### Nelson Endorsement For A. G. Anderson.

Genuine Americanism of Congressional Candidate Impresses Senior Senator.

Minneapolis Tribune, May 20. Senator Knute Nelson yesterday commented on the personality of A. G. Anderson, candidate for Congress in the Ninth district. Senator Nelson unhesitatingly put his O. K. on Mr. Anderson. The phase in Mr. Anderson's character that appears to appeal to Senator Nelson most is his genuine Americanism.

"I have known Mr. Anderson," said Senator Nelson. "ever since he came from Iowa many years ago, and have always found him to be an honest, trustworthy, and reliable man, both in business and in politics. He is a thorough-going Republican and possessed of a genuine spirit of true Americanism, having the welfare of our common country uppermost and foremost in his heart. He always has taken a great interest in public affairs. I frequently, in times past have consulted him on important public questions and have found that his diagnosis and conclusions were fair, just and sound."

## CALL FOR GENERAL COUNCIL.

RED LAKE, MINN.  
MAY 22, 1916.

Pursuant to Article five (5) of the Constitution of the General Council of Minnesota Chippewas, notice is hereby given that the next annual meeting of the Council will be held at Bemidji, Minn., July 11, 1916, at 1:00 P. M.

The basis of representation to the Councils of this organization shall be one delegate for each one hundred members or the major fraction thereof, of the White Earth and Red Lake Reservations, and Reservations ceded under the provisions of the Act of Congress of January fourteenth, eighteen hundred and eighty-nine (25 U. S. Stats. 642). Such delegates shall be elected on the first Tuesday in June of each year, by the local councils of said reservations and ceded reservations. All chiefs of bands are ex-officio delegates to the meetings of the General Council in addition to regularly elected delegates.

In the event of their being no local council on any of the Reservations or ceded Reservations, it is suggested that the Executive Committeeman of such Reservations, or ceded Reservations, organize one for the proper election of delegates. After election of delegates the Secretary of the local council should notify the Secretary of the General Council.

It is urged that each delegation have proper credentials for presentation to credentials committee before they are seated in the Council.

J. G. MORRISON JR.  
President of General Council.  
Attest:  
P. H. BEAULIEU,  
Sec. of General Council.

Father Aloysius, followed by songs and recitations by the school children, after which an address was given by Major John H. Hinton.

In the afternoon the program was held at the Episcopal cemetery where the pupils of the boarding school took part also. Invocation and remarks by Rev. E. C. Kah-O Sed, the memorial address was rendered by Mr. A. J. Powers.

## What Is The Status Of White Earth?

Last year one of the members of the township board started a suit to ascertain what right persons had to build upon the streets of the White Earth Townsite, but during the past winter for unknown reasons he dropped the suit. It now remains for some of the villagers to ascertain by application to the Indian office at Washington, or by legal proceedings if necessary, what is the status of this village.

## Death of W. W. Wilkins.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only cure on the market. It is taken internally. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.
