

MOST IMPORTANT NEWS OF WORLD

Big Happenings of the Week Condensed for Benefit of Busy Readers.

TOLD IN A FEW WORDS

Kernels Culled From News of Moment In All Parts of the World—Of Interest to All the People Everywhere.

Northwest

Brockton, Mont.—Hollie Pite, a young farmer, is in a hospital here, being run over by a 1,400 pound ground packer.

Goodell, Iowa—Trees were uprooted, buildings on the Ashman farm were blown over and three freight cars were derailed by a wind and rain-storm that struck this place.

Enderlin, N. D.—The Soo Line depot here was damaged by fire. The fire started in the freight house and telegraph service in and out of the city was interrupted for several hours.

Lemars, Iowa—More than a score of passengers were cut and bruised in a wreck of west bound Illinois Central passenger train a mile east of here. The accident was caused by spreading rails.

Bowman, N. D.—T. E. Austin, former treasurer of Bowman county pleaded guilty to the charge of embezzlement, sentence being suspended by Judge Frank T. Lembke of the district court.

Plentywood, Mont.—Conditions for a bumper crop never were better in Sheridan and adjoining counties, ample rain has fallen and the weather for the last 10 days has been ideal for rushing the work of planting.

Deadwood, S. D.—Government employees at the Orman dam, one of the largest dykes in the world, reported that the dam is in a weakened condition. All persons living below the dam have been warned to leave.

Aberdeen, S. D.—Wool growers of Brown county will meet here on June 10 for the purpose of forming an association to become affiliated with the State Wool Growers' association. Brown county has about 130 wool growers.

Fargo, N. D.—A. C. Townley arrived here from St. Paul by airplane. The plane piloted by Lieut. V. C. Omble, made the distance from St. Paul in two and a half hours actual flying time, landing at Clearwater and Eagle Bend.

Bismarck, N. D.—Work is to start immediately on the \$1,000,000 vehicle bridge spanning the Missouri river between here and Mandan, according to Major Frank Baker, a member of the state highway commission. Bids were opened last week.

Mitchell, S. D.—Pearl Stopfer, five years old, was badly burned when her clothing caught fire while playing near a bonfire. The child's cries attracted the attention of her mother, who smothered the flames but not until the girl was badly burned.

Rapid City, S. D.—Superintendent R. B. Irons of the Rapid City schools has been elected superintendent of the Winona, Minn., city schools, and will take up his new position this fall. He has been superintendent of the Rapid City schools for eight years.

New Rockford, N. D.—New Rockford is renewing its fight to obtain the removal of the state capitol from Bismarck and initiated petitions are being circulated in the state for the purpose of submitting the question to the voters at the November election.

Hemingford, Neb.—Eight homes were drowned in their people at Ardmore, S. D., as a result of a cloudburst, according to a report here. A cloudburst near here has taken out an entire earth fill on the line of the Burlington railroad. It will require a bridge of five spans to connect the track. Every bridge on the Niobrara for 50 miles east and west is out.

New York—Scores of Dutch farmers with their wives and children arrived here on the steamship Noordam from Rotterdam, on their way to farms in Iowa and South Dakota. The families of the settlers occupied nearly all of the second and third cabin accommodations. Thousands of others will follow, they said, as soon as present passport and other restrictions to trans-Atlantic travel are modified.

Lewistown, Mont.—One of the most important oil developments that has occurred in Montana was the bringing in of a large well in the Winnett county country, some seven miles west of the Musselshell river today. The primary importance of this is that it proves the stretch of country from the river on west to this well. The oil carries about 50 per cent gasoline, having a paraffine base. The lowest estimates on its capacity is 300 barrels, and estimate runs from that up to 600 barrels.

Grand Forks, N. D.—Many North Dakota and eastern Minnesota cities were represented in the hearings before the International Waterway commission here. They supported the project that contemplates linking up the Great Lakes with the Atlantic ocean.

Henry, S. D.—The commercial club of this city is promoting the erection of a \$25,000 potato warehouse to be erected here this summer. Henry and vicinity is recognized as the largest potato district in the state and a warehouse here will be of great value in increasing acreage and bettering the quality of seed.

