

FARM BUREAU OFFICES CLOSED

TEMPORARY SUSPENSION OF ACTIVITIES DUE TO LACK OF FUNDS

Denied financial support by the board of county commissioners and not yet sufficiently strong to be self-sustaining, the Morrison County Farm Bureau Association has been forced to temporarily discontinue its service to the farmers of Morrison county and the offices have been closed for a period of at least two months.

C. B. Campbell, who has been county agent, has accepted a position with the Minnesota Co-operative Creamery Association and he will devote his entire time to work of that organization in the Fifteenth District, which comprises Morrison county and parts of Stearns, Benton, Mille Lacs, Cass and Crow Wing counties.

At a recent meeting the county board appropriated \$500 for a county exhibit at the state fair to be put on by the farm bureau association. It was decided by the Farm Bureau executive board to return this money to the county. Unless the county board can obtain some other organization or individuals to put on this exhibit at the state fair it means that Morrison county will lose its chance to gain permanent possession of the silver loving cup given as a trophy to the county winning first prize from its section three consecutive years.

It is the plan of the executive board to make a campaign for members and collect dues that are in arrears, during the next few months, and it is hoped that the offices can be reopened again this fall and the county agent reinstated.

Members of Company M, Minnesota National Guard, from Sauk Centre, were in this city Saturday, between trains, enroute home from Ft. Snelling, where they attended the annual encampment for two weeks.

Mr. and Mrs. A. T. Dumont of Kenmare, N. D., were in Little Falls the latter part of last week with a view of locating here. They had visited a number of cities throughout the state and selected Little Falls. Mr. Dumont has rented the east room in the P. W. Blake building on Broadway east and will open a plumbing shop there. The family will move here the middle of next month.

The Brainerd Dispatch of Saturday contained mention of the marriage of Miss Aletta M. Saltee and Mr. Edgar M. Olson, both of Brainerd. The wedding took place Friday morning at the parsonage of the First Congregational church in that city, Rev. Errington performing the ceremony. The bride was private secretary for Swanson & Swanson, Brainerd attorneys, for a number of years. She has visited in Little Falls a number of times and is known to many local people. Mr. Olson is head of the plumbing department of the Gruenhagen Company of Brainerd.

Jos. Moeglein, Sam Hammerbeck and C. Rosenmeier of this city and R. E. Olmstead, farm club specialist with the university extension division, met at the Buckman village Sunday evening, and met with the people of that community for the purpose of interesting them in the county fair here. Mr. Olmstead spoke on the value of community clubs and county fairs and urged that the Buckman people form a club. Mr. Rosenmeier also gave a short talk. Assurance was given the local men that the county fair would be supported and it was indicated that a club would be formed there in the near future.

A Veritable Paradise

Buddies of the Gopher Gang, this is your state. It is a good state. You are one of its citizens. You can help make it still greater. Stand by it. Say a good word for it every time you can. Get back of every movement to improve it. Co-operate to make the name of "Minnesota" honored, respected and admired through all the land. Our folks are the finest kind of people. Our rolling prairies, silvery lakes, noble forests and winding rivers form a veritable paradise. Our farms, factories, mines and busy business places provide employment for all to live in peace and comfort. Minnesota! The North Star State! The home of The Gopher Gang! Boost for it, buddy, as long as you live. You'll never find another like it.

Gopher School Children

Gopher school children are showing unusual interest in the Legion National Essay Contest open to all students of twelve to eighteen years on how the Legion may best serve the nation. Hanford MacNider, Legion National Commander, offers \$2,000, in cash prizes to the writers of the best essays. The first three prizes are for \$750, \$500 and \$250 respectively. Essays should be of 500 words in affirmative and constructive style, on one side of paper leaving one inch margin on each side. Each writer may submit one essay to the county superintendent of schools not later than August 1st. He will select the best essays from the county and send them to E. C. Nicholson, Minnesota Legion State Americanism Director, who with state educational authorities will choose the best essays from Minnesota for final competition against those of other states to decide the national winners. Age of child, neatness, spelling and penmanship will be considered in making the awards. Here's hoping that some Little Gopher boy or girl will bring honor to Minnesota by submitting one of the prize-winning essays. Let's go!

Minnesota's Own

The 88th or Cloverleaf Division which will hold its reunion at Fort Snelling September 1-3, has often been called "Minnesota's Own." The Cloverleaf boys will be housed and fed by Uncle Sam at the Fort, no charge for beds and barracks, a nominal charge for cats. On September 2nd, Saturday, at the Minnesota State Fair, the Division will parade just before the auto races, led by Major General Wm. Weigel, and the Champion Legion Band of America from the David Wisted Post, Duluth. Following the parade, the Division will view the auto races from the grand stand, returning for a Saturday night program at Fort Snelling. On Sunday, Fort Snelling and the Cloverleaf Boys will be hosts to the governors of the states surrounding Minnesota from which the 88th boys were drawn. The day will be crowded with events, the whole Northwest being invited to visit the Fort and watch the Field Day events, to which the Fort Snelling garrison will contribute, followed by an address of General Sir Julian Byng of Flanders, now Governor General of Canada. The whole reunion program is so well laid out that, aside from renewing old acquaintances there won't be a dull moment in the visit of the veterans, more than five thousand of whom are expected to arrive from Missouri, Nebraska, Iowa, Illinois, North and South Dakota and Minnesota. Reduced railroad rates will be available, to the reunion.

