Mr. Howard. Mr. Howard is a most entertaining speaker and has a message for the American people.

Mr. Gillespie, publicity agent for the Minnesota State Prison Machinery, will attend meetings of the Daring township unit together with County Agent C. B. Campbell, on Friday evening this week. He will also attend the Parker township picnic to be held

TOWN BOARDS MUST COMPLY WITH WEED LAW

Since the state weed eradication law went into effect, officials of town boards in Morrison county have inquired of County Attorney Cameron as to whether or not township officials are liable to criminal prosecution upon being served notice by local weed inspectors ordering compliance with the law. Mr. Cameron took the matter up with the attorney general's office and has received an opinion from Assistant Attorney General Pratt regarding the same.

In his opinion the assistant attorney general quotes from Sec. 4 of Chapter 320, Laws of 1921, which reads "The governing board of each township, village, borough or city shall, at the expense of the municipality, cause all noxious weeds standing or growing upon any public road or highway thereon to be cut down, etc., etc." He states that the law is workable without serving notice on town boards but goes on to say that "the duty of complying with the provisions of Section 4 being imposed by law upon the public officers named, it is deemed proper to lie in proper cases with or without prior notice and criminal prosecution may be instituted in proper cases with or without prior notice. (By mandamus proceedings is meant a court order compelling the officials to perform stipulated duties.)"

ORPHANS GIVEN OUTING AT PILLSBURY LAKE Children at St. Otto's orphanage in this city, about ninety in number, enjoyed an outing and feed at Pillsbury lake yesterday afternoon. The guests were in proper cases with or without prior notice and criminal prosecution may be instituted in proper cases with or without prior notice. (By mandamus proceedings is meant a court order compelling the officials to perform stipulated duties.)"
