A BIG FIRM!

The Leading Dry Goods House of North Mo.

What They Claim—Who They are and What They Propose.

Some Interesting Facts for the Public.

The name "New York Store" is one that has become a household word throughout North Missouri. The vim and energy of the firm; its immensely varied stock, its hard-pan prices that have carried terror to the old time dealers who formerly fattened on high prices; and its wonderful popularity with the masses are all known over a wide and ever widening territory. The firm has determined to enter the fall campaign of 1883 with a

bigger stock than ever before brought to a north Missouri town. They wish it distinctly understood that this is no bluff, but a solid, substantial fact which can be backed on demand by the goods on their shelves and counters. They not only claim the biggest stock of Dry Goods but also largest and most complete selection of

BOOTS AND SHOES embracing every style and quality from a cheap slipper up to the very finest Lady's shoe, or the best custom made gentleman's boot. They call especial attention to the latter and now challenge competition, for their motto is

"NOT TO BE UNDERSOLD."

Remember they have TWO FLOORS full of goods. The only house in town that is compelled to occupy two full floors extending from street to alley, in order to show its goods. When you call to see them ask to be shown up stairs if you wish to learn the immense variety, extent and quality of their goods.

REMEMBER

they carry every variety of goods in the Dry Goods line, Ladies fine Dress Goods, A full line of staple articles, trunks, valises, ribbons, trimmings, clothing, furnishing goods of every description, the largest line of boots and shoes in the city and in rugs, carpets, etc., make a specialty never before attempted in Kirksville.
