WANT BIRD AND BIRD SPECIMENS

Specimens of all kinds of birds and fish are wanted to be used on exhibit at the Morrison County Fair. Anyone who has any such specimens, kindly leave them at the Merchants State Bank to be used on free exhibit at the fair. It is hoped to have at least 100 specimens in this exhibit and should prove to be one of the most interesting exhibits at the fair. Educational work along the line of fish, bird and game, will be done by J. M. Totten, and free literature will be furnished by the Game and Fish Department of St. Paul. There will also be illustrated books with pictures in colors and short descriptions of all the birds and animals in the United States. Also number of pictures and descriptions of different fish. Mr. Totten has written to the taxidermist at Hackensack to try and secure a large muskellonge to be placed with the exhibit. Among some of the larger specimens to secure is a beaver, otter and mink. It is also hard to locate different varieties of mounted fish. Any one having these different specimens will greatly favor the local Sportsmen Club by leaving them at the Merchants State Bank.

CONTRACT LET FOR ADDITIONAL PAVING

30-FOOT PAVEMENT TO BE LAID ON FIRST STREET S. E. TO SIXTH AVENUE

McCree-Moos Company, of St. Cloud, were awarded the contract for paving an additional 12 feet on First street southeast to Sixth Avenue, by the council at a meeting Monday evening. The net bid was \$2.20 per square yard. A hearing was held and property owners objected to same. The paving will be laid in two 15 foot strips with extra reinforcement. The state pays for 18 feet.

Alderman Peterson reported that he had been informed by representatives of the state highway department that Broadway west will be chryed and graveled at once. A letter from the state highway department stated that the matter of fixing this portion of Trunk Highway No. 28 had been taken up with the maintenance superintendent.

A report of the city board of equalization was read and ordered filed. The board recommended that the council hire the city assessor by the year, believing that more satisfactory assessment results could thus be obtained at a small increase in cost. Mayor Berghelm, a member of the board, was present and he urged that the council take steps to hire the assessor by the year. He said Mr. Ellenbecker had \$75 per month if hired in that manner. The annual report of the Little Falls Fire Relief association for 1921 was read and accepted. It showed a cash balance on hand, Dec. 31, 1921, of \$400.80 and city bonds totaling \$1,402.00.

The annual report of the Carnegie library for the year ending June, 1922 was also read and accepted. The report showed 22,361 volumes lent for home use during the year; an average daily attendance in reading and reference room of 39; 402 new borrowers registered during the year and 1,875 borrowers cards in force at date of report.

Tuesday evening, Sept. 5 was fixed as the date for a public hearing on the assessments for street sprinkling and sewer construction on First Street east and First Avenue northeast.

At the suggestion of Mayor Berghelm the street commissioner was instructed to notify the McCree-Moos Company to do hauling for paving over Third Street east.

G. H. Enke appeared and called attention to the fact that a building occupies part of First Avenue southwest and prevents the use of the avenue. The street commissioner was instructed to notify the owners to move said building off the street.

The offer of C. C. Jackson to put in a sewer connection over First street southeast on Sixth Avenue at \$1.10 per foot for 10-inch pipe was accepted.

Palmer Nelson, manager of the Buckman hotel, called attention to the fact that the city water pressure is so low that water isn't available on the third floor. He said that the hotel was losing money every day on this account, patrons not wanting the rooms where water is not available. It was decided to ask the water committee to make a report at the next meeting. The aldermen agreed that the situation is serious and something must be done soon.

An appropriation of \$500 was made for the Little Falls county fair. J. K. Martin appeared and asked for the appropriation.

M. M. Williams, of Minneapolis, was present and he asked what the proposition was regarding Pine Grove park. Alderman Geo. Peterson explained that the city is anxious to locate a tourist camp ground in the southwest corner of the park.

Mr. Williams said he would be glad to be of service to the city. He remarked that he had noticed in cities in the southern part of the state that parks were used for tourist camp grounds, but in all instances they are properly policed. He said that he believed the donors of Pine Grove park would consent to such use of a part of the park provided proper supervision is provided. He said he was willing to come up here at his own expense to help lay out the camp grounds. The camp ground committee was instructed to meet with Mr. Williams in connection with this matter.

