RULES FOR SALE OF PART OF RED LAKE INDIAN RESERVATION.

The lands ceded by the agreement made with the Red Lake and Pembina Indians belonging on the Red Lake Indian Reservation, in the State of Minnesota, which said agreement was, by the said act of congress, modified, amended, ratified, and confirmed, are described as follows:

All that part of the Red Lake Indian Reservation lying west of the range line between ranges 38 and 39 west of the fifth principle meridian.

The tract of land ceded and to be disposed of hereunder aggregates 256,143.58 acres.

By virtue of the authority conferred by the said act of Congress, it is hereby ordered and directed that the land above described be offered at public auction at not less than \$4 per acre to the highest qualified bidder under the said act, upon the terms mentioned therein, at a public place in the town of Thief River Falls, in the State of Minnesota, beginning at 9 a. m. on Monday, the 20th day of June, 1904. The sale will be conducted by an officer, to be hereafter appointed by me, subject to the following rules:

1. The sale will begin at 9 o'clock a. m., and continue on that and succeeding days, not Sundays, until each tract shown on a printed schedule approved by me has been sold, or offered for sale, as herein provided.

2. The lands to be sold will be arranged on said schedule in tracts of approximately 160 acres each, in the order in which they are to be offered for sale. The arrangement or order, except where it will be necessary to vary the same on account of the lands containing Indian graves or improvements, which must be offered for sale, last, or on account of a meandered stream, which will be as follows: Beginning with section 1, township 154 north, range 43 west, the sale will proceed with the land in that and the townships as they lie in a tier south thereof, then with the succeeding tiers as they lie on the east of the first tier in the same order from north to south. The order of offering will be, as to the sections, in their numerical order, in each township, except where varied as aforesaid, and as to quarter sections, first, the NE. 1/4; second, the NW. 1/4; third, the SE. 1/4; and fourth, the SW. 1/4; of the townships in their order as aforesaid.

3. Sixty tracts will be offered each day for the first two days, and 80 tracts on each and every day, not Sunday, thereafter until all of said lands have been sold or offered for sale as herein provided.

4. The register and receiver of the land district in which said lands are situated will be in attendance at such sale from day to day, and all homestead entries made under such sale will be made before such officers, as herein indicated.

5. When a tract is sold the successful bidder must immediately present himself before the register and receiver and file his application for a homestead entry with proper proof of his qualification as a homesteader by the usual homestead and other affidavits, except the nonsaline affidavit, which will not be required until final proof, except that he will not be required

to allege that he has not exhausted his right by a homestead entry made or perfected before the date of said act of February 20, 1904, or to describe such entry, or if made after said act and before the date of the act of April 28, 1904 (Public No. 208), if he shall show himself entitled to make another homestead thereunder. He will also then pay to the said receiver the first payment required by said act of February 20, 1904, for said land, to wit: One-fifth of the purchase price and also, in addition thereto, the usual fees and commissions required by law to be paid on such entries where the price of the land is \$1.25 per acre.

6. If any purchaser shall fail to present himself before said officers or to show himself qualified to make homestead entry for such land or to pay the first payment of one-fifth of the amount of his bid or the fees and commissions due on his entry, as provided and required in said act and in rule five above, within twenty-four hours from the time when his bid was accepted, he will not thereafter be recognized as a bidder at said sale, and the tract or tracts so bid in and not entered by such purchaser will at once be offered for sale, subject to the same requirements, conditions, and qualifications of purchase as before.

7. If the register and receiver shall decide adversely on the qualifications of any successful bidder and reject his application, such decision shall be final, and no right of appeal will lie therefrom. Any rule of practice or other regulation of the Department conflicting with this rule is hereby suspended so far as it may affect the applications under this sale during the continuance of this public sale.

8. The officer conducting such sale or the Commissioner of the General Land Office is given full authority at any time before or during the progress of such sale to postpone or discontinue the same if he shall have reason to believe that any combination, collusion, conspiracy, or agreement exists or is being formed among or on behalf of bidders or prospective bidders at such sale.

9. The Commissioner of the General Land Office may make any rule or regulation, not inconsistent with these rules or regulations, in order to effectuate the same.

10. Power is reserved to enlarge, change, modify, or annul these rules or any of them at any time before or during the sale, if public interest shall seem to demand such enlargement, change, modification, or annulment.

W. A. Richards,
Commissioner.

Approved:
E. A. Hitchcock,
Secretary.
