

NEW ULM AND VICINITY.

Blueberries at Pfeifferle's at 15 cents a quart.

Our merchants are paying 7 cents for butter, and 7 cents for eggs.

Before another issue of the Review the rye and barley harvest will have fairly commenced.

The County Commissioners will meet in regular session next Monday, July 15th.

We would call the attention of the moneyed men to the notice of our city clerk, which appears in another column.

Chas. Brust is the most patriotic citizen in town. He kept the stars and stripes waving over the Merchants' three days.

Commissioner Wagner will sell at auction to-day, at 1 p. m., at the big Cottonwood bridge, a lot of old pine planks.

Anton Brey makes known through the columns of the Review that he has opened a livery, sale and feed stable at McCarty's old stand, on Centre street.

We would remind "All the girls of Iberia" that correspondents must invariably favor us with their names, if they wish that their communications receive attention.

The Republican county convention for the election of delegates to the Republican State, Congressional and 37th District Senatorial conventions meets in this city next Saturday.

We understand that the band boys have arranged an excursion to West Newton, on the steamer Otter, next Sunday. Fare for the round trip only 35 cents.

Mr. and Mrs. Kuhlmann are visiting relatives and friends in Canton, Ohio. They expect to be absent about four weeks, from the time of their departure. George, don't eat too many of those sweet cherries.

We hear that John Gabriel, of West Newton, has left for parts unknown, taking his best team with him. He has a wife and several children who would be pleased to hear of his whereabouts.

What is home without a baby? Many children have Coughs and Colds just now and should have the greatest care and a bottle of Dr. Marshall's Lung Syrup. Price only 25 cents a bottle. Sold by Jos. Bobleter.

A twelve year old son of Mr. Huellskamp, of West Newton, met with a sad accident on the 4th. Another boy threw a fire cracker into his face just as it exploded, from the effects of which he has lost the sight of one eye.

The new band astonished the natives on the Fourth. Considering the excessive heat of the day and the short time the band has been organized the music was very creditable to the boys. Especially was the good time kept by them commended by everybody.

A good omen. We noticed Ed. J. Collins, our former County Superintendent, parading the streets Monday evening with a cradle under his arm. He endeavored to explain it away however by saying that it was intended for Blanchard's widow and six.

Dr. Marshall's Lung Syrup takes the lead of all medicines for Coughs, Colds, Asthma, Sore Throat, and Pulmonary complaints generally. Call on your druggist and try a bottle of it. Price only 25 cents. Sold in the City Drug Store, New Ulm.

A Republican caucus will be held at Turner Hall next Friday evening for the purpose of selecting seven delegates to represent the city in the Republican county convention, which will be held at the Court House, next Saturday. See call for caucus in another column.

Fr. Keller, who so mysteriously disappeared last week, along with several hundred dollars and valuable papers belonging to Mrs. Keller No. 2, has been heard from. He went from here to Milwaukee, and ever since his arrival in that city has been actively engaged in writing letters to different parties in this city.

Dr. Yarnall, of St. Paul, who visited this place on two previous occasions, will be at the Dakota House next Saturday and Sunday. The doctor treats all chronic diseases such as rheumatism, dyspepsia, deafness, sore throat, catarrh, etc.

The doctor will be in Sleepy Eye Thursday and Friday, July 10th and 11th.

The ladies of New Ulm, as will be seen by a notice in another column, have arranged a grand fair for the benefit of the children's gymnasium of the New Ulm Turnverein, to be held at Turner Hall, July 20th. The undertaking is a move in the right direction, and our citizens should give the ladies proper encouragement.

But very little interest was taken in the special election held July 2d, and only 212 votes were polled. 137 were for authorizing the city council to borrow \$2500 for bridge and street improvements, and 75 against. We understand that among the improvements contemplated is a long needed sidewalk on Centre and Valley streets to the depot.

John Lind, who occasionally has charge of the Herald, must owe the Arbeiter Hall and its managers a grudge, as he has on two late occasions thrown out insinuations detrimental to the managers, and no doubt intended to prejudice the people against the hall.

When the school house excitement was at fever heat he insinuated that the managers of the Arbeiter Hall were opposed to the building of a new school house, because they wished to dispose of their hall to the Board of Education for that purpose.

Being one of the so-called managers, and probably know as much of the intentions of the others on that score as Mr. Lind does, we would merely say that the insinuation was as silly as it is false.

Every one knows how we stand on that question, and if any of the others see fit to oppose the erection of a new school house at this time, the fact of the matter has nothing to do whatever with the Arbeiter Hall.

In last week's issue of the Herald, in his article of the doings on the 4th, he says: "A ball was also commenced at Arbeiter Hall but it concluded in a state of debauchery that cannot fail to reflect on the managers of that concern."

Now we were present at the ball held at the "concern" referred to until after twelve o'clock, and we have made diligent inquiries of parties who remained to the close of the ball, but we have yet to hear of a single cross word that was uttered, or of any persons that "debauched" themselves.

If Mr. Lind's sympathies are with the Turner Hall he certainly has a very ungentlemanly way of showing it.

Chas. Wagner, clerk of the Board of Education, gives notice in another column of a special school meeting to be held at Turner Hall next Monday evening, at 7 p. m., for the purpose of again considering the feasibility of building a new school house, the amount of money to be raised for the purpose and to designate a site where it shall be built.

Also to determine upon the issuing of bonds by the district. The questions to be considered are important ones, and we hope to see everyone of the friends of the measure turn out to the meeting, as we understand that a movement is on foot to defeat the project.

