He died of some trouble of the heart, supposed to be neuralgia. Duluth was visited by a terrification of the heart, supposed to be neuralgia. He was unconscious when he died. Storm last Friday which continued the dry.—Louisville Post.

Mrs. Garfield, Gen. Swaim, Col. from 8 o'clock in the morning until Rockwell and Drs. Bliss, Agnew 4 o'clock in the afternoon. The and Boynton were with him when ways tossed and rolled in Lake Suhe died. None of the members of perior with wild forwand consider.

the cabinet were present.

The scenes at Long Branch and Washington, when the news of the President's death were received, is reported indescribable. The strong est men wept like children, and at the former place everybody hastened at break-neck speed for the Elberon Hotel, in the hope of learning the particulars of the President's death. The cabinet officers were hastily summoned and about 11 o'-clock they visited the chamber of death in a body.

The tug Siskewit, Capt. Martell Wright, ag shipping. The

ed at once the deepest and the wild-rested but give no rational motive est feelings of an impulsive people, for the crime. The comunity is the convulsion following would have shocked and indignant, and there is been a terrible thing to witness, some wild talk of lynching. and of the outcome no man can speak. But the tearful close of this noble life comes as the confirmation of what many day after day have waited for submissively, and what all have feared. It comes as a sequel to suffering so terrible, that instinctively we shrink from meas. will-uring it; and instead of the clamor had been abusing his wife. uring it; and instead of the clamor kin of the same nationality. Will of demonstrative grief, the thought King's sister, and she fled to he brother's house for protection almost a relief.

Vice President Arthur was officially notified by the cabinet of the King with a revolver, and was carance with the request of the cabinet, he took the oath of office and became President of the United State: at 3:15 o'clock yesterday morning.
Gen. Arthur was first informed of the Presidents death by a Sun reporter. He said "I hope, my God, I do hope it is a mistake," and his eyes filled with tears. He was completely unnerved by the said his eyes filled with tears. He was completely unnerved by the said buried his face in his all elements of the party, and combands for a long time.

As we go to press we learn that Goy. Pillsbury has called an extra session of the Legislature to convene in St. Paul on Tuesday, October

Iowa experienced the sensation of a September snow storm last Friday. Snow also fell in some portions of this State.

Gen. A. E. Burnside, United around until Thursday when it fiStates senator from Rhede Island;
onally collapsed entirely and was died very suddenly at his home in packed up and carted to St. Paul.
Bristol, Tuesday. The immediate Prof. King blamed the bad weather cause of his death was heart disease.

In Party of Journal Jou

Capt Boyton started from Glendive, M. T., last Saturday on his wim down the Yellow Stone and

ands. William Pixley, who started the flames, died while making an effort to suppress them.

Upon his arrival in Washington the other day, Ex-Minister Christithe other day, Ex-Minister Christi-shall's Bromoline, it is a great invi-ancy was challenged to mortal gorator. All druggists sell it. Price combat by a brother of his wife, fifty cents. but Christiancy replied by swearing out a warrant for the arrest of the belligerent relative-who however scaped the clutches of the law by unning over into Virginia.

The receipts of the Minneapolis air fell \$18,000 short of the expenlitures. Secretary Clark is authority for the statement that the expenses, including premiums, were about \$53,000, and receipts \$37,000, leaving a deficiency of \$18,000. Col. King's energy and management were all that could be desired, but was in stack.

The weather is disagreeably cold and rainy, and the prospect very gloomy, particularly for those who have hay to make and threshing to do. There has been a great deal of hay spoiled and washed away. Mr. Feirewere all that could be desired, but was in stack.

The sad, though not wholly unwhich by the rising and falling of harvest time that we had nearly caught when it reaches a certain density, far behind as ever on account of the moves a dyamo-electric machine, rain. Corn is out of danger from the geographical location of Podunk. President Garfield had died the night before at 10:35 o'clock.
