Republican County Convention.

The Republican county convention met pursuant to call at the Court House, in the city of New Ulm, Saturday, September 28th, at 1.30 p. m.

The convention was called to order by Albert Blanchard, chairman of the Republican county committee. On motion M. C. Burnside was elected chairman, and Horatio Werring secretary of the convention.

The chair appointed H. Werring, J. C. Rudolph and Jos. Bobleter a committee on credentials, who reported the following named gentlemen entitled to seats in the convention:

ALBION—L. D. Rice, H. Harrisson. BURNSTOWN—F. C. Gley, Charles A. Scott.

BASHAW—A. W. Pederson, G. Wing. COTTONWOOD—G. Hahn, Frederick Yanks.

EDEN—T. L. Gilbert, Geo. Heart. HOME—M. C. Burnside, Fr. Gerboth, H. Werring, Willet Green.

NEW ULM—W. Hauenstein, John C. Rudolph, S. D. Peterson, Jos. Bobleter, E. Brandt, Wm. Frank, Jonas Lautenschlager.

SIGEL—G. Gugsberg.

STARK—H. Plath, 2 votes.

The towns of Lake Hanska, North Star and Mulligan were not represented. The report of the committee on credentials was adopted.

On motion the following named gentlemen were nominated for the various offices, by acclamation:

C. C. Brandt, Representative.

H. B. Constans, County Auditor.

A. F. Walton, Register of Deeds.

A. Blanchard, Clerk of the Court.

B. F. Webber, County Attorney.

Casper H. Christensen, Judge of Probate.

E. G. Koch, Court Commissioner.

Jonas Lautenschlager, Coroner.

Julius Berndt, County Surveyor.

On motion an informal ballot was taken for sheriff, which resulted as follows:

Ed. Paulson 14.

Wm. Giesecke 8.

John Manderfeld 3.

Mr. Paulson was thereupon declared the nominee of the convention.

On motion the chairman appointed the following county committee for the ensuing year.

Albert Blanchard, chairman, Ole Stone, C. C. Brandt, H. Plath and F. Gerboth.

Hon. C. C. Brandt, the nominee for representative, being called upon briefly addressed the convention, thanking the members thereof for the honor bestowed upon him, and said that he placed upon his nomination a very high value as he considered it an endorsement of his previous acts, and that the action of the convention would help to encourage others to follow the path which plain duty pointed out to them.

At the close of Mr. Brandt's remarks the convention adjourned sine die.

Fourth Commissioner District.

After the adjournment of the Rep. county convention the delegates from the 4th Com. District, comprising the towns of Burns, Bashaw, Albion, Leavenworth, Stark, Mulligan and North Star, met, and after electing L. D. Rice for chairman and F. C. Gley secretary, proceeded to take an informal ballot for commissioner, with the following result: Chas. A. Scott 4. L. D. Rice 4.

The formal ballot resulted in the election of L. D. Rice, he having received 6 votes and Mr. Scott 4. The towns of North Star and Mulligan were not represented.

The Independent nominating county convention will be held at the Court House in this city next Saturday. From all we can hear the representation will be very large, and the contest for some of the offices will be quite spirited.

We learn that Peter Bertrand is a candidate for representative and that his chances for the nomination are good. For auditor and register of deeds we have heard no one mentioned. For sheriff there are four candidates, namely: John Manderfeld, the present incumbent; Fr. Friedmann, Chas. Berg, and Ambros Parsons; who the lucky man will be remains to be seen. For clerk of court S. A. George seems to have the inside track. Judge Westphal will no doubt receive the nomination for judge of probate. For the other positions we have not heard any one.

Destructive Fires in Sleepy Eye, Stark, Sigel and Milford.

The first destructive fire visited Sleepy Eye last Sunday night, at 9 o'clock, consuming the large general store of Murfin & Knudsen and the hardware store of R. H. Bingham. The building of Murfin & Knudsen was a large two story frame, the first story being used for store and the second for dwelling purposes. As near as we can learn the fire originated in a small room in rear of the store, and had made such progress before it was discovered that nothing was saved from their large stock except one show case. Mr. Bingham's store adjoined Murfin & Knudsen's on the south, and quickly fell a prey to the devouring element, but we understand that a large portion of the stock of the latter was saved in a damaged condition. The fire is supposed to be the work of an incendiary. Murfin & Knudsen had an insurance of \$1,500 on building, and \$6,000 on stock. We understand that they valued their stock and building at \$13,000. Mr. Bingham had \$1,200 insurance on building and \$2,000 on stock. The fire was a close call to our friend Mr. Ibberson, and had not Mr. Bingham moved the frame building last summer which stood between his store and Ibberson, the latter's drug store would have shared the same fate.

We learn from Hon. L. D. Rice that Mark Wiggins, of Stark, is also a victim of the fire-fend. His people were burning stubble last Thursday but as the fire did not burn satisfactory they left it thinking that it would go out. Soon after leaving the wind changed and carried the fire towards the stable, consuming it, 60 tons of hay and 400 bushels of oats in stack. The loss is a serious one to Mr. Wiggins.

