

Wednesday, Feb. 13, 1889.

Under the heading "Political Tyranny at an end" the St. Paul correspondent of the REDWOOD GAZETTE says: "We are all right. I mean that if there is a reapportionment made this year the shackles which unite us politically with unjust and Democratic Brown county will be broken. It was a big undertaking for the Redwood-representative to attempt to accomplish this end, but by his constant and strenuous efforts, together with Mr. Forbes of Lyon, the work is practically completed. Mr. Forbes is on the reapportionment committee, and was placed there by his colleagues from Redwood and other counties surrounding Lyon. The intention of Messrs. McMillan and Forbes is to unite Redwood and Lyon into one senatorial district and if their population is not sufficient, to take in Lincoln. But Redwood and Lyon are entitled to one senator and one representative at least, and if we are entitled to anything more Mr. Forbes is just the man who is going to get it. Redwood and Lyon are about the same in politics. There is no reason why they should not agree politically as calmly as the mild breeze that sweeps over the prairie on a beautiful summer day."

Cabinet makers say that the Blaine influence is at work trying to get Wm. Windom into Harrison's Cabinet, as secretary to the treasury. Who says that Windom is a dead duck politically?

On Friday evening County Auditor, E. S. Pettijohn, of St. Peter, was presented with an easy chair, by his Masonic friends of St. Peter. The day had been the anniversary of his 41st birthday.

The latest game of cards with our local wielders of the paste-board is crazy singh. It differs from ordinary singh by allowing the buyer to call some card as partner.

So Say We All.

GENTLEMEN of the Legislature, give the people a tax law that will require honest assessments and levy taxes equally, or as nearly so as human infirmity will admit. Give the people a law that will not permit and encourage the money lender in Sibley county to loan on mortgages in Le Sueur county and the Le Sueur county money lender to invest in Sibley county mortgages, and each thereby escape taxation. Give the people something in the form of a tax law that does not compel men to become rogues and perjurers to get even with their neighbors in escaping taxation.—LE SUEUR SENTINEL.

STEALING A GOVERNORSHIP.

A Charleston, W. Va., dispatch of the 7th says. At yesterday's session of the legislature the gubernatorial returns were read until the clerk reached a point in the proceedings when the count would elect Judge Fleming, Democrat, as Governor. Then the Democrats objected to any further reading, and as the returns read showed a majority for Fleming the legislature decided, by a vote of 42 to 41, that Fleming was elected. The Republicans protested, but are utterly helpless, and it is believed the Democrats will fully carry out their plan to steal the governorship. There is great excitement.

That fat man, who the ladies declare is the handsomest man in Washington, used to be an invalid, but he took to hard drinking, not of whiskey, but of Dr. Bull's Cough Syrup, and now he walks right over the very slenderest dudes, and don't care at all.

GOLDEN GATE NEWS.

News are scarce.
P. McPhiel is making preparations to erect a large barn in the spring.
C. Smith is going to make some improvements to his dwelling in the spring. He will also built an addition to his barn.
Wm. Dey, our post-master, is doing a flourishing business.
C. Peck who recently got his leg broke is improving. Dr. Wellcome is attending the patient.
Many cattle buyers are making their appearance but the prices they offer are very low.
Geo. Hart of Lone Tree Lake has sold his firm and is thinking of emigrating to Oregon in the spring.

ORDINANCE NO. 28.

An ordinance granting to the "New Ulm Electric Light Company" (a corporation), the right to erect and maintain poles, streets, wires and other fixtures in the streets, alleys and public grounds of the City of New Ulm, for the purpose of furnishing light, heat and power by means of electricity.

The City Council of the City of New Ulm do ordain:
SEC. 1. That the New Ulm Electric Light Company, its successors and assigns, are hereby authorized to erect

and maintain in and along the streets, alleys and public grounds of the City of New Ulm, the necessary poles and masts for the purpose of stretching and maintaining thereon the necessary wires, lamps and other fixtures, as are essential to the business of furnishing within said city, light, heat and power by electric currents, to whoever may desire the same, according to the conditions hereinafter stated.

