PERIODS OF PAIN.

Menstruation, the balance wheel of woman's life, is also the bane of existence to many because it means a time of great suffering.

While no woman is entirely free from periodical pain, it does not seem to have been nature's plan that women otherwise healthy should suffer so severely. Lydia E. Pinkham's Vegetable Compound is the most thorough female regulator known to medical science. It relieves the condition that produces so much discomfort and robs menstruation of its terrors. Here is proof: DEAR MRS. PINKHAM:—How can I thank you enough for what you have done for me? When I wrote to you I was suffering untold pain at time of menstruation; was nervous, had headache all the time, no appetite, that tired feeling, and did not care for anything. I have taken three bottles of Lydia E. Pinkham's Vegetable Compound, one of Blood Purifier, two boxes of Liver Pills, and to-day I am a well person. I would like to have those who suffer know that I am one of the many who have been cured of female complaints by your wonderful medicine and advice. —Miss JENNIE R. MILLS, Leon, Wis.

If you are suffering in this way, write as Miss Mills did to Mrs. Pinkham at Lynn, Mass., for the advice which she offers free of charge to all women.

Thankful words written by Mrs. Ada E. Hart, of Gorton, S. D.—Was taken with a bad cold which settled on my lungs; cough set in and finally terminated in Consumption. Four doctors gave me up, saying I could live but a short time. I gave myself up to my Saviour, determined if I could not stay with my friends on earth, I would meet my absent ones above. It has cured me, and thank God I am saved and now a well and healthy woman. Trial bottles free at L. D. Brown's drug store. Regular size 50c and \$1.00. Guaranteed or price refunded.

Information from St. Cloud indicates great preparations for the big free Street fair to be held there on October 12, 13 and 14. If half that is claimed by its people is true, the occasion will be more enjoyable than a state fair. There will be three days of solid fun, and all for nothing. When St. Cloud puts her shoulder to the wheel, something always moves.

H. F. SCHLEUBER.

Those who understood the local political situation scarcely expected the Republican opposition to entirely subside after the caucuses and convention. But it is the duty of the Republican candidate and the loyal Republican voters, to make the best canvass possible for the entire Republican ticket. That is a responsibility that should not and will not be avoided.

The foundation for the addition to the new pulp mill is almost completed. The new water wheel has been lowered into position.