Mr. Williams stated that L. F. Runkel, of the Water Power company told him the company would let the city use any of its vacant property for such purposes.

Council Adjourned

BUS LINE TO EXTEND TO LITTLE FALLS SOON

Extension of motor bus transportation to Little Falls by the Jefferson Highway Transportation Company which operates busses out of Minneapolis, will likely be made within a week or ten days, according to E. L. Bryant of that company, who was in Little Falls on business Wednesday.

Except for a short distance near Sartell the paving is now complete from St. Cloud to about a half mile below the Soo Line tracks 3 miles south of Little Falls and most of it will be open for traffic within a short time. The bus company will run two through busses from Brainerd to the Twin cities via Little Falls at least two other busses will be operated between Brainerd and St. Cloud to connect with busses which will go on as St. Cloud. Brainerd has been on this bus line for some time but the busses were routed via Onamia. The company intends to continue the service to Onamia and Aitkin.

WILL LAY CORNERSTONE FOR NEW CHURCH

Services marking the laying of the cornerstone of the new Catholic church at North Prairie will be held Sunday afternoon on August 20, beginning at three o'clock. Rt. Rev. Busch, bishop of the diocese, will preside at the service and preach.

A picnic will be held following the service and the ladies of the parish will serve supper at five o'clock. An invitation is extended to everyone to attend.

LOANS AMENDMENT FIRST ON BALLOT

RURAL CREDITS LAW DESIGNATED AS AMENDMENT NO. 1

The rural credits amendment to Minnesota's constitution, up for adoption this fall, will appear on the official ballot as Amendment No. 1. This amendment was made Wednesday at St. Paul by Mike Holm, Secretary of State.

Placing the amendment first on the ballot will greatly improve its chances for adoption, according to Harry Edmunds, general manager of the Farmers' Terminal Packing company and member of the farm organizations' committee that is sponsoring a statewide campaign to impress on all voters the importance of favorable action.

"As the campaign progresses," says Mr. Edmunds, "the amendment will become known as 'No. 1.' The popularity of the good roads amendment two years ago, which also was first on the ballot, will be an important factor in overcoming the present danger of indifference. The amendment must be favored by a majority of voters voting to be adopted; hence failure to vote is the same as voting against it."

\$18,000 SAVED TO CREAMERIES

On the first 100 cars of butter marketed by the New York office of the Minnesota Co-operative Creameries Association, Inc., net savings were \$18,000, according to A. J. McGuire, general manager. This is at the rate of \$180 a car.

The savings grew out of the association's plan to ship Minnesota's co-operatively-made butter in carload lots, instead of part-car consignments. The latter plan was the rule before the association entered the field.

Since June 22, the New York office has been receiving practically all the butter made by member creameries. A large percent of the first 100 cars has been handled during the last two weeks.

"This \$18,000 saving," says Mr. McGuire, "is but an indication of what the association will do, as it extends its activities. It, moreover, is dollar and cents proof of the worth of co-operation in marketing dairy products. At present our freight saving are 100 percent more than the entire cost of running the association."

Mr. McGuire is in Chicago this week, attending a final hearing which he expects will result in still further savings. He has been working for some time to obtain additional rate reductions on concentrated shipments.

ATTEMPT MADE TO BURGLARIZE LOCAL MEAT MARKET

An unsuccessful attempt at burglary was made at the shop of the Little Falls Packing company some time Wednesday night. A screen on the pent house at the rear of the shop was torn off and a hole about 3 by 6 inches had been hacked in the back door of the shop by means of an iron bar sharpened at one end, which belonged to the company, in order to reach the bolt with which the door was held fast. Apparently the burglar feared discovery and left with the job half done as the door had not been unlocked and nothing was missing or disturbed inside the shop. Mr. Gauradt was at the shop at 9 p. m., having brought some veal there and the attempt at burglary occurred some time between that hour and opening time yesterday morning.

YESTERDAY HOTTEST DAY

Yesterday was the hottest day of this summer so far as Little Falls was concerned. The government thermometer registered 99 degrees in the shade. On Monday it registered 95.

Wednesday the weather man duplicated his record of the previous day, a maximum of 98 being registered by the government thermometer here.