Washington

Washington—John Parton Payne has been appointed director general of railroads to succeed Walked D. Hines.

Washington—On motion of Senator Lodge, chairman of the foreign relations committee, the senate without a record vote, refused to recede from its amendment making permanent wartime passport regulations.

Washington—Of 132,270 insurance claims filed to date with the bureau of war risk insurance 127,151, including claims for death and total permanent disability, representing a total of \$1,135,562,173 have been liquidated.

Washington—The house military committee yesterday reported the senate bill authorizing distribution of captured German material to states, amended so that senators and representatives from each state would make the distribution instead of the governors.

Washington—A resolution extending to the people of Armenia congratulations of the senate of the United States on recognition of the Republic of Armenia and requestin. President Wilson to send a warship to Batum on the Black sea "for protection to American life and property" was adopted by the senate.

Washington—Bearing the bodies of 153 officers and enlisted men of the navy and marine corps, the U. S. S. Nerous is expected to arrive at New York in a few days. Services on the pier will include Secretary Daniels as the principal speaker. The Nerous is bearing the first bodies of American sailors to be removed from France. On board also are 15 bodies of officers and men who died while on duty in Mediterranean and Adriatic waters.

Foreign

Ottawa—Elimination of war import duties and substitution of luxury taxes are provided in proposals submitted to parliament by the finance minister.

London—The government's Irish home rule bill was changed to provide for two senates for northern and southern Ireland in the proposed Irish parliament.

Paris—Brigadier General Fournier, commander of the French fortress of Maubeuge at the beginning of the war, and six of his subordinates, court-martialed for surrendering the fortress to the Germans in September, 1914, were acquitted yesterday.

Geneva—Former Emperor Charles of Austria, from his haven at Prangins, and Count Leopold von Berchtold, former Austrian foreign minister, from Lausanne, deny reports having their origin in Italian circles, that a new plot is afoot to restore the Hapsburg dynasty.

Domestic

Chicago—District Attorney C. F. Clynne announced today he would prosecute dealers who forced customers to buy other articles to obtain sugar.

New York—Opening of commercial wireless service between Scandinavian countries and the United States was announced here by the Radio corporation of America.

Chicago—Mrs. Helen Griffin Bastedo, who remarried the day after her husband's death, and her three children are made the sole beneficiaries of the \$2,250,000 estate of George F. Griffin, according to the will filed.

Baton Rouge—Recommendation that the Louisiana legislature refuse to ratify the federal woman suffrage amendment was made by Governor Pleasant in transmitting to the legislature the congressional resolution of ratification.

Wichita, Kan.—Four carloads of sugar, alleged to have been held for speculation, were seized at Wellington and Emporia, Kan., by a deputy United States marshal, upon instructions from Fred Robertson, United States district attorney for Kansas.

New York—Headed by Mrs. Carrie Chapman Catt, 30 delegates, alternates and visitors sailed yesterday from New York to attend the eighth congress of the International Woman Suffrage alliance at Geneva, Switzerland, June 6 to 12.

New York—Details for continuing the interchurch world movement program until May 15, 1921, were completed here yesterday by the general committee and representatives of the co-operating organization. The budget presented by John D. Rockefeller, Jr., provides for expenditures of \$9,600,000 until that time.

New York—Saloons in this city are running full blast, providing lawbreakers with "abundant liquors of the very worst kind because of lax enforcement of the prohibition law," Judge Charles C. Nott declared in general sessions court, imposing sentence of seven to 14 years on Frank Murray, who pleaded guilty to first degree manslaughter.

New York—Allens are now arriving at the port of New York at a rate three times greater than they are leaving, according to statistics made public at the Ellis Islands immigration station. Last week's arrivals numbered 12,374, while departures were only 4,310. The steamer accommodations of all incoming transatlantic vessels were said to be taxed to capacity.

Chicago—Following U. S. District Attorney Clynne's action in ordering seizures of hoarded sugar and asking for indictments against profiteers and hoarders, sugar took a drop. Between 150,000 and 200,000 pounds were thrown on the market at from 11 to 21 cents to wholesalers.

New York—The trade of the United States with Mexico, it appears, will touch the \$300,000,000 mark for the fiscal year 1920, which ends next month. Our trade with Mexico, even during the disturbed period since the resignation of President Diaz in 1911, has shown remarkable gains.

