The law forbids the taking of fish

of talk, it was decided to appoint a
committee to solicit for help from the
citizens of New Ulm. This committee
consists of F. Baarsch, Geo. Schmidt
and F. Fritsche and they are request-
ed to report at a meeting at Turner Hall
on a week from next Sunday.

Mrs. Lahey testified at Springfield
that in the house, which was burned
on Tuesday night, there must have been
between \$400 and \$500 in gold. Several
men were selected by the county attor-
ney to make an investigation and a
strict search was made, but without
finding anything except a silver dollar
and a watch. This seems to strengthen
the belief with the people of that vicin-
ity that the fire was the work of robbers
and incendiaries.

A West Newton man, who was caught
mixing sand with his wheat last fall,
was tripped up in another act of mean-
ness, says the Fairfax Crescent, last
Monday. This time he undertook to
sell a 200 pound hog and 100 pound
boy for 300 pounds of pork. When he
weighed the hog, and boy stood
on the scales, and delivered the hog,
claiming its weight to be 300 pounds
and received his money for 300 pounds.
This man (Joe Julius) ought to be
taught a lesson that he will not soon
forget.

Saturday morning at about nine
o'clock, there occurred the death of
Mrs. Julia Louisa Flike of old age. The
deceased was born in Frankfort on the
Main on the 14th of June, 1804 and was
consequently 88 years of age. In 1847
she came to America and lived for a
while in Pittsburg. Later on she
removed to Cincinnati, where she re-
sided until the fall of 1857 when she
came west to New Ulm with her hus-
band. The latter died three or four
years ago and since his death she has
resided with her children. Old age
brought with it almost total blindness
so that death to her is almost a relief.
The funeral was held Monday afternoon
and was attended by a large number
of friends and acquaintances.

PASSENGER DEPOT.

The Northwestern will erect One
near the Centre Street
Crossing.
Application Already Made for Lots
on Which to Build.
New Ulm is sure to secure a new de-
pot this year. Such is the decision of the
Northwestern Railway Company and
there is no longer any doubt as to the
certainty of their intentions.

Application was made to the city
council on Monday for Lots 1, 2 and 3
of Block 182 on which to erect the pro-
posed structure and negotiations are
now being made with the Empire and
Roller Mill Companies for track land.
The object is to remove stock yards,
coal sheds and engine house and lay a
new passenger track from south of
Third South Street to beyond Centre
Street, locating the depot on the town
side of the track so that it will not be
necessary to cross the track to go to and
from the city. In case the track land
desired cannot be secured, the depot
will be built east of the present track.
It will be of brick and will compare
with any on the line west of Winona.

The old depot and track lines will be
used only for freight purposes and will
in no way conflict with the passenger
service. The new round house, coal
sheds and water tanks will all be lo-
cated east of the present tracks and the
amount of building to be done by the
company in this city this year will foot
up many thousands of dollars.
