SPRINGFIELD DEPARTMENT.
THOMAS A. WILSON, Editor.
Springfield, Minn., July 20, 1885.
Tramps are too plentiful.
D. I. Russel of Sleepy Eye was up on Wednesday.
A Representative of the A. S. Trow Lumber Co. of Merrillan, Wisconsin, was in town on Wednesday of last week.
We are informed that Mr. Russel will deliver two carloads of self-binders between the present time and the commencement of harvest.
At the annual school meeting held on Saturday last it was decided that there shall be nine months' school taught in the Dist. during the ensuing year.
Traveling men are around lively nowadays, vending their wares.
Several farmers in this locality have already harvested the rye and barley. The lovely shower of last week was much needed to moisten the ground and lay the dust.
The papers again contain dismal reports of the devastation by grasshoppers, in Montana. These things portend no good to the people of the far west.
It will be two weeks at least before active harvesting operations are begun in this part of the State.
Rev. W. A. Tichner was unable to meet his appointment on Sunday on account of sickness in his family.
Wm. Torrey of Mulligan, accompanied by his brother Irvin, came up on Sunday last.
Mr. H. C. Warnke was duly elected school director at the late annual meeting.
It is understood that another lumber yard is to be started at this place.
Dr. Hitchcock made a trip to Amiret, on Tuesday of last week. During his stay in that vicinity he visited the large Stock Farm of S. C. Seeley, and from him he gathered the following information in regard to it. Mr. Seeley has a farm consisting of 1,600 acres, latitude one mile east of Amiret. He has devoted his time and attention to stock raising, and has, we understand, one of the finest collections of thorough bred cattle and horses in the State, comprising pure blood Short-horns, Jerseys and Holsteins. He has also a very fine collection of Norman horses, one of which is valued \$3,000. He is at present erecting a barn 160x50 feet and is contemplating the erection of a large flouring mill during the present year. Mr. Seeley's success is simply another evidence that stockraising pays in Minnesota.

WARREN LELAND,
whom everybody knows as the successful manager of the
Largest Hotel Enterprises
of America, says that while a passenger from New York on board a ship going around Cape Horn, in the early days of emigration to California, he learned that one of the officers of the vessel had cured himself, during the voyage, of an obstinate disease by the use of
Ayer's Sarsaparilla.

Since then Mr. LELAND has recommended AYER'S SARSAPARILLA in many similar cases, and he has never yet heard of its failure to effect a radical cure.
Some years ago one of Mr. LELAND's farm laborers bruised his leg. Owing to the bad state of his blood, an ugly scrofulous swelling or lump appeared on the injured limb. Horrible itching of the skin, with burning and darting pains through the lump, made life almost intolerable. The leg became enormously enlarged, and running ulcers formed, discharging great quantities of extremely offensive matter. No treatment was of any avail until the man, by Mr. LELAND's direction, was supplied with AYER'S SARSAPARILLA, which allayed the pain and irritation, healed the sores, removed the swelling, and completely restored the limb to use.
Mr. LELAND has personally used
Ayer's Sarsaparilla

hematemia, with entire success; and, careful observation, declares that, in brief, there is no medicine in the world so good for the cure of Liver Disorders, Rheum, Sores, Eruptions, and all the various forms of blood diseases.
We have Mr. LELAND's permission to invite all who may desire further evidence in regard to the extraordinary curative powers of AYER'S SARSAPARILLA to see him personally either at his mammoth Ocean Hotel, Long Branch, or at the popular Leland Hotel, Broadway, 27th and 28th Streets, New York.
Mr. LELAND's extensive knowledge of the good done by this unequalled eradicator of blood poisons enables him to give intelligent and valuable information.

AYER'S SARSAPARILLA
"I ache all over!" What a common expression; and how much it means to many a poor sufferer! These aches have a cause, and more frequently than is generally suspected, the cause is the Liver or Kidneys. No disease is more painful or serious than these, and no remedy is so prompt and effective as
MISHLER'S HERB BITTERS.

No remedy has yet been discovered that is so effective in all KIDNEY AND LIVER COMPLAINTS, MALARIA, DYSPEPSIA, etc., and yet it is simple and harmless. Science and medical skill have combined with wonderful success those herbs which nature has provided for the cure of disease. It strengthens and invigorates the whole system.
Hon. Thaddeus Stevens, the distinguished Congressman, once wrote to a fellow member who was suffering from indigestion and kidney disease: "Try Mishler's Herb Bitters. I believe it will cure you. I have used it for both indigestion and affection of the kidneys, and it is the most wonderful combination of medicinal herbs I ever saw."

Boils and Carbuncles.
These are the volcanoes of the human system. They proceed from impure blood and from a riotous demoralization of the digestive organs. They are annoying, painful, and sometimes dangerous. They can be driven out by toning up the system, and this can best be done by the use of Brown's Iron Bitters. Messrs. Handy & Rullman, druggists, Annapolis, Md., say, "We sell lots of Brown's Iron Bitters. All who use it seem pleased. We hear not one complaint."
Wednesday afternoon last a twelve-year old son of Nicholas Stadler, of Deerfield, Steele county, while raking hay was struck by lightning and instantly killed. The horse attached to the rake was also killed. The boy's parents, who were at work in the same field, and but a short distance from him, neither saw the flash nor heard a report of the electrical discharge. Seeing the horse lying down, they went to see what was the matter, and to their horror found their son dead, his clothing being entirely torn from his body, although there were no marks of burning or otherwise upon him. His clothing was torn into shreds, there being scarcely a bit to be found as large as a dollar.

Hay Fever. I have been a great sufferer from Hay Fever for 15 years. I read of the many wondrous cures by Ely's Cream Balm and thought I would try once more. In 15 minutes after one application I was wonderfully helped. Two weeks ago I commenced using it and now I feel entirely cured. It is the greatest discovery ever known or heard of.—Duhamel Clark, Farmer, Lee, Mass. Price 50 cents.

George F. Stedman, forty years old, of Sebek, Me., was married a few days ago to Grace Preble, a little child of eleven years, living in the same town. The town clerk at first refused to issue a license, but the consent of the child's parents being given no legal ground for refusal remained, and the marriage ceremony was performed.

We Caution All Against Them.
The unprecedented success and merit of Ely's Cream Balm—a real cure for catarrh, hay fever and cold in the head—has induced many adventurers to place catarrh medicines bearing some resemblance in appearance, style or name upon the market, in order to trade upon the reputation of Ely's Cream Balm. Many in your immediate locality will testify in highest commendation of it. Don't be deceived. Buy only Ely's Cream Balm. A particle is applied into each nostril; no pain; agreeable to use. Price fifty cents; of druggists.

Rejoicing Down South.
Lexington, Ky.—Mr. John T. Bruce, of the United States Revenue Collector's Office, informed an editor of the *Daily Press*, of this city, that for seven years he suffered terribly from rheumatism in his ankle, which most of the time was swollen to two or three times its natural size, and was so painful that he could not put his foot to the ground. After trying everything he could think of without obtaining relief, he at ten o'clock one morning applied St. Jacobs Oil, and shortly afterwards made two further applications. At three o'clock that afternoon the pain was gone; the swelling also disappeared, and the cure was as permanent as it was quick.