HAPPENINGS IN GOPHER STATE

News From All Parts of Minnesota Given in Condensed Form.

EVENTS BRIEFLY TOLD

Where Busy Readers Will Find News From All Parts of State Tersely Chronicled for Their Benefit.

Foley—The Great Northern stockyards here were burned Sunday and six head of cattle perished.

Wadena—The Wadena high school has a class of thirty-six candidates for graduation Friday, May 28.

Tyler—Details are now being worked out by committees here for the annual conference of the Danish Lutheran church, from June 2 to 6 at Danebod and Tyler.

Moorhead—Six freight cars were smashed up when an east bound freight train on the Northern Pacific struck a cook shack which had been held on a crossing at the east edge of Moorhead Saturday night.

Thief River Falls—The senior class of the Lincoln high school to graduate this year is the largest in the history of the local schools. The class has eighty-five members, including thirty-one in the normal department.

Mora—Nick Karpen, a young man, son of John Karpen of Pomroy township, Kanabec county, had his hand blown off by dynamite, and Carl Gruett, a companion, was badly injured in the face by flying bits of the injured hand.

Hastings—At a meeting of Dakota county commissioners here a contract was awarded to the S. J. Groves & Sons company of Minneapolis for the grading of a 17 miles stretch on the state road, No. 2, between Hastings and South St. Paul.

Bemidji—At the land sale conducted by S. C. Bailey, representative of the state auditor's office, in this city, at the courthouse Wednesday, three forty of land were sold at a total price of approximately \$1,400. Portions of the land sold as high as \$25 an acre.

Minneapolis—Increased salaries for teachers have caused 135 students at the University of Minnesota who will be graduated next month to sign contracts as teachers and superintendents in schools of the state, according to the agency bureau of the College of Education.

Hibbing—Gypsies are again making their annual invasion of the Mesaba range, and this season brought with them, in addition to their usual trappings, beads and caravans, several cases of diphtheria. One camp is isolated and a dozen of the roaming tribes placed under guard.

Thief River Falls—W. A. Siegler, superintendent of schools here had his right hand so severely injured in a planer in the manual training department that amputation of the first and second fingers were necessary. Mr. Siegler was attempting to feed a narrow strip of board into the planer when the accident occurred.

Willmar—More than 200 members of the Damascus commandery No. 1, Knights Templars of St. Paul, made a journey to Willmar, where they paraded through the principal streets. The parade was headed by Charles S. Schurman, grand commander of the Knights Templars of Minnesota. Representatives of commanderies of many adjoining towns also were present.

Crookston—A chautauqua will be held here July 14 to 19 under the auspices of the Ladies' Aid society of the Methodist church. Arrangements have been completed between the aid society and the advance manager of the Vawter Chautauqua system, and according to the program. Governor E. W. Hoch of Kansas will be one of the main features during the week.

St. Paul—Governor Burquist has issued a proclamation establishing a closed season during 1920 on Chinese ringneck pheasants. The 1919 game law permitted the hunting of these birds from Oct. 15 to Dec. 1, except in the event that the governor issues a proclamation declaring the season closed during any year. The proclamation was recommended by Carlos Avery, state game and fish commissioner.

Windom—The calendar for the coming term of the district court was given a little touch of life when two damage suits were placed on the docket. Because it is alleged that an injury which he sustained while working on a farm last summer was not properly treated by Dr. Sogge, \$15,000 damages are asked by Edward Spielman. The city of Windom is made defendant in a suit for \$2,000 by Mr. Tasler, who claims he sustained damages to that amount by reason of life bad streets last fall.

Slayton—Five horses and five calves were killed and a large quantity of hay and farm machinery was destroyed when the barn on the farm of Harry Hobert, a few miles from this place, was struck by lightning in a thunder storm. The total loss is placed at \$4,500.

Hastings—Archbishop Austin Dowling of St. Paul, officiated at first communion services for 247 boys and girls here. The services were followed by a meeting in the high school auditorium at which Archbishop Dowling spoke on the relation of the small towns to the city.

Luverne—Joe Willers, 32 years old a farmer living a short distance west of here, committed suicide here. He slashed his throat with a razor. No cause has been assigned for the deed.