DATES OF NEIGHBORING FAIRS

The Stearns county fair at Sauk Centre started Wednesday and continues through today and tomorrow. The Todd county fair will be held August 22, 23, 24 and 25, at Long Prairie. The Benton county fair at St. Cloud opens Friday, Aug. 25 and ends on the 27th. The Motley fair opens August 29 and closes Sept. 2.

Mr. and Mrs. Fred Freeman of Superior and Mrs. Julius Lenius of Two Harbors are spending the week at the Totten cottage at Lake Alexander.

Died

Heoseur Doucette, one of the pioneer settlers of Morrison county, died at midnight Sunday at St. Gabriel's hospital from complications due to bone tuberculosis. Mr. Doucette a number of years ago fell on a buggy wheel and injured his leg, tuberculosis of the bone developing. He was 82 years old. Mr. Doucette was a resident of this county for nearly fifty years and was well known in his community. His wife died seventeen years ago and in recent years he has resided with a niece in Belle Prairie. There are no surviving children. One sister, Mrs. Hermine Como, resides in Canada.

The funeral was held from the Church of the Holy Family, Belle Prairie, Wednesday morning at 9 o'clock, Rev. Pellet officiating. Interment was in the church cemetery.

Frank Yanta, one of the early settlers of Swan River township, died Monday evening at 6:39 o'clock at his home, 408 Eighth street southwest, this city, from old age. He was 72 years old.

Mr. Yanta was born in Poland July 10, 1850. He came to this country thirty-five years ago and located in Swan River township, where the family lived until a year ago, when they moved to this city.

Surviving are Mrs. Yanta, three sons and three daughters. The sons are Tom of this city and Joseph and Leo of Pike Creek.

The funeral was held from Our Lady of Lourdes church, West side, Wednesday morning at 9 o'clock, Rev. Mustard officiating. Interment was in the church cemetery.

ROSEBUD FORTIER ENGAGED AS THEATRE DIRECTOR

Miss Rosebud Fortier, of this city, will engage in theatrical work the coming season. She has accepted a position as director at the Little Theatre in Charleston, W. Va., and she will leave for that city this week from Sunday to take up her duties.

Miss Fortier will personally direct rehearsals for the plays to be put on at this theatre and the first one will be Louisa Alcott's "Little Women."

The theatre has a 40-week season and supplies productions for half a dozen theatres on a circuit in that section.

Besides the theatre work Miss Fortier will do lecture work on modern stage craft at the Mason School of Music and Dramatic Art, of Charleston.

The many friends of Miss Fortier are indeed glad to observe the rapid strides she is making in her profession. Last year she organized a department of public speaking in the Minneapolis public schools.

RAINBOW VETERANS TO PICNIC

The Rainbow Veterans of Minnesota will hold their third annual picnic at Camp Pike, midway between Minneapolis and St. Paul on Saturday afternoon, August 26th.

The Home Poles association will join the Rainbow Veterans with their picnic baskets well filled to take care of the out-of-town visitors.

HOGS SHOW PRICE GAIN DURING WEEK

VALUES ABOUT HALF A DOLLAR ABOVE LAST TUESDAY

(By U. S. Bureau of Agricultural Economics and Minnesota Department of Agriculture.)

Tuesday's Closing
Cattle, 3,000. Market mostly steady to strong, spots higher. Calves, 2,000. Big quarter higher, best lights largely \$9.75. Hogs, 6,000. About steady. Closing range \$6.75 to \$10.00. Bulk \$7.00 to \$9.75. Pigs mostly \$10.00 sheep, 1,500. Lambs steady to 25c higher, sheep steady.

South St. Paul, Minn., August 15, 1922: Cattle trade at this week's opening held largely steady following declines in last week's late trade. The market today carried a strong undertone due to the decrease in general marketings and a good country demand for stockers and feeders.

No good or choice beef steers were offered on opening days. Grass-fat steers or common and medium grade sold about steady with last week's close. Best Dakotas and Montanas sold at \$7.25 to \$7.75 or somewhat higher, with the bulk at \$6.00 to \$7.00, commonest kinds as low as \$5.50 or less.

