Miss Mildred Wanda Barnes, daughter of Mr. and Mrs. Z. N. Barnes of this city, and Mr. John A. Sivertsen of Minneapolis were united in marriage Saturday evening at 8 o'clock at the First Congregational church. Rev. C. E. Bacon performed the ceremony. The church was beautifully decorated with pine trees, autumn flowers and cathedral candles.

Miss Beulah Cross played a program of capital music preceding the ceremony and Miss Sylvia Bevier of Duluth, classmate of the bride at Carleton college, sang "Beloved, It is Morn," "Love's Coronation" and "Still as the Night." Lohegrin's wedding march was played as the professional and Mendelssohn's recessional. After the bridal party entered the church, the little Misses Mary and Laura Jane Musser preceded them and scattered rose petals long the way. They wore dainty frocks of flesh colored chiffon.

Mrs. Robert T. Thompson of St. Paul was matron of honor. She wore a gown of shell pink. Miss Marion Lewis was maid of honor and the Misses Marjorie Sweetman of Aitkin and Laura Steele of this city were bridesmaids. Miss Lewis wore a gown of orchid taffeta and the Misses Sweetman and Steele wore gowns of yellow tulle and georgette crepe. They carried bouquets. The bride's gown was of Duchess satin with overdrap of georgette trimmed with crystal beads, and full court train. Her bridal veil was caught with orange blossoms and was held in place with a bunch of pearls. Her bouquet was a shower of roses, orchids and lilies of the valley.

Mr. Jarrod Petraborg of Aitkin was best man and Dr. Robert T. Thompson and Mr. E. S. McCall of St. Paul and Mr. James McGregor of Aitkin were ushers.

After the ceremony, a reception was held at the home of the bride's parents, 509 First street southeast. NO TAX FOR 1922 GENERAL REVENUE

STATE FOR FIRST TIME CLIPS THIS TAX IN ITS LEVY THIS YEAR

This year, for the first time in its sixty-three years of statehood, Minnesota will omit the regular annual imposition of a tax for general revenue purposes.

Announcement of the suspension of the tax was made Tuesday by R. F. Chase, State Auditor, coincident with the certification of the 1921 State Tax Levy to the various county auditors. The levy is on the valuation of the present year and is collectible in 1922.

The state tax rate for 1921, based wholly on statutory requirements, and over which the state auditor has no control whatever, is 4.23 mills, as against 8.1 mills, the figure in 1919 and 5.42 mills the rate for 1920. Practically it is a cut of nearly one half the 1919 levy. Further it is the lowest state tax levy in recent years.

To what extent the taxpayers of Minnesota will profit from the temporary abandonment of the tax for general revenue purposes as announced by Mr. Chase can be best judged from the fact that the infliction of the revenue tax realized the state \$4,086,535.68 in 1917, \$1,751,991.14 in 1918, \$6,236,407.60 in 1919 and \$1,667,419.42 in 1920. The tax is for the general running expenses of the state and its various departments, such as, penal, charitable and educational institutions, special aid to the public schools other state activities. Out of the revenue derived from this tax are paid salaries, bills for supplies and the numerous expenses necessary in the proper conduct and maintenance of the state government.

Last year Minnesota did the largest business in its history. Receipts totaled \$54,370,555.56, and the expenditures for the fiscal year, June 30th, were a cash balance of \$13,919,888.83 in the state treasury. The fiscal year was begun with a cash balance of \$9,158,961.72.

Other games may be played after November 11, if the weather permits. St. Cloud Teachers' college and Milaca want games with the local high.

REPLY REOPENS DOOR TO IRISH PEACE

PREMIER DENIES COMPLETE INDEPENDENCE, WELCOMES CONFERENCE

London, Sept. 29.—(Thursday)—The London Daily Herald this morning says that the note from the British cabinet to De Valera will be but two paragraphs in length.

In the first paragraph, the Herald declares, Premier Lloyd George reasserts that the government cannot recognize the right of Ireland to complete independence, but does not insist upon renunciation of the claim as a condition to holding the peace conference.

