Mr. and Mrs. John VanMetre and little daughter Ethlen, returned here on Tuesday from a visit to the Twin Cities.

Mrs. Downing, who has been visiting her daughter, Mrs. Simon Michelet, returned to her home at St. Paul last Friday.

Charley Murray, townsite owner of Ebro, was at the Agent's office today to list for sale three inherited Indian allotments.

Mr. Green of Erie, Mich. who was appointed school farmer for the boarding school here last month, has not yet made his appearance.

Go over to "Chinum" and see the new stock of shoes he just received, they are the model Grimruds both for ladies and gentlemen.

Alice McNabney of Laurel, Kansas, the newly appointed matron of the boarding school here, arrived yesterday. She takes the place of Mrs. Lipps who resigned recently.

DENTISTRY—For first class dentistry, call on Dr. R. H. Phalon. Teeth extracted without pain. Crown and Bridge work a specialty. Office over First National Bank, Detroit, Minn.

Congressman Haugan of Iowa with several friends were visitors of this reservation last week. They came to examine some of the inherited Indian lands with a view to purchasing.

Mrs. Susan B. Moneriff of Topeka, Kansas, who was recently appointed as seamstress for the Pine Point government boarding school, reported to Agent Michelet yesterday for duty.

Oscar Davis, a recent graduate of Carlisle, was a visitor at the office of the TOMAHAWK last Monday. Oscar is a practical printer having passed his apprenticeship with the Carlisle school paper.

Chief Weise of the Pembina Settlement, made the TOMAHAWK a pleasant call. He came to the Agency for the purpose of consulting with Agent Michelet regarding the building of a day school at the Pembina Settlement.

Captain of Indian police, Joseph Lozon, has taken Ke-she-ah-bo, an Indian woman of this reservation, to the Indian insane asylum at Canton, South Dakota. He was accompanied by Eva Roy, who will assist him in looking after the woman.

Agent Michelet has notified the chief of police of New York City, of the death of Barton Wooley who was drowned in Walker Lake on this reservation last Fall, and whose body was found recently. Young Wooley was a New Yorker, and it is for the purpose of locating his family that the notice has been sent to the chief of police.

Mine host, John Leecy, of the Hotel Leecy is the proud possessor of a combination harness made at the Indian school at Genoa, Neb. It can be used either as a single or a double harness, and with or without blinders. It is remarkably well and neatly made, and it is a strong recommendation for the industrial department of the Genoa school.

John Lynch, one of the bonanza farmers of this reservation, reports that seeding on his and surrounding farms in that vicinity has been completed. Mr. Lynch believes in diversified farming and he and some of the more progressive farmers in his neighborhood are going to experiment in corn raising this year. He has also transplanted on his farm five thousand cottonwood, willow and box-elder trees besides a large number of berry bearing shrubs.

Considerable inherited Indian land has been listed for sale in the Indian agent's office. Last Tuesday was the date upon which the bids for the first tract of this class of land were opened. There was only one bid made, namely: that of T. N. McLean of Fergus Falls, but this was rejected by the agent on the grounds that it was below the value of his appraisal of the tract. The bid was for seven dollars per acre and the agent appraised it at ten dollars per acre.

AGAIN WE CELEBRATE.

Once again the Planting Moon is in the ascendancy and the fresh youthful vigor of smiling spring and summer is with us. All Nature awakens from the drowsy stupor of wintry slumber to revel in the sunny charms of summer dreams. Verily, the day of rejoicing is at hand. And it is with cheerful pleasure that we announce to you, kindred and fellow neighbors, that the 35th Anniversary of June 14th, 1903, will be celebrated at White Earth, Minn., on June 15th and 16th, 1903. On this occasion we most respectfully solicit the company of yourself, relations and friends to come and partake of this Feast of Good Cheer, smoke the Pipe of Peace and quaff the blissful ecstasy of joy unconfined.

Exercises of the day.

Will consist of federal salute at sunrise; Sioux and Chippewa making peace; grand aboriginal parade; speeches by His Excellency, the Governor and by Hon. Ray W. Jones, Lieut. Gov. of Minnesota and Hon. Conde Hamlin, General Pioneer Press, St. Paul, Minn., and other prominent red and white orators; Canoe races, Games, Dancing and rendition of Longfellow's Hiawatha by native men and women, etc., etc., Music by White Earth Boarding School and White Earth Cornet bands.

Here will be an opportunity to see Nature's red children, as they were yesterday—as they are today, in a word, to see them enjoying themselves in the fun, frolic and festivities, as was their happy wont, in the days of long ago and ere the erect form and agile steps were bent and dulled by the trying cares of a new civilization and before assuming their share of the white man's burden.

ANOTHER OLD SETTLER GONE.

The sad news of the death of Mrs. Eliza V. Sweet of Sauk Rapids reached here yesterday. Mrs. Sweet was one of the early settlers of the states; she was the daughter of the late Col. Chas. H. Oakes of St. Paul and the wife of George W. Sweet, a prominent attorney who died two years since at Havre, Montana. She was Seventy eight years of age and leaves four children to mourn her death, namely; David Sweet and Mrs. C. Coleman, both of Montana, Mrs. Potter of Sauk Rapids and Arthur Sweet of this place.

The TOMAHAWK will be mailed to any address in the United States, Canada, Cuba and the Philippines.