We learn from J. B. Villikanji that one week ago last Sunday, at the hour of midnight, four stacks of wheat, belonging to Mr. Jos. Stueber, of Sigel, were mysteriously burned. The fire is supposed to be the work of an incendiary. We also learn that Mrs. Heinen, of Milford, lost two stacks of wheat by fire last Thursday evening.

We present on first page the full county ticket, as nominated by the Republican county convention last Saturday. The candidates for Auditor, Register of Deeds, Clerk of the District Court, County Attorney, Court Commissioner and County Surveyor, are the present incumbents of the offices for which they were nominated, and are too well known to need any comment at our hands. Hon. C. C. Brandt, the nominee for Representative has served two terms in the House, and was one of the most useful and active members. His course last winter in exposing the school book ring is well known. Mr. Paulson the nominee for sheriff, lives in the town of Linden, and is a Norwegian by descent. He is a man of clear judgement, has good business abilities, and if elected will make an excellent sheriff. Mr. Christensen, the candidate for Judge of Probate, formerly lived in the town of Prairieville, but for the last year and a half he has been a resident of this city. He was the Rep. candidate for the same office two years ago, but was defeated by Mr. Westphal. He was appointed Coroner by the Commissioners at their July session, which office he has creditably filled. The nominee for Coroner, Mr. Jonas Lautenschlager, is an old resident of this city, and in every way well qualified for the office.

Mr. Cletus Epple, of West Newton, met with a serious accident last Sunday. It appears that he was engaged in hauling sugar cane to the press and on the way met a lot of swine at the sight of which his horses became frightened. He jumped from the wagon and ran to the horses heads in order to better control them, but when the swine came nearer the horses became unmanageable, threw him to the ground and started on a run, the wagon passing over and breaking his right leg. The horses were finally captured, without doing any further damage, by some Norwegians who conveyed Mr. Epple to a neighboring house. Surgical aid was at once summoned from this city, and he is doing as well as could be expected under circumstances.

Again we would call your attention to the fact that our friend John Zieske, of Sleepy Eye, is still in the field with as fine an assortment of harnesses, saddles, bridles, curry combs, brushes, horse blankets, fly nets, halters, and-and-but there, it is of no use to try to enumerate the articles in the harness line, and all of the very best that John has on hand and which he proposes to sell at the very lowest rates to all persons calling who have the cash to exchange for the same. John tells us that so far as business with him this season is concerned, that he cannot find the slightest fault. He has sold lots of goods, and in nearly every instance got his pay. Now the reason of this is obvious. John sells only the best in his line that the market affords, and at such prices as utterly defy competition. To be convinced of this you should call and examine his harness, entirely of his own make, of the very best material, and fully warranted. Just ask John the price of one of them, then you will see why success always attends him. Remember that John is still located at Sleepy Eye just two doors east of Lake House.

Local Dashes.

Our Sleepy Eye correspondent gives a rather strong coloring to the Green-back convention which was held in that village last Saturday.

We learn that Roman Kahlfeld, formerly of this city, also fell a victim to the yellow fever, at Memphis.

The Railroad company have adorned their depot and water tank at this station with a new coat of paint, and J. B. Russell, the accommodating agent, now feels as proud as a peacock.

Mrs. Bernhard Huelskamp, of Lafayette, died last Wednesday morning after a short illness. Mr. Huelskamp, who is left with ten children, has the sympathy of the community.

We are requested to state that the veterinary doctor A. H. Holton, of Mankato, will be in our city, at the Pennsylvania House, Oct. 8th, to remain three days. He will come prepared to treat all diseases in horses or cattle.

OYSTERS—Louis Felkel, in basement of Kiesling's block, is in daily receipt of fresh oysters. He has handsomely carpeted and fitted up a neat little room adjoining his billiard hall, and is now prepared to serve stewed, fried or raw oysters on a few minutes notice.

We regret that we omitted last week to mention the exhibit made at our county fair by Miss Westphal. She had executed and placed in view some very nice camio oil paintings, tastefully arranged. The omission was wholly unintentional.

We would call the attention of our readers to the new advertisement of C. Baltrusch, which appears in another column. Mr. Baltrusch has a very nice and large assorted stock and his prices are said to be very reasonable. Give him a call and see for yourselves.

We publish on first page an article, copied from the *Glencoe Register*, giving some substantial reasons why loyal Democrats as well as Republicans should withhold their votes from Pehler, and we especially commend it to the perusal of such of our readers as have been beguiled into the believe that Pehler will, if elected to Congress, vote against the rebel war claims.

The St. Paul Weekly *Pioneer Press*, as will be seen by the prospectus printed elsewhere, is now offered at the very low price of \$1.15 per year. For ability and amount of reading matter it is noted as one of the best papers in the Northwest, and the price brings it within the reach of all. We will furnish the weekly *Pioneer Press* and the *REVIEW* for the low price of \$2.00 per year.

The Republican caucus held in Turner Hall last Thursday evening was called to order by A. Blanchard, chairman of the Rep. town committee, and on motion Peter Scherer was chosen chairman, and Ernst Brandt secretary of the caucus. The following delegates were elected to the county convention: John C. Rudolph, W. Hauenstein, Wm. Frank, Jonas Lautenschlager, S. D. Peterson, Ernst Brandt and Jos. Bobleter.
