State Champions in Club Work Announced

Various state and district awards for boys' and girls' extension work in agriculture and home economics were announced this week from the office of T. A. Erickson, University Farm, leader of junior club work in Minnesota.

Edwin Nech of Winona is the state champion poultry club member. In his story of "How I raised my Poultry," he says: "I am very much pleased with this year's result. My financial statement shows a total value of \$190.70 and a total of \$45.25, leaving a net profit for the year of \$145.45."

The state champion of the single acre corn growing class is Verne Coon, a 14 year old boy of Faribault, Rice county. He raised 107 bushels, 65 bushels of which were good for seed corn.

The champion garden club of the state is the Cyrus club of Cyrus, Pope county. The estimated value of its products was \$561.05 and its estimated profit \$90.30.

Creamery Managers to Confer at U Farm

The relation of the price paid for butterfat to the abnormal "overrun" will be one of the principal subjects for discussion at the annual creamery managers' and operators' conference at University Farm, Jan. 5, 1922. That some of the practices resulting in these abnormal "overruns" will eventually react injuriously upon co-operative creameries is a more or less prevalent belief, according to Prof. J. R. Keating, in charge of the conference.

January 2 to 7 Farmers' and Home-Makers' Week

Let it not be forgotten that January 2 to 7 are the dates for the annual Farmers' and Homemakers' Short Course at University Farm. Farm folks who register for this course will not only have an opportunity to study the things in which their interests predominate, but will be able to hear the best speakers representing the agricultural and educational forces to be found in this country. It will be a week of interesting work interspersed with rest periods and recreational features and will be highly enjoyable and profitable.

WILL SEEK BETTERMENT OF STUDY COURSES

At a meeting of the members of the teaching corps of the local public schools Tuesday evening, committees were appointed to consider plans for working out a more complete course of study for the schools. Committees named for each of the following subjects: Reading, arithmetic, manual training, home economics, language and grammar, geography, history. The teachers also adopted a resolution proposed by the teachers' council defining the requirements for the school honor rolls.

Mrs. N. N. Berghem arrived Monday from Duluth, accompanied by her daughter Margaret, who has been attending the teachers' college there. Miss Berghem recently was operated upon for appendicitis and she will remain at home for some time.

A Christmas program will be given at the high school this morning during assembly period by members of the recently organized third period chorus class. This class was organized for the purpose of creating a greater interest in music in the school and other similar classes will be organized later.

The funeral of former Bishop John Trobec of St. Cloud Monday morning, was largely attended, a number being present from the diocese of Wabasha and St. Paul. Archbishop Dawling of St. Cloud gave the sermon, paying a fine tribute to the deceased. The clergy in attendance numbered 125, the priests from this city being: Mgr. Nagel, Fr. A. Lamothe, Fr. Atendorf and Fr. Musial.

BEGINS ROUND-UP OF AUTO TAXES

Certifying tax-delinquent cars for confiscation and finishing a check of cars operating in Minnesota under licenses of other states, Mike Holm, secretary of state, said that a final state-wide campaign to collect motor vehicle taxes will be carried on during the next ten days.

Delinquent lists are being certified to district court clerks in the various counties under the same law that requires the sheriff to forthwith force payments, confiscating the machines if necessary.

Investigations of ownership of cars operated in Minnesota under foreign license tags is about completed, Secretary Holm said. In the larger cities and some localities the police helped the state inspectors with the work. Enforcement proceedings are to be started in cases where Minnesota ownership is established.

Sales of 1922 automobile tags will open January 3 at Secretary Holm's office at the capitol. Application forms, however, may be presented at any bank or from the county register of deeds. Each application for a car now in use must be accompanied by the 1921 registration certificate, the secretary emphasized, and also a remittance covering all taxes, including any arrears with penalties.

In spite of many protests following reductions in automobile prices, the tax rate is based on the factor on November 1 or the model year. While this may make the tax higher on old than new cars of the same make, Secretary Holm explained that the legislature alone has power to change it.

CHILD INTEREST CLUB TO GIVE PARTY FOR CHILDREN

Twenty-five to thirty little boys and girls, the children of members of the Child Interest Club, will be entertained at a Christmas party at the library parlors next Tuesday afternoon at 3 o'clock. The afternoon will be spent playing games and light refreshments will be served.

LEGAL CONTEST OVER MRS. J. J. HILL ESTATE

Disagreement among the heirs of Mrs. Mary T. Hill, widow of James J. Hill, over the disposition of their mother's estate, grew into a legal contest late today when Louis W. Hill, chairman of the Great Northern railroad, filed application in the Ramsey county probate court for his appointment as administrator.

A previous petition for the appointment of the Northwestern Trust Company, one of the financial institutions owned by the Hill family, was filed on Nov. 30. At that time, other members of the family denied there was a disagreement, although Mr. Hill did not sign the petition.

Evidence of lack of harmony was immediately presented, however, when control of the trust company was taken by the other children from Chairman Hill. President C. P. Brown of the First National bank and John T. Tomney, former confidential secretary to James J. Hill and agent for the Hill family, were retired as directors of the trust company.

A deed to North Oaks farm, near Bass lake, also was filed by Mr. Hill today. His ownership of this property transferred to him by his mother in January, 1919, also has been questioned by other heirs.

Mrs. Hill's estate is expected to approximate \$18,000,000, virtually all of which is personal property, including holdings in various railroads, banking and other properties. The Summit avenue property is the only real estate it was declared.