Best young cows on the higher order and straight heifers found an active outlet at strong to slightly higher prices, selling from \$5.50 to \$7.00. Bulk of grass-fat steers were moved at prices ranging from \$3.50 to \$5.00. Canners and cutters sold at \$2.25 to \$3.50. Bologna bulls were boosted 25c or more selling from \$3.50 to \$4.00. Veal calves regained all or more of Monday's loss, being a big quarter higher today, best lights selling at \$9.50 to \$10.00, bulk at \$9.75. Second cuts sold largely from \$5.00 to \$6.00.

Stockers and feeders sold under a broad demand at fully steady to strong prices ranging from \$3.50 to \$7.50, bulk \$5.00 to \$6.50.

Hogs advanced about 50c during the past week, bulk today \$10.00 to \$10.75. Good grades of hogs sold at \$11.50 to \$11.75, or 50c to 75c higher than a week ago. Fat native ewes ranged from \$3.00 to \$6.50, heavies going mostly at \$3.00 to \$4.00.

MAKES FORTUNE ON OIL LANDS

J. J. HENNING, WELL KNOWN HERE, MADE LUCKY TRADE FOR TEXAS LAND

Brainerd Dispatch: Some men are regular favorites of fortune, they have luck wished on them whether they want it or not.

There's for instance, our friend, Joseph J. Henning, well known investor in Cuyuna iron range lands. He was born near Pierz, Minn., and he has been working for some time to obtain additional rate reductions on concentrated shipments.

He got in early on the Cuyuna iron range, one of his largest holdings being an interest in a 40 in section 17, township 47, range 29, located near the Riverton and the open pit of Sagamore mine. He also has choice holdings in other sections. Joe's son is a student at the State School of Mines, and is now gaining practical experience at the Ida Mae mine at Crosby.

Henning is built like an athlete, is always jolly and plumb full of jokes. Henning made the big oil strike a couple of days ago. Joe made a land deal, taking in trade some Texas land he did not consider worth much and was about ready to give it up, when he received a letter from a party wanting to know if it was for sale. Along came more letters inquiring about the Texas lands.

Joe did not answer any of this correspondence, but he thought it best to make a trip down and see for himself what he had. He found his land surrounded by big oil wells.

The result was, he sold a lease on part of his land for \$72,000 cash and an eighth of the oil. Drilling started and a 4,500 barrel well gushed forth and is still gushing. Joe is now getting to take a look at the balance out. It'll give Henning luck to land a whole flock of gushers.

MARRIED

Miss Estella Rudolph, daughter of Mr. and Mrs. Rudolph of Brainerd and Mr. Harold G. Johnson, also of that city, were united in marriage by Rev. Winther at the Norwegian Lutheran church in Brainerd Thursday morning at 10 o'clock. Miss Thorsen, cousin of the bride, was bridesmaid, and Mr. Ragnar Johnson, brother of the groom, best man. Miss Dagmar Johnson, sister of the groom, played the wedding march and sang. A reception was held at the home of the bride's parents following the ceremony.

Mr. Johnson is the son of Mr. and Mrs. Joseph Johnson of Pike Creek, this county. He was raised there and is well known in his home community. For the last few years he has been employed in Brainerd and at present he is with the Northwestern Paper company of that city. Mr. and Mrs. Johnson will reside at 813 Fourth avenue northeast, Brainerd.

MARRIAGE LICENSES

Marriage licenses were issued this week to Fred Moehle and Edna Landmeier; Michael Krewsek of St. Louis county and Clara Pekala and to Wm. F. Olson and Anna Smith.

CAR AND CASH GONE ALSO HIRED MAN

FARM HAND SUSPECTED OF THEFT BEING SOUGHT BY AUTHORITIES

Authorities of this county are looking for a young man named Otto Hawkin who is suspected of the theft of a Ford automobile and \$25 in cash from Christ Smith of Platte township.

Hawkin, an orphan, had been working at the Smith place a short time. On Tuesday he went out to the field with Mr. Smith to work and at about 9 o'clock he left and went up to the house without saying anything to Mr. Smith. No further thought was given the matter by Mr. Smith but when he returned to the house at noon he found that his car was gone. On further investigation he discovered that \$25 in cash had been taken from the house. The only trace of the state have been tracks of the automobile tires leading from the house.