As the electors of the city on a previous occasion very near unanimously voted that a new school house was a necessity, we can not comprehend why it should not be a necessity at this time.

Look out for Horse Thieves.

Horse thieves are becoming uncomfortably numerous in this vicinity. A bold attempt was made on the night of the 3d of July to steal four horses from the stable of Mr. Spellbring, in Milford, but through a watchful dog the attempt was frustrated at the eleventh hour, so to say.

The furious barking of the dog woke the family up about 12 o'clock, and thinking that all was not right Mr. Spellbring repaired to the stable, in front of which the dog had been barking.

He found the stable door open and upon entering saw that four horses had been loosened, and that the thieves were in the act of putting bridles on them when they were disturbed. Mr. Spellbring followed the thieves through a corn field for a short distance, but they made good their escape.

Every farmer should be on the lookout and be prepared to give these midnight marauders a warm reception.

Iberia Correspondence.

IBERIA, July 6th, 1878.

Editor Review: The Rustic B. B. Club (2d nine) played a match game of ball with the 1st nine of Albion boys, at Sleepy Eye, on the 4th; the scores standing 24 for the Rustics to 22 for the Albion club.

The game was umpired by L. C. Grube.

All of the young people from this place and vicinity took a trip, via Sleepy Eye, to Burns on the 4th; going on the morning train and returning in the afternoon. They expressed themselves as highly satisfied with the proceedings and with the way they were used by the people of Burns.

M. F.

IBERIA, July 8th, 1878.

Married: In Iberia, on July 4th, William Miner to Mary A. Dungan, and Fred. Hopkins to Cora Farmer. The ceremonies were performed in the grove near Mr. Miner's, by Rev. J. H. McKee.

The bride and groom were accompanied by a numerous company of friends, and the wedding cake answered more than an ornamental appendage, for it was divided up and carried off, and dreamed over. Flowers, bridal wreaths, crystal waters, and perfect husbands and charming wives loomed up as the prominent figures of night's mystic visions.

THE GLORIOUS 4TH.

As on all previous occasions the day was becomingly celebrated by our citizens. At sunrise Capt. Burg's battery belched forth the glad tidings that the 102d anniversary of our national independence had dawned upon us.

At 9 a. m. the Turnverein, Fire Department and Governor's Guard formed in procession and, accompanied by two bands and the City Council, marched through the principal streets. After the parade the Governor's Guard proceeded to Schuetzen Garden where they had arranged a grand celebration.

By 2 o'clock an immense concourse of people had assembled, and Mr. H. A. Subilia delivered a pointed oration. The balance of the programme was carried out substantially as announced.

H. A. Subilia Jr. distinguished himself as the best shot, and received the first prize. H. A. Subilia Sr. the second, and O. Hanft the 3d, 4th and 5th. Frank Behnke carried off the honors in the foot race.

Carl Forsters band had been engaged by the Guards for the occasion, and, true to their promise, made very good music. The festivities at the garden were kept up until dusk, when all returned to the city highly delighted with the days sport.

A very pleasant programme was also carried out at Turner Hall Park, during the afternoon. In the evening balls were held at Turner and Arbeiter Halls, and both were well attended.

The Arbeiter Hall was beautifully illuminated during the first part of the evening.

It is a query to us why more people are not maimed and killed outright when we see with what recklessness some people handle fire-arms, an illustration of which we had on the morning of the 4th.

A young man working for Mr. Wiechersky, wishing to have a little celebration on his own account, but having no fire crackers handy, drew his revolver when near the residence of Mr. Christian Scheible, on German street, with the intention of firing into the air.

As he was in the act of raising the revolver it exploded, when on a line with the kitchen window, just as Mrs. Scheible stepped up to look out. The ball passed through a tin pan which Mrs. Scheible had in her hand and finally lodged in her corset without otherwise doing any damage.

The young man was arrested for his recklessness but was released without a hearing.

Every family should keep in their house some preparation for accidents and acute diseases, such as Neuralgia, Headache, Toothache, Diphtheria, Sore Throat, Burns, Scalds, Sprains, Cuts, Bruises, also Colic, Pains, Indigestion in the Bowels. These are painful and need immediate treatment.

Much pain, large doctor bills, and even life may be saved by having something ready for use. Go to your drug-gist and get a bottle of Bixby's Death to Pain. Use for the above, and everything it is recommended for, and if it fails to give relief, your money will be refunded. It is used internally and externally.

Don't hesitate to use a remedy endorsed by physicians, and which the proprietor takes all the risk. For sale by all Druggists. Try it for yourself. Jos. Bobleter keeps it in New Ulm. Also by the proprietor, L. Bixby, Owatonna Minn., who will supply the trade.

AN UNDENIABLE TRUTH.

You deserve to suffer, and if you lead a miserable, unsatisfactory life in this beautiful world, it is entirely your own fault and there is only one excuse for you,—your unreasonable prejudice and skepticism, which has killed thousands.

Personal knowledge and common sense reasoning will soon show you that Green's August Flower will cure you of Liver Complaint, or Dyspepsia, with all its miserable effects, such as sick headache, palpitation of the heart, sour stomach, habitual costiveness, dizziness of the head, nervous prostration, low spirits, &c.

Its sale now reach every town on the Western Continent and not a Druggist but will tell you of its wonderful cures. You can buy a Sample Bottle for 10 cents. Three doses will relieve you. For sale by Jos. Bobleter.