St. Paul—Crop prospects are excellent in the Red river valley and northern Minnesota. Hugh J. Hughes marketing director of the state department of agriculture, reported on his return from a trip through those sections.

Owatonna—Owatonna will unite in honoring its dead soldiers of all wars and the living veterans of the Civil Spanish-American and recent war on Memorial day, May 31. Present plans include a gigantic parade in which the veterans will occupy the place of honor, a program of speaking and the decorating of veterans' graves.

Brainerd—Albert Lunde, son of Gilbert Lunde of Brainerd, according to Sheriff Claus A. Theorin, was the suspected robber killed by Marshall Marman of Delano when he attempted to escape from an automobile in which he was being taken to Minneapolis, it was learned here. It was at first thought the man was A. A. Anderson of Slayton.

St. Paul—Two prominent St. Paulites was occupy places on the program of the 30th annual Minnesota Christian Endeavor convention at Alexander, June 24-27. Dr. J. W. Bean, Dayton Avenue Presbyterian church will conduct a series of devotional periods. Peter MacFarlane, director of the Union Gospel Mission, will give the closing address the evening of the 27th.

St. Paul—Minnesota will be represented by strong National Guard and civilian rifle teams at the national rifle matches July 30 to Aug. 28, at Camp Perry, Ohio. Adj. Gen. W. F. Rhinow made the announcement to day upon receipt of war department orders from Maj. Morton C. Mumma, executive officer on rifle matches, authorizing the participation of a Minnesota civilian team.

Frazee—Frazee is going to have a public park. The movement inaugurated by the ladies of the city in circulating petitions asking the Nichols-Chisolm Lumber company to donate to the village a parcel of land to be dedicated to park purposes, met with approval of the officials of the company, who have complied with the request of the people and will donate a suitable site for a park.

St. Paul—Progress in work in the state soldier bonus department resulted in the dismissal of 31 men and if women employees, by order of Adjutant General W. F. Rhinow, chairman of the board. The board retained 155 employees. Nearly 3,000 bonus claims were paid the past week. Bonus claimants are becoming more anxious for their money, and many are writing the board to hurry their checks.

Brainerd—Brainerd's new \$116,000 Northern Pacific railway station has been formally opened to the public. President Hannaford of the road was present during the ceremony, which included a civic celebration lasting far into the night. Mr. Hannaford recalled his first visit to Brainerd 45 years ago, when he sought work with the railroad of which he is now the executive head.

Dalton—Two persons were killed and two seriously injured when the automobile they were riding in was struck by a Great Northern passenger train, east bound, near here. The dead are: Guy Rostad, driver of the machine, and Miss Myrtle Foshaug. The injured are: Peter Nelson and Miss Agnes Hammer. They were taken to a hospital at Ashvey, where physicians said they may recover.

Hibbing—One thousand dollars in Liberty bonds have mysteriously disappeared from the vaults in the board of education's rooms of the Jefferson school building. The bonds are believed to have been stolen and the police are working on the case. Eight hundred dollars worth of bonds belonged to J. W. Richardson, principal of the Washington school and the remainder to C. C. Alexander, superintendent of schools.

Minneapolis—Franklin B. Lees, who served as captain in the army during the war seeks an order from Judge Bardwell of the Hennepin county district court restraining the appointment of Earle Brown as sheriff of Hennepin county as the first step in a fight which Lees will make for that office. He will ask the order, he said, under the law passed by the last session of the Minnesota legislature providing that ex-service men should be given the preference in appointive offices.

Minneapolis—Because Arthur F. White, son of Mrs. Emma White of Lakefield, Minn., was arrested at Lakefield August 18, 1919, and brought to the Hennepin county jail in Minneapolis, where he was held for one week, the mother has begun suit in district court at Jackson for \$15,000 damages against Sheriff O. C. Lee of Jackson, for the alleged unlawful arrest and detention of her son. Deputy Sheriff Ben Kunnaw of Lakefield also is included in the action. Mrs. White alleges that at no time did the sheriff or his deputy have a warrant for the arrest of her son.