Sheriff Felix was notified and he went out there and made an investigation. The car tracks could be traced for a distance but not far enough to know what direction the car eventually took. Authorities throughout this section of the state have been notified to be on the lookout for the man and car. Mr. Hawkin is 17 years old. He has a dark complexion and looks as if he was part Indian. The car is a Ford touring, license tag No. A-75671 and motor number 951545. Two windows in the rear of the top are broken.

Sheriff Felix received a telephone call Wednesday evening stating that the car had been found in Genola village. It has been abandoned back of a building and had been there all day. Toward evening, when no one showed up at the car suspicion led to an investigation which showed it to be the stolen car. It was not damaged.

PAGEANT QUEEN CONTEST

In connection with the staging of the fair historical pageant at the county fair here August 30 and 31 there will be a Pageant Queen Contest. The most popular young lady of Morrison county, the one receiving the largest number of votes, will be crowned queen of the pageant at the fair grounds. She will be given an elaborate prize.

With each admission ticket purchased is given 50 votes for a queen candidate. A number of local lodges and other organizations will appoint a candidate for this contest and it promises to be very interesting.

Mrs. Mary Wisniewski was arrested Friday evening by local police charged with having moonshine liquor in her possession. She was brought before Judge Randall Saturday and pleaded guilty. A fine of \$25 and costs was imposed.

ANOTHER BIG COMMUNITY DAY

MERCHANTS TO OFFER SPECIAL INDUCEMENTS ON WEDNESDAY, AUG. 30

Preparations are now under way for the second big Community Day in Little Falls, which will be held on Wednesday, August 30, the second day of the county fair. Business concerns of Little Falls are co-operating to make the coming event even better for the buyer than the last one.

A Community Day Special announcement bargaining the merchants of Little Falls will offer on that day will be published and copies will be sent to every family in Morrison county and adjacent territory.

By coming to Little Falls on Wednesday, Aug. 30, the people can "fly two kites with one string." They can effect a substantial saving on purchases and can attend the county fair. Plans should be made to stay all day if possible, as the attractions at the county fair will be worth the time spent. There will be fancy flying by a squadron of aeroplanes; hand concerts; vaudeville performances, etc., in the afternoon. In the evening there will be a mammoth historical pageant depicting the history of Morrison county, in which five hundred people will participate. Nothing of this nature has ever before been attempted here and probably will not be given again for many years to come so no one should miss it.

THE LADIES' AID OF SETH LUTHERAN CHURCH

The Ladies' Aid of Seth Lutheran church will be entertained at the home of John Myrman, Fourth street southwest, next Thursday afternoon, Aug. 24 at 2:30 p. m. All are welcome.

LOUIS W. VASALY HAS BEEN ELECTED

member of the board of directors of the First National bank of this city, to succeed W. H. Ryan. Mr. Vasaly has lived here all his life and is well known throughout Morrison and surrounding counties. He is a practicing attorney here now, being in partnership with his brother, S. C. Vasaly.

THE FAIR BOARD HAS SECURED A CONTRACT

with E. A. Berg & Co., for the staging of a real colossus, where two large and powerful cars will crash together at high speed. This promises to be a thriller and an immense crowd is expected to witness the event. The engines on the two automobiles are being overhauled at the Berg shop and according to Mr. Berg, nothing will be spared in order that the highest degree of speed and power will be attained. Skilled mechanics will be in attendance at the last moment. Men with superior nerve have been secured as pilots. These men will just give the throttle after having throttled the autos into full speed.

Not contented with the extraordinary features already booked the management is also trying to get the ownership of a powerful wireless receiving station to come here and set up same for the benefit of the fair goers. Radio news, market quotations, concerts, etc., will thus be available and the public in general will be afforded the novelty of hearing all this over the wireless.

Admission to the fair will be as follows: Exhibitor's ticket, entitling purchaser to make entries and admit driving fair, transferable between husband and wife, \$1.50. Season adult ticket, not transferable, \$1.00. Children's season ticket 50 cents. Single admissions, adult over 14 years 50 cents. Single admissions, children 6 to 14 years 25 cents. Children under 6 years admitted free if accompanied by parent or guardian. Grandstand seats 15 cents. Automobile or motorcycle admissions, 25 cents.

