## How Baking Powders are made.

While rival companies are disputing as to what ingredients are to be found in the "best baking powder," the public will be interested in the following definition of these now indispensable articles, as given by Appleton's Cyclopaedia, the acknowledged American authority.

"The best baking powders are composed of bitartrate of potash (cream of tartar), tartaric acid, carbonate of ammonia, and soda bi-carbonate, bound together by a little starch."

On closely examining a light-weight silver dollar, presented at the sub-treasury in Boston the other day, a piece of handiwork of high order was discovered. The coin had been hollowed out in the center so as to allow the placing within it of the photograph of a child, while the face of the coin formed a sort of cover, which was held in position by hinges and a clasp. So fine was the work that probably no one but an expert could detect it. It is thought that the coin found its way to the treasury by mistake.

from Rheumatism. His physicians feared amputation of the leg would be necessary. He tried ATHLOPHOROS, and in two days was cured.

A professor in a medical college once said to his class "put your hand in a vice, turn the screw until the pain is all you can bear, and that's rheumatism; turn the screw once more, and that's neuralgia; and gentlemen, the medical profession knows no cure for either." That was before the discovery of ATHLOPHOROS which does and will cure both Rheumatism and neuralgia, and many physicians use it regularly—frankly admitting that they can prescribe nothing else so effective.

Many persons have tried so many so-called remedies, without benefit, that they have no faith to try more, but it is worth your while to try ATHLOPHOROS. If you have any doubts as to its value write for names of parties in your own State who have been cured by its use.

Ask your druggist for ATHLOPHOROS. If you cannot get it of him we will send it express paid on receipt of regular price—\$1.00 per bottle. We prefer that you buy it from your druggist, but if he hasn't it do not be persuaded to try something else, but order at once from us as directed, ATHLOPHOROS CO., 112 WALL ST., NEW YORK.
