Christmas Mail for American Forces Abroad.

The time is approaching to give thought to bringing Christmas cheer to the American soldiers and sailors abroad.

Arrangements have been perfected whereby the Christmas mail to the American Expeditionary Forces in Europe is to be delivered by Christmas morning. Without the fullest cooperation on the part of the public it will be impossible to accomplish this result.

The three essential respects in which the public can aid in assuring a happy Christmas at the front are: Mail early, address intelligently, and pack securely. For this reason it is urgently requested that all persons having Christmas mail for the soldiers and sailors and the civilian units attached to the army in Europe observe closely the following directions:

1. Mail to reach the soldiers in France by Christmas morning must be posted not later than November 15.

2. Every package must bear conspicuously the words "Christmas Mail," the complete address of the person for whom it is intended, and, in the upper left-hand corner, the name and address of the sender.

Every parcel must be so packed and wrapped as to admit of easy inspection by the postmaster. No parcel will be dispatched to France which has not the postmaster's certificate that it contains no prohibited articles.

A. S. BURLISON,
Postmaster General.

An Insult to the Farmer.

It is the boast of pestilential pacifists such as La Follette that they will be supported by the farmers in their opposition to government war measures. They assume, without warrant, that the appeals to passion and prejudice that fall flat among the people of the cities will be heeded by the "uninformed" dwellers in rural districts.

Thus they offer a gratuitous insult to the farmers in assuming that the latter are so unintelligent as to be misled by sophistry and so unpatriotic as to place a suppositious class interest above the interests of the nation. They proceed on the theory that it is as easy to convince a class that it is being discriminated against as it is to persuade an individual of doubtful intelligence that he is not getting his just deserts because some bogey "capitalist" is getting rich.

Happily the American farmers are neither uninformed nor unpatriotic, as they have always shown. The farmer can be trusted fittingly to rebuke these demagogues who first insult and then endeavor to injure them.—Ex.

The "pestilential pacifist" but misrepresents the farmer.

As a class the farmers are a contented, quiet and peaceable lot of men, and above all loyal. Efforts seem to be made to classify him, but the farm owning farmer belongs in the labor field, and in that of capital. He is an employer, the class the I. W. W. hate and upon whom they would make war with torch and gun.

Perhaps some few farmers are fooled, but it is because they are of belligerent alien origin, and still adherents of the kaiser.

The new dairy barn at the Boarding school is now occupied, there being 32 head of cattle in it. There is room in the new barn for 46 head of cattle including 8 calves. The barn is 36x100 feet and has been built at a cost of a little over \$1600, which is a very low figure, for if built by contract would cost close to \$7,000. The \$1600 includes labor, concrete wall and floor, windows, ceiling, shingles and Louder equipment. A ventilating system will soon be installed so there will be plenty of fresh air for the stock. The plans were drawn by the school carpenter and the entire work has been under his supervision. Much of the work has been done by the carpenter shop boys.

Le Sueur News—At St. Ann's Catholic church on Tuesday morning at 9 o'clock occurred the marriage of Dr. John Scully of Pine City and Miss Beth Beaulieu of this place. A brother of the groom, Thomas, and his sister, Miss Minnie, acted as groomsmen and bridesmaid. Both the young people wore traveling suits, the bride being dressed in purple. Dr. Scully is the son of Mr. and Mrs. Thomas Scully of Tyrone, is a graduate of the Le Sueur high school and the dental department of the University of Minnesota. He has a very successful practice in Pine City and is a model young man. The bride, Miss Beaulieu, is the daughter of Rev. C. H. Beaulieu. She has been a resident of Le Sueur since the death of Mrs. Beaulieu some years ago. She too is a graduate of the Le Sueur high

school and of Miss Wood's Kindergarten school in Minneapolis, and last year taught successfully in the northern part of the state. She is an admirable young lady and has a host of friends among her acquaintances. They will reside at Pine City when at home.