Following are the officers, directors and division superintendents for the fair:

President—Jos. Mooglein.
Secretary—C. E. Lucas.
Treasurer—W. H. Ryan.
Directors—Victor Beckman, Samuel Hammerbeck, Edw. Fredrickson, Chas. Sylvester, A. F. Koslosky, Geo. Moeglein, Sr., J. K. Martin, Geo. Kiewel, David Johnson.

DIVISION SUPERINTENDENTS
Horses, Cattle—Chas. Knutson.
Swine, Sheep—M. C. Noyes.
Poultry—Frank Bolander.
Farm Crops—Chas. Peterson, supt., Andrew Johnson, asst.

COUNTY FAIR WILL BE BANNER EVENT

FLYING STUNTS, BIG PAGEANT AND OTHER ATTRACTIONS—FAIR DATES AUG. 29-30-31

The 1922 Morrison County Fair, which will be held at the fair grounds in Little Falls on Tuesday, Wednesday and Thursday, August 29, 30 and 31, promises to be the biggest and best in the history of the fair society. Farmers' organizations as well as individuals throughout the county are co-operating with the society to make the fair a success and the collection of exhibits of Morrison county's products will be bigger and better. Several thousand dollars is offered in prize money for the best exhibits. Premium lists were mailed out this week. If you did not receive one write or telephone C. E. Lucas, secretary, Little Falls.

ENTERTAINMENT FOR THE FAIR VISITORS

will surpass anything previously attempted by the society. Wednesday and Thursday, Aug. 30 and 31, are the big fair days and no efforts are being spared to make the attractions worth coming many miles to see. There will be concerts both afternoon and evening by the Little Falls city band; free vaudeville; shooting exhibition by Chas. L. Flanagan, one of the world's greatest marksmen; a flying circus and an historical pageant. The flying circus is an attraction unlike anything ever seen here. It consists of a program of fancy flying by a squadron of aeroplanes from St. Paul.

The historical pageant will be a big attraction as it is the first of its kind in the history of Morrison county. The pageant will depict the history of the county in periods, from the time of the first settlers to the present time. About four hundred people and fifty horses will appear in this production and there will be elaborate costuming and special interpretative features. The pageant will be put on Wednesday and Thursday evenings.

Hon. Harold Knutson, representative in Congress from the Sixth district, has been secured to deliver an address at the fair on Thursday afternoon, the 31st. He is well informed on paramount questions and promises to have an interesting message for the farmers as well as for the public in general.

Part of the fair grounds will be converted into a veritable Indian village. The fair management has made arrangements with the government Indian agency at Leech Lake whereby three or four families of Indians from the reservation, numbering about twenty-five people, will come here for the fair. They will live on the fair grounds, in tepees, and will entertain the fair visitors with pow wows, dancing, etc.

with E. A. Berg & Co., for the staging of a real colossus, where two large and powerful cars will crash together at high speed. This promises to be a thriller and an immense crowd is expected to witness the event. The engines on the two automobiles are being overhauled at the Berg shop and according to Mr. Berg, nothing will be spared in order that the highest degree of speed and power will be attained. Skilled mechanics will be in attendance at the last moment. Men with superior nerve have been secured as pilots. These men will just give the throttle after having throttled the autos into full speed.

Not contented with the extraordinary features already booked the management is also trying to get the ownership of a powerful wireless receiving station to come here and set up same for the benefit of the fair goers. Radio news, market quotations, concerts, etc., will thus be available and the public in general will be afforded the novelty of hearing all this over the wireless.

Admission to the fair will be as follows: Exhibitor's ticket, entitling purchaser to make entries and admit driving fair, transferable between husband and wife, \$1.50. Season adult ticket, not transferable, \$1.00. Children's season ticket 50 cents. Single admissions, adult over 14 years 50 cents. Single admissions, children 6 to 14 years 25 cents. Children under 6 years admitted free if accompanied by parent or guardian. Grandstand seats 15 cents. Automobile or motorcycle admissions, 25 cents.