The second paragraph will state that on this understanding the government will "welcome" a conference with the Sinn Fein delegates.

The Irish Bulletin in Dublin last night expressed a desire for a successful conference, and dealing with Winston Spencer Churchill's recent speech said:

"Mr. Churchill wants a successful conference because British interests demand it. Ireland also is anxious for a successful conference. But, if as Mr. Churchill suggests, a successful conference can only be one in which Ireland must surrender her national position and insist on the right to self-determination, no successful conference is possible, and British interests will have to wait on British justice."

A funeral party returning to Belfast from a cemetery yesterday afternoon was fired upon. One man was killed and three others were wounded.

LEGION AUXILIARY ELECTIONS OFFICERS AND PLANS WORK

The Women's Auxiliary of Richard Howard Ferrell post, American Legion, held its annual meeting at the Elks hall Tuesday afternoon. Officers were elected for the ensuing year as follows:

President—Mrs. Warren Gibson.
First vice-president—Mrs. A. Gannon.
Second vice-president—Mrs. W. J. Gierok.
Secretary—Mrs. Frank Dewey.
Treasurer—Miss Minnie Ferrell.

Plans for the year's work were discussed. The organization proposes to have on its roll the name of every mother, wife, daughter and sister of every ex-service man in the county. There are now about fifty members in the auxiliary.

A. H. Vernon, past post commander and past state commander, was present and he gave an interesting and instructive talk on the purpose and scope of the work of the auxiliary. E. V. Wetzel, post commander, gave a talk on what the auxiliary here can do. He asked for its support in connection with the coming lyceum numbers.

MRS. ROSA MUELLER BUYS BUSINESS BLOCK

A deal has been closed whereby Mrs. Rosa Mueller, proprietor of the Mueller Hotel, becomes the owner of the building occupied by the Tanner grocery store. The transfer of some farm lands in the county figured in the deal.

Mrs. Mueller has made no announcement as to what uses she proposes to put the building, except to state that she is not going back to the restaurant business. The Tanner grocery stock will be closed out and that concern will go out of business.

L. P. Wolf of St. Paul, consulting engineer, who was employed by the city council to make a survey of the city for test wells for city water, will be in Little Falls for the council meeting Monday evening, when he will make his final report. It is believed that he will recommend the use of river water and the installation of a filtration plant, in view of the fact that no underground supply was found in the ten tests made.

Mr. and Mrs. Johnson will reside at 713 Second street northwest.

LYCEUM PROGRAMS BOOKED BY LEGION

FIVE NUMBERS TO BE GIVEN HERE THIS WINTER—FIRST ONE OCTOBER 10

Five Redpath-Vawter lyceum programs of local merit will be given in Little Falls this winter under the auspices of Richard Howard Ferrell post, American Legion. The first program of the series will be given on Monday evening, October 10, at the high school auditorium. This program will be given by the DuMont Male Quartet, singers and instrumentalists.

The DuMont Quartet, under the direction of Joe DuMont, have won a reputation among lyceum and chautauque quartets and are said to give programs of life, snap and vim. Their program is varied, consisting of vocal solos, duets, trios, quartets, readings, comedy sketches, impersonations, instrumental quartet, banjo and piano-accordion solos.

The other four numbers are the Geneva Players on October 13, the Oceanic Ladies' Quintet on November 29, the Di Giorgio Orchestra on January 19 and the Fine Arts Quartet on February 13. The Geneva Players feature one-act plays. The Oceanic is an orchestra of prominence and has toured Europe. The Di Giorgio orchestra, under the direction of Signor T. DiGiorgio, likewise is well known and claims genuine musicianship. The Fine Arts Quartet gives a program of straight concert numbers, both popular and classical, and selections from light operas, as well as folk songs, in costume.

Season tickets, admitting to all five numbers, are being sold at \$2.50 for adults and \$1.50 for children. Individual admissions will be 75 cents.
