We Can't do it

but are willing to pay for learning how to make as good an article as Wolff's ACME BLACKING of cheap material so that a retailer can profitably sell it at 10c.

Our price is 20c.

The retailer says the public will not pay it. We say the public will, because they will always pay a fair price for a good article. To show both the trade and the public that we want to give them the best or the least money, we will pay

\$10,000.00

Reward

For above information; this offer is open until January 1st, 1893.
