

SPRINGFIELD DEPARTMENT.

THOMAS A. WILSON, EDITOR. Springfield, Minn., Dec. 21, 1886.

—Jos. Haggard and wife are spending a week at Sanborn. —A. G. Anderson visited Sleepy Eye Monday. —Christmas trees for sale cheap at E. Seiter's. —A grand ball is on the programme for Thursday evening. —F. Claque will lecture next Sunday evening in the German M. E. Church. Subject: Education. —Large shipments of fuel are being received nowadays and the local dealers are busy dealing it out to farmers. —As a reformer our friend Ray stands at the head. He lately purchased a seventeen dollar bible, as large as a shoe box, which he leaves lying on his counter for the benefit of the public. —Messrs. Gilman & Slocum of Iberia were up this way last week buying a car load of sheep. —A Literary society holds meetings each alternate Sunday evening in the German M. E. church. A proposition has been made to have the speaking done in the English language at each alternate meeting. The plan would without doubt prove satisfactory. —Miss Jennie Roth is attending school at Sleepy Eye. —Hazel Cady and Pat Shields say all hands must come up to the hall Thursday eve, and have a good time. —Mr. Ed. Radtka is again confined to his bed, and at the present time his recovery is considered doubtful. —Our teachers left Springfield on the morning train on Friday. Mr. Claque going to Mankato and Miss Wilson going to St. Paul. They will remain away during the holidays. —The judges who were called to render a decision at the "speaking match" on Thursday evening were just a little puzzled, which fact was evinced by their endeavors to comb out their forelocks with their fingers, yet they wisely united with the audience in the enjoyment of the joke. —The entertainment held in Gamble's Hall on Thursday evening of last week just brushed the polish off from everything of the kind ever held in Springfield. The various pieces were rendered in the best manner possible, and the entire programme was well carried out. The proceeds, amounting to nearly twenty-five dollars, were contributed to the school library fund. —Mrs. Barron's singing class consisting of about twenty-seven pupils are making rapid progress and doubtless Springfield can ere long boast of having some of the finest singers in the west.

St. Jacobs Oil is pronounced a most extraordinary cure for rheumatism by Hon. James Harlan, ex-chancellor, Louisville, Ky. The St. Petersburg papers contain advertisements for tenders for supplying the enormous amount of war material, including 50,000 tents, 500,000 soldier's cloaks, 2,000,000 pairs of boots, gunpowder and bullets, to be delivered by April at the latest. World-wide is the reputation of West's Cough Syrup, the truly marvelous remedy for coughs, colds, croup, whooping coughs, asthma and consumption. All druggists. * McQuade, another of the New York hoodlum aldermen, has been convicted of accepting a bribe and sentenced to seven years in the penitentiary and to pay a fine of \$5,000.

Mr. J. Howard James, manager Stuckert's Livery, 619 N. 5th street, Philadelphia, Pa., says: "After trying all other remedies without relief, for a heavy cold on the chest, accompanied by a severe cough, I used Red Star Cough Cure, and in a very short time was entirely well. When the Minnesota liar after telling a whopper is shown a card on which is printed 'I am somewhat of a liar myself,' he is now provided with a card to exchange, which reads, 'That is your general reputation.'"

Mr. D. L. Wilcoxson, of Horse Cave, Ky., says he was, for many years, badly afflicted with Phthisis, also Diabetes; the pains were almost unendurable and would some times almost throw him into convulsion. He tried Electric Bitters and got relief from first bottle and after taking six bottles was entirely cured, and had gained in flesh eighteen pounds. Says he positively believes he would have died, had it not been for the relief afforded by Electric Bitters. Sold at fifty cents a bottle by C. L. Roos. (6) A Welsh couple from a mining settlement near Pottsville, Pa., recently obtained a marriage license from Register Johnson. Then they went home happy in the thought that they were man and wife, and lived together for two or three weeks before they found out that a minister or a squire was necessary before they could be really married.

A female school teacher, in one of the southern counties of Illinois, was presented with a fence rail, a tin can filled with tar and a small bag of feathers by a wrathful parent of one of her pupils whom she had punished. With bright eyes and elastic step, yet gray, lusterless hair. It is unnatural, needles, Parker's Hair Balsam will restore the black or brown prematurely lost, cleanse from dandruff, and stop its falling. Don't surrender your hair without an effort to save it. (J. I.) A Nashville astronomer has discovered a comet with three tails. Tennessee seems to be quite as strong a prohibition state as Georgia. —Norr. Herald.

Don't Experiment. You cannot afford to waste time in experimenting when your lungs are in danger. Consumption always seems at first, only a cold. Do not permit any dealer to impose upon you with some cheap imitation of Dr. King's New Discovery for Consumption, Coughs and Colds, but be sure you get the genuine. Because he can make more profit he may tell you he has something just as good, or just the same. Don't be deceived, but insist upon getting Dr. King's New Discovery, which is guaranteed to give relief in all Throat, Lung and Chest affections. Trial bottles free at C. L. Roos' Drug Store. 6 Thomas Nast, the political cartoonist, wears a scarf pin of his own design, representing a union of capital and labor in the shield of the United States. West's Cough Syrup, a certain and speedy cure for coughs, colds and all throat and lung diseases. "Did you go for a vacation this summer, Smith?" "Oh, yes." "How did you manage your business affairs?" "I look my advertisement out of the paper until I returned, so there wasn't any business to manage." Better stop your cough while you can. Bye and bye nothing will do it. It is worth heeding, that Parker's Tonic is the best thing known for coughs, colds, torpid liver, kidney troubles and weak lungs. You risk your life in waiting. Take it while there is yet time. Jan. 1. A party of young men dined sumptuously at a restaurant in Dublin, and each one insisted on paying the bill. To decide the matter it was proposed to blindfold the waiter and the first one he caught should pay the bill. He hasn't caught any of them yet. The increasing demand for West's Cough Syrup is evidence of its great virtue in all throat and lung diseases; Three sizes. All druggists. A Naugatuck, New York, saloon keeper has just bought a church. His application for license was objected to on the ground that his saloon would be too near the church. Agricultural Society at their meeting recently held at New Ulm.