Hibbing—Reducing the number of steam shovels in operation in the hull pit, the Oliver Mining company is taking every precaution against the shortage of coal, which threatens to become serious, according to mine operators. The shops here are not working night shifts.

Pequot—F. Wefelmeyer, president of the Wefelmeyer & Thessen Pickle company, has secured enough contracts from cucumber growers in the vicinity of Pequot to warrant his establishing a pickle station here. A site for the new plant has been secured.

SWAMP-ROOT FOR KIDNEY AILMENTS

There is only one medicine that really stands out pre-eminent as a medicine for curable ailments of the kidneys, liver and bladder.

Dr. Kilmer's Swamp-Root stands the highest for the reason that it has proven to be just the remedy needed in thousands upon thousands of distressing cases. Swamp-Root makes friends quickly because its mild and immediate effect is soon realized in most cases. It is a gentle, healing vegetable compound.

Start treatment at once. Sold at all drug stores in bottles of two sizes, medium and large.

However, if you wish first to test this great preparation send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention this paper.—Adv.

From Seed to Seed in Eight Days. Cress is one of the quickest growing of plants. Under perfect conditions it has been known to flower and seed within eight days of planting.

Catarrhal Deafness Cannot Be Cured by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure Catarrhal Deafness, and that is by a constitutional remedy. HALL'S CATARRH MEDICINE acts through the Blood on the Mucous Surfaces of the System. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing may be destroyed forever. Many cases of Deafness are caused by Catarrh, which is an inflamed condition of the Mucous Surfaces.

ONE HUNDRED DOLLARS for each case of Catarrhal Deafness that cannot be cured by HALL'S CATARRH MEDICINE. All Druggists 75c. Circulars free. F. J. Cheney & Co., Toledo, Ohio.

Club Amenities. "When our club met at Mrs. Waggs' she wanted to do all the talking, I got up to say a few words, but she insisted that she had possession of the floor."

"What did you say?" "I told her anybody would know that from the shop-worn carpet she had on it."

IN BUYING ASPIRIN ALWAYS SAY "BAYER"

Look for the name "Bayer" on tablets, then you need never worry.

"Bayer Tablets of Aspirin" can be taken safely for Colds, Headache, Toothache, Earache, Neuralgia, Lumbago, Rheumatism, Joint Pains, Neuritis, and Pain generally.

To get quick relief follow carefully the safe and proper directions in each unbroken package of "Bayer Tablets of Aspirin." This package is plainly stamped with the safety "Bayer Cross."

The "Bayer Cross" means the genuine, world-famous Aspirin prescribed by physicians for over eighteen years. Handy tin boxes of 12 tablets cost but a few cents. Druggists also sell larger "Bayer" packages. Aspirin is the trade mark of Bayer Manufacture of Monocetacidester of Salicylic acid.—Adv.

Both Alike. "I can't imagine what Mildred sees in the Smith boy," remarked Mildred's mother. "He hasn't got brains enough in his head to fill a thimble."

"Oh, well, I dare say your mother said the same thing about me when I came courting you!" replied the girl's father indulgently.

But he suddenly lost his complacent smile when his wife retorted: "She certainly did, and I was just as big a fool as Mildred is now. I wouldn't listen to the advice of my elders."

Cuticura for Sore Hands. Soak hands on retiring in the hot suds of Cuticura Soap, dry and rub in Cuticura Ointment. Remove surplus Ointment with tissue paper. This is only one of the things Cuticura will do for all toilet purposes.—Adv.

Not in a Religious Sense. In the zone finance office a letter was received inquiring about a bond which the soldier had purchased. His letter was rather incoherent and the office was unable to identify the case. So a letter went back to the soldier asking for more information and incidentally inquired whether it was a converted bond.

"Now, the bond wasn't converted," wrote back the soldier, "and I don't want it messed up in religion either. You just send it on to me like twas."

Skies Fortell Weather. A deep-blue colored sky, even when seen through clouds, indicates fair weather, while a growing whiteness indicates an approaching rain.

The Right Way In all cases of DISTEMPER, PINKEYE, INFLUENZA, COLDS, ETC. of all horses, brood mares, colts and stallions is to "SPONN THEM" on the tongue or in the feed with SPONN'S DISTEMPER COMPOUND
