TRUST COMPANY'S QUARTERS OPENED

AMERICAN SAVINGS & TRUST COMPANY HAS FINE HOME IN SECURITY BUILDING

Yesterday was the thirtieth anniversary of the organization of the German American National bank, now the American National bank, and the event was celebrated by the opening of the new home of the savings and trust department of the affiliated organization, the American Savings & Trust Company. An invitation is extended to the general public by the institution to visit same.

The new quarters of the savings and trust company are located in the Security building, just west of the bank, and are connected with the main lobby of the bank. The work of remodeling started last July and has just been completed. The office fixtures are the latest, the low ledge type of massive Alabama white marble and imported blue marble, with ornamental light globes on either side of the desk openings. A large double vault has been put in, one for the trust department's business and the safe deposit boxes, the patrons having direct access to the latter from the lobby. West of the main business room is the directors' room in front and a private consultation room in back, these two rooms being divided by telescope doors. The room in the bank quarters, formerly used as the directors' room, has been fitted up for a ladies' rest room.

F. J. Kopetz had the general contract for the remodeling work. The furniture and fixtures, the vault fixtures, and the marble fixtures were installed by outside contractors.

The German American National bank was organized Nov. 11, 1891 and opened for business Dec. 1 of the same year, with a capital of \$50,000 and surplus of \$10,000. The bank was a successor to the private bank owned by J. D. Maxwell, which was the first financial institution in Little Falls. The first stockholders were Harold Thorson, James D. Anderson, C. A. Weyerhaeuser, R. D. Musser, J. W. Berg, P. H. Gross, Fred Stangl, E. O. Williams, C. B. Buckman, John Weidell. All of these except Mr. Stangl were on the first board of directors. A. C. Merrill was a member of the first board. Harold Thorson was the first president; Mr. Weyerhaeuser vice-president; James D. Anderson, cashier and S. A. Siverts, assistant cashier. When the first statement was called for Dec. 2, 1891, the deposits were \$15,000. Today they total around a million dollars.

A security loan company and auxiliary was organized Feb. 15, 1905, with a paid up capital of \$50,000, to supply funds and a medium for placing farm loans, on account of the fact that national banks were not permitted to place farm loans at that time. The capital of the loan company increased until in 1921 it reached \$100,000. The American Savings & Trust Company was organized January 1, 1921, for the purpose of handling the savings and trust business and the business of the old auxiliary was then transferred to it. The trust company now has a paid up capital of \$100,000 and a surplus of \$10,000. Its officers are J. W. Berg, president; C. Rosenmeier, vice-president and trust officer; John Wetzel, vice-president; E. J. Riekie, secretary and R. D. Musser, treasurer. These officers and A. Simonet and C. A. Weyerhaeuser constitute the board of directors.

SEAL SALE TO START SUNDAY

IN LITTLE FALLS—WILL CANVASS BUSINESS HOUSES—MAKES PROCLAMATION

O. L. Berlie, chairman of the committee on the sale of Red Cross Christmas seals in Little Falls, announces that the sale of seals will commence here next Sunday, Dec. 4. Sub-committees have been appointed and they will canvass the business houses of the city. There will also be booths at the postoffice, Buckman hotel and other places, where the stamps may be purchased by the general public.

Proceeds of the sale of Christmas seals go toward combating the dread disease, tuberculosis, which takes a greater toll of lives each year than any other disease. Half of the money raised in Morrison county goes to the state headquarters, but remains with the county public health association to be used for carrying on local health work.

Mayor Berghelm of this city has issued the following proclamation regarding the seal sale:

PROCLAMATION

Truth, with her hand-maidens of scientific knowledge, education and unselfish service of a true citizenship, has largely stamped out the arch-enemies of mankind—leprosy, smallpox, yellow fever and typhoid fever. The leper's cry of "unclean" is heard no more; smallpox and yellow fever, as scourges, have passed. Typhoid fever was the last to go. But twenty-five hundred Minnesotans were killed by tuberculosis last year. Yet tuberculosis is preventable and curable. This awful needless sacrifice of life must stop. The "Great White Plague" must be next to go.

Your purchase of Red Cross Christmas seals will help to stamp out this "plague" and save lives.

Mr. O. L. Berlie, principal of the Little Falls High School, has been appointed Director of the Campaign for the sale of Christmas seals in Morrison County this year, and I urge every man, woman and child in the community, not only to buy some of the seals, but to give such aid to the director as may be in your power to furnish in order that the allotment for Morrison County may be raised.

Dated this 28th day of November, 1921.

N. N. BERGHELM,
Mayor of Little Falls, Minn.

WILL VOTE ON CASS COUNTY DIVISION

Cass county again is confronted with a county division fight as the result of the filing of a petition properly signed with Secretary of State Mike Holm asking that an election be had at which the proposed division be voted on.

Gov. Preus has accordingly issued his proclamation fixing election day, 1922, as the time when the voters will pass upon the proposed division.

The proposed new county will be called Clover, and Pine River is named as the county seat of the new county. A complete set of new county officials is named in the petition.

This is the second election of the kind held in Cass county, and each time the petition called for the creation of a new county called Clover. It will be remembered that this is the same name that Otter Tail county divisionists had selected for their new county in the event it was created.

HOME TALENT PLAY NICELY PUT OVER

"FI-FI" DREW FULL HOUSES AT TWO PERFORMANCES AT HAERWIA THEATRE

"Fi-Fi," of the Toy Shop," a musical fantasy in three acts, was presented to well filled houses at the Haerwia theatre here Monday and Tuesday evenings by home talent, under the auspices of the W. C. O. F., of this city and directed by Mrs. Geo. Connelly of the Rogers Producing Company.

While the play itself was of the light sort and lacked a well defined plot, the production as a whole was put over nicely and without a hitch, in spite of the fact that over a hundred people took part.

The story of the play centered around a toy shop and pictured the daughter of the owner in a wonderful dream, brought on as she wanders in the woods and is overtaken by the Sandman, who casts her into a magic sleep. In her dream, she sees the bisque and wooden creations of her father's toyshop come to life and the contents of the shop and herself encounter many strange adventures before morning.

Your purchase of Red Cross Christmas seals will help to stamp out this "plague" and save lives.