SEC. 2. In the construction and operation of the electric light plant to be erected hereunder, none but insulated wires shall be used, the poles or masts necessary to be erected shall be straight, of sufficient thickness, at least 25 feet in height above the ground, smoothly planed and painted, and, in all streets, shall be set in the sidewalk close to the gutter, unless special authority or directions are otherwise given by the City Council; and in all alleys and public grounds, the same shall be set at such places and in such manner as may be directed and approved of by said City Council.

SEC. 3. The said New Ulm Electric Light Company, its successors and assigns, shall have suitable and proper works, apparatus and appliances in operation, ready to supply electric light to whoever desires the same within said city, within six months after the ratification of this ordinance, and shall keep said works in operation continuously thereafter for the purpose of supplying said electric light; and in case of accident causing said works to be impeded or stopped, they shall be put into full operation without delay and with the greatest possible diligence; and all fixtures, appliances and devices used in and about said electric light plant shall be of the very best of the kind, capable of furnishing as good a quality of electric light as is furnished in other cities.

SEC. 4. The owner or owners of the franchise herein granted, shall not unnecessarily obstruct the streets, alleys or public grounds of said city in the construction and operation of said electric light plant; and shall without delay restore the same to as good a condition as they were in prior to the commencement of operations thereon, and shall employ all proper and necessary precautions to guard against danger by accident in the prosecution of the work of establishing said electric light plant.

SEC. 5. Whenever any street, alley or public ground, on which any poles or masts have been set under the provisions of this ordinance shall be graded, or the grade or width thereof changed, it shall be the duty of the owner or owners of the franchise in this ordinance granted, to reset its poles or masts at his or their own cost so as to conform to the grade or width so changed.

SEC. 6. The said New Ulm Electric Light Company, its successors and assigns hereby assume all liabilities and save the City of New Ulm harmless from any and all damages growing out of the construction, repair and operation of said works and the use of the said electric light, and the City of New Ulm shall have the use of its pole-line free of charge for the purpose of stringing thereon its fire-alarm wires and the owner or owners of the franchise herein granted shall at any time hereafter permit any telegraph or telephone company or companies to properly string their respective wires on its said pole-line upon being paid or tendered a reasonable compensation therefor.

SEC. 7. The rights, privileges and franchise herein granted to said New Ulm Electric Light Company, its successors or assigns, shall become operative from the day of ratification thereof and shall continue for the period of twenty-five (25) years thereafter, and any transfer or change of ownership of said rights, privileges and franchise, shall at the time when the same takes place, be forthwith communicated to the City Council in writing, by joint notice by the grantor and grantee thereof.

SEC. 8. The said New Ulm Electric Light Company, for itself, its successors and assigns shall, within twenty days after the approval and publication of this ordinance, if it desires the benefit of the same, file with the City Clerk of the City of New Ulm, its written acceptance of the same upon the conditions and subject to the provisions herein named, and in case of default in filing such instrument of acceptance, this ordinance shall be deemed to be rejected and shall become and be thereafter void.

SEC. 9. In case of any failure by said New Ulm Electric Company, its successors or assigns, to have proper works, apparatus and appliances in operation ready to supply the inhabitants of this city with electric light within the time herein required, or fails to do any material thing by this ordinance required of them, or in case of any failure by them to observe any and all of the regulations herein contained or made in pursuance of this ordinance then in either case such failure shall forthwith work a forfeiture by them of all the rights and privileges herein granted.

SEC. 10. Nothing in this ordinance contained, shall be taken and construed to grant to said New Ulm Electric Light Company, its successors or assigns, the exclusive franchise of furnishing light, heat and power by electricity within the City of New Ulm. The right is hereby also reserved to amend this ordinance in any manner necessary or proper at any time for the full protection of life and property by reason of the construction and operation of said electric light plant.

SEC. 11. This ordinance shall take effect from and after approval and publication.

Passed Feb. 5th, A. D. 1889.
E. G. Koch,
Attest: Pres. of the Council.
LOUIS SCHILLING, City Clerk.
[SEAL]
Approved Feb. 6th, A. D. 1889.
JOHN C. REDOLPH,
Mayor.
