Magee's Liniment.

IN offering this valuable preparation to the public the undersigned is well aware that he will have to encounter not only a strong prejudice against all patent or "universal" medicines, but that his Liniment will have to come in competition with many valuable and larger established preparations. But he fearlessly enters the lists of those who are engaged in preparing remedies for the ills of human life, with the confident belief that nothing but a fair trial is wanting to convince every unprejudiced mind, that his Liniment has no superior, if an equal, for the cure of the various diseases for which he recommends it. He has been for several years engaged in the preparation of this valuable medicine, and in administering it to his afflicted neighbors and friends, but not until recently, and after many solicitations from those who have tried its efficacy in the alleviation and cure of distressing affections, has the proprietor been induced to prepare it for extensive sale and use among mankind. He has no patent for the invention, but would caution those who would wish to be benefited by it, to purchase none but that which is properly attested as genuine, which will be in all cases, accompanied by the written signature of the subscriber. From the flattering opinions formed of it by many persons, this preparation has been styled

MAGEE'S LINIMENT OF LIFE.

DIRECTIONS. Bathe the parts well with the Liniment two or three times a day, steaming it with a hot iron when practicable, or heat it before the fire.—Keep dry and warm, avoiding getting wet, or taking cold as much as possible. For some diseases, a particular attention is required, and the use of a salve prepared by himself, called Magee's salve No. 1.

E. DRAPER & BROS., general Agents, Louisiana, Mo., to whom all applications must be made for Medicine or Agencies.

CERTIFICATE. WHITE SWELLING. Dr. John Magee, Sir: This is to certify that my son was taken with the white swelling, and your Liniment has cured him in a short time.—The disease was of a year's standing.

JOHN C. BOWLES, Pike Co. Mo., Feb. 23d, 1848.

H. G. FARRELL'S Arabian Liniment The greatest remedy ever discovered for all complaints requiring an external application, either in man or beast. In the short length of time it has been introduced to the people of the United States, it has gained a reputation second only by any other medicine in the known world. Why is it? The answer is plain: because a medicine of the kind has never been put before the public so deserving of the rich laurels it has acquired; and it will continue to gain friends as long as it performs the most extraordinary cures of various descriptions, after the doctors and all other remedies had failed. We do not only say that the genuine H. G. Farrell's Arabian Liniment can and does perform cures which no other medicine can do, but you have here certificates of what it has done.

Thaddeus Smith, of Mudd Creek, Tennessee, writes: "I had lost the use of my arm, more than a year, by palsy or paralysis; the flesh had entirely withered away, leaving nothing but skin, muscle and bone. I tried all the best doctors and all the remedies I could hear of, but they did me no good. I then commenced the use of H. G. Farrell's Arabian Liniment, and a few bottles entirely cured me, and my arm is now as strong and fleshy as the other. It is also a great cure for burns, sprains and bruises."

The celebrated DOCTOR JAYNE, whose reputation as a benefactor to mankind extends over the whole world, reports that a lady of one of the first families in Philadelphia had been confined for her bed fourteen years with Rheumatism, and was cured by H. G. Farrell's Arabian Liniment. He also says: "Your Liniment is going rapidly; send me a supply immediately by Leslie's fast line."

My daughter, when 6 months old, was taken with a swelling in the tonsils, which grew larger and larger, till when 6 years old she had great difficulty in swallowing her food. Every night, watch was kept, fearing she would suffocate. The best doctors attended her, but could give no relief. I took her to the most eminent doctors in the East; they said there was no help for her but to undergo it. With a sad heart I returned home with her, when she became so much worse that the doctors had to be called in again; they decided the fountains must be cut off; the only means of giving relief. My wife would not consent to this, and she determined to try your Liniment, which gave relief the very first application, and by a continued use she entirely recovered. She is now 10 years old, and fleshy and healthy as could be desired. Your Liniment is also the best cure for sprains, bruises, cuts, burns, headache, &c.; and it will remove the most severe pain in a few minutes. It also cured a caked eye in my case in a few days. GEORGE FORD. Peoria, March 20th, 1849.

LOOK OUT FOR COUNTERFEITS! As they are in circulation. The true and only genuine H. G. Farrell's Arabian Liniment always reads with the H. G. initials, before Farrell's, thus, "H. G. Farrell's Arabian Liniment," and his signature is also on the label of the bottle, and these words are blown in the glass bottle. "H. G. Farrell's Arabian Liniment, Peoria." Do not touch any other, & look well before you purchase, for you will get imposed upon.

Manufactured only by H. G. Farrell, sole inventor and proprietor, and wholesale druggist, No. 17, Main street, Peoria, Ill.; to whom all communications must be addressed; and for sale by J. WILLIAMS & Co., Louisiana. Wholesale agents, St. Louis. Also by regular agents throughout the U. S. Call and get a Farrier book, free of charge.