"U" BEEVES TOP YEAR'S MARKET

CENTRAL COMMISSION CO. SELLS COLLEGE'S EXPERIMENTAL CATTLE FOR \$9.85

(By Farm Bureau News Service) Baby beefs fattened by specialists at University Farm, St. Paul, in a feeding experiment, sold at South St. Paul for \$9.65 a hundredweight.

The animals were marketed by the Central Co-operative Commission Association. The farmers' sales agency obtained the highest car lot price paid this year on that market. The year's previous record was \$9.00. The consignment was made up of 20 head of pure breeds, 10 head of grades and 10 head of mixed cattle. The pure breeds and grades brought the record price, the mixed animals having sold for \$8.25.

W. H. Peters, fat cattle specialist at the College of Agriculture, has been conducting feeding experiments with six lots of young animals for some time. But 40 of the 60 head in the experiment were sold. Twenty head were kept for additional conditioning. When finished, they probably will be shown in the International livestock show this fall.

The experiment ran 196 days. The object was to determine the value of silage in a cattle fattening ration and the relative value of corn and barley. Calves whose ration contained silage sold for 10 cents less. However, animals in the silage lots made their gains more cheaply and returned \$2 a head more profit. Barley did not prove a satisfactory substitute for corn, due to the higher price of barley.

"BIG TOWN" VAUDEVILLE HERE NEXT WEEK

For the first time in years, if not in the history of Little Falls, the people here will have the opportunity next Monday and Tuesday evenings of witnessing on the local stage—at the Harwha theatre—a solid bill of "big circuit" vaudeville. This would not be possible except for the fact that the performers, who are from the Keith & Orpheum circuits, are making a transcontinental tour during the dull season.

Six distinct acts by six different vaudeville teams and one big closing act by the entire company comprise the entertainment. Armand Wright and Ruby Earl appear in a series of songs, styles and steps. Dena Cooper and company appear in a playlet of thrill and action. The Three Beauties put on a novelty which includes singing, dancing, pantomime. Miss Ethel Leslie appears in a song cycle. George Nelson and Maude Day present a musical melange which includes clever banjo playing, singing and piano-accompanied play. Edna Knowles and Roger Hurst appear in a lively "tit-for-tat" program closing with a revised skit that is said to be exceedingly humorous. The closing act is a farce comedy "The Brazilian Widow," by the entire company.

The advance seat sale for this feature bill at the Harwha is at the Streukens drug store. See announcement elsewhere in this issue. B. Connell of Bend, Ore., and her daughter, Miss Fay Connell of Portland, were guests Thursday at the home of Mr. and Mrs. John T. Hoblitt. Mrs. Connell and her daughter are former residents of Little Falls, Minnesota. They have been residents of the west for three years and are thoroughly in love with the country. Mr. Connell holds a fine position with the Shevlin-Hixon Lumber Company of Bend.

MORRISON COUNTY BOYS GUESTS OF STATE FAIR

Two Morrison county boys, Cyril Kjeldergaard of Cushing, and Oscar Youngdale, of Little Falls, are going to attend the Minnesota State Fair, Twin Cities, September 2 to 9, as guests of the management.

The boys are enrolled in boys' and girls' club work, and the trips are prizes offered by the State Fair to the two boys who made the best record in club work in this county last year. Cyril Kjeldergaard excelled in potato club work, while Oscar Youngdale specialized in pig club work.

Two boys from each county in the state will be guests of the Fair management at the Tenth Annual Farm Boys' Camp this fall. R. C. Coffin, of the Minneapolis Y. M. C. A. is in charge of the camp.

All the expenses of the boys, including railroad fares, lodging and meals, will be paid by the State Fair. The Farm Boys' Camp will be located on Machinery Hill.

To enable the boys to get the most good out of their visit, educational trips will be taken each day. The boys will be divided into small groups, in charge of competent instructors, and they will study exhibits in a systematic and intelligent manner. They also will be taken on sight-seeing tours of the Twin Cities.

Otto Wimmer of Spokane, Wash., formerly of Little Falls, was a guest at the S. P. Brick home here over Sunday. Mr. Wimmer left Monday for St. Cloud and St. Paul to visit relatives and friends before returning to Spokane.
